Lorna Schuster Best in Show Trophy

Presented at ATCV Championship Shows since 2012

Lorna Schuster (nee Green) acquired her first Airedale Terrier as a young girl and joined the ATCV in 1930. She began breeding under the

Hillmere

prefix in 1931. Over the years Lorna imported six Airedales from the UK, most in partnership with other breeders, all of which made a significant contribution to our breed.

Lorna became Secretary of the ATCV in 1939 and held this position until 1954 when she and her husband Clive moved to WA. Lorna's contribution to both the Club and the breed was recognised by the Airedale Terrier Club of Victoria and she was appointed as the first Life Member of the club. On her return to Melbourne in the early 1960's Lorna again became active in Club affairs and over her time in the Club occupied nearly every official position and she continued to serve regularly on the Committee until the mid 1990's.

In 1970 Lorna trained Ch. Hillmere Calypso to the title of CD, the first Terrier bitch in Victoria to gain a Companion Dog title. A long line of Hillmere obedience title holders followed. Lorna's interest in Obedience continued over the years and it was through her enthusiasm and encouragement that the ATCV introduced Restricted Obedience Trials on a regular basis throughout the 1980's and 90's.

Lorna bred innumerable Hillmere Champions her first Ch. Hillmere Valiant in 1945, provided foundation stock for many of the old established kennels in Australia and New Zealand and won many Club Specialities, Royal Challenges and Best in Show (All Breeds) awards over the years, as well as all of the Club trophies many times over.

Lorna held the unique honour of being Patroness of each of the affiliated Clubs in Australasia—Victoria, New South Wales and New Zealand.

Lorna Schuster's influence on the Airedale Terrier world was immense over the years and was made all the more admirable by her unselfish and untiring efforts for the good of the breed as a whole.

Lorna passed away in May 2000 aged 89.

Bill Brilliant Trophy for Best Opposite Sex in Show

Bill Brilliant

commenced his long and successful career in the Dog World with the purchase of an Airedale bitch in 1923. His association with dogs included breeding, exhibiting, importing, judging and administration. His first imported Airedale was Orator in the mid 1920's followed by Wrose Palm, Fernbank Rascal, Princehill Alpha and his last Riverina Gulliver in the mid

1950's. **Stoneleigh**, his own kennel prefix, became well known for quality Airedale Terriers such as Stoneleigh Stormer, Ch. Stoneleigh Solario (the first Airedale to win Best Dog in Show at the Melbourne Royal Show in 1934), Ch. Stoneleigh Sapper, Ch. Stoneleigh Safeguard and Ch. Stoneleigh Supreme.

Bill was involved in the formation of both the Airedale Terrier Club of Victoria in 1929 and later the Sporting Terrier Club of Victoria. He was President of the Victorian Poultry and Kennel Club from 1948 to 1962, was appointed to the Committee of the Kennel Control Council in 1947 and was an All-Breeds judge from 1956 to 1972. He was recognized as an authority on the Terrier breeds and filled many important judging appointments. He judged our Championship Shows in 1947, 1949 and 1965.

His contribution to the dog world was recognized by Life Membership of the Airedale Terrier Club of Victoria in 1964, Sporting Terrier Club of Victoria and the Victorian Poultry and Kennel Club. He was made a Life Member of the KCC in 1978 and was Patron of both the ATCV and the ATANSW.

Bill celebrated his 100th birthday on 31st. August 1986.

Bill Brilliant contributed much to our Club, our breed and the Dog World generally and holds a unique place in Airedale Terrier History.

Meet our Judge; Dr Valeria Rickard (Joval Airedales USA)

Dr. Valeria Rickard's passion for dogs began during her youth in Europe where she started off in junior handling. After moving to the U.S.A., she completed her undergraduate degree, and went on to finish Veterinary school at Virginia Tech, graduating with top honors. During that final year of Vet school she rekindled the flame for showing and breeding by acquiring a Champion Airedale Terrier bitch from a famous English kennel which became the foundation of the JOVAL Kennels. Along the way, she also was involved in breeding Welsh terriers, but Dr. Rickard's primary focus has always been on Airedales. A recent addition to the JOVAL Kennel has been an introduction of Brussels Griffons.

Dr. Rickard's near life-long interest in purebred dogs and her extensive medical knowledge of proper anatomy and movement has motivated her to become an AKC conformation judge. To her credit, Dr. Rickard's accomplishments, her impartiality and known eye for quality has led her to receive numerous assignments within USA, including several prestigious Terrier Specialties and numerous specialty assignments around the world.

Dr. Rickard along with her husband, own JOVAL Airedales - a very successful home-based kennel. Over the past decades, she has been very successful in Airedales, consistently breeding numerous specialty winners as well as several #1 Airedales – including several top ten terriers in the U.S.A. national rankings. Her dogs have been awarded numerous awards at prestigious Westminster and Montgomery KC shows. She still participates in the majority of National and Regional Specialties (preferring to show her dogs from the Bred-By class) as well as many well-known International shows. To her credit internationally, she has bred & personally shown a Best of Breed winner at Crufts 2007; a Best of Breed winner at the World Dog Show in 2008 and Best of Breed & BIS4 winner at the World Terrier Show 2008. She also has bred the 2007 World Dog Show Best of Breed winner and the 2009 Interra World Winner. At the international ranking levels, Dr. Rickard has bred the #1 Airedale in England ('06 & '08), Canada ('09), Sweden ('08 & '09), Romania ('08 & '09), Mexico ('06, '07 & '08), Argentina ('06, '07 & '08), China ('15, '16), Japan ('16), Serbia ('15, '16) and Israel ('06, '07 & '08), also #1 Terrier in Romania ('09) and Mexico ('06).

Dr. Rickard is the Owner and Medical Director of North Oatlands Animal Hospital & Canine Reproduction Center in Leesburg, Virginia as well as Dominion Animal Hospital in Haymarket, Virginia. Dr. Rickard has been published in two veterinary textbooks and often donates her time by conducting seminars and presentations on canine reproduction, paediatrics, and related topics. She is frequently published in magazines such as Terrier Type and other newsletters.

Between her veterinary career, her purebred dog activities and judging assignments, Dr. Rickard still has found time to have a family and very much enjoys spending time with her husband John and daughter Olivia at their mountain home in Virginia. She also enjoys scuba diving, skiing, tennis and international travel.
