Judge: Norma Smith

A special thank you to the ACT Bull Terrier Club for the invitation to judge this great show. It's been some time since we've been to Australia and never before to Canberra. Our heartfelt thanks to Di Cross for looking after us and making sure every detail was attended to as well as running this well organized event. That and perfect weather made for a great day. An impressive entry with a lot of quality made the task not only challenging but also very enjoyable. Thanks to all the exhibitors for entering. It was a pleasure going over your dogs. The breed is in good hands in Australia.

Excellent dark well set eye offering the keenest of expressions. Ears right on top. Deep well sprung ribs with excellent forechest. Great neck flowing smoothly in a strong short topline which he held on the move. Well let down hindquarters. Moved spot on both ways. In excellent condition and nicely presented.
