CORSAIR

1967...THE PRESENT ...THE FUTURE

We Didn't follow by imitation but led by inspiration....

1980 we welcomed the first of our Marquell Cockers - NZ GRAND CH Marquell Corsair (UK), a son of Haradwaithe Quicksilver, followed a few years later by the Echelon son NZ GRAND & AUST CH Marquell Masterpiece (UK), joined later by NZ CH Marquell Maid For Corsair (UK), by Normanview Midnight Runner of Classicway. The 3 influential sires moulded well with the Marquell bitch line and in turn the 3 Marquells blended with our already strong and successful lines to produce generation after generation of top producing and winning Cockers. Oliver and Harvey were top winners amongst All breeds to indelibly write themselves into the history books.

Later joined by the unforgettable Swede GRAND CH Westerner Winds Eye at Corsair (Sweden) whose exciting lineage also successfully blended for CORSAIR.

Thank you Mark for your huge contribution to CORSAIR, congratulations on this exciting appointments judging this weeks Cocker Spaniel National.

CORSAIR

1967...THE PRESENT ...THE FUTURE

The Present: CH CORSAIR TWO WORLDS COLLIDE, Theo is the product of the collaboration of two top kennels "Corsair" NZ and "Glenayden" Australia, who combine not only successful home bred producers but a myriad of internationals also. His dam is a Simon daughter Corsair Storm in a Teacup and his sire AUST. CH. NZ GRAND CH RYANGAYE REASON TO CELEBRATE who Ann & Dennis O'Keefe kindly entrusted to us, along with Keith Brown & Robbie Gray, Corey adding to his already bountiful successes in gaining his NZ Grand CH title.

THEO has excelled in the show ring, an All breeds BIS & RES BIS winner, Gundog Speciality BIS & RES BIS winner, 10 All Breeds Puppy in Shows & multiple BOG & Res BOG's. He is merry, he reaches & drives with purpose, excels in head & expression. Theos attributes have been rewarded by judges the world over, we are excited with him!!

The Future: CORSAIR STORM IN A TEA CUP is presently nursing our latest litter, sired by our amazing GRAND CH. CORSAIR THE NIGHT OWL by using 11 year old frozen semen. Only just a few weeks old so only time will tell, its a wonderful experience to witness the past, present and future all in the one bundle of babies.
