

Firstly, thank you to the ACT Bull Terrier Club for inviting me to judge my first speciality show after being awarded my ROM licence. It was an honour to be able to judge dogs from breeders whom I have admired during my time in Bull Terriers. Overall for the size of the entry I was impressed with the quality of both breeds and with the placings in several classes being extremely close between 1st and 2nd place and very closely contented. I tried to focus on the breed standard and virtues of the dogs when judging. Thank you for accepting my decisions and being good sports.
