Lorna Schuster Best in Show Trophy

Presented at ATCV Championship Shows from 2012

Lorna Schuster (nee Green) acquired her first Airedale Terrier as a young girl and joined the ATCV in 1930. She began breeding under the

Hillmere

prefix in 1931. Over the years Lorna imported six Airedales from the UK, most in partnership with other breeders, all of which made a significant contribution to our breed.

Lorna became Secretary of the ATCV in 1939 and held this position until 1954 when she and her husband Clive moved to WA. Lorna's contribution to both the Club and the breed was recognised by the Airedale Terrier Club of Victoria and she was appointed as the first Life Member of the club. On her return to Melbourne in the early 1960's Lorna again became active in Club affairs and over her time in the Club occupied nearly every official position and she continued to serve regularly on the Committee until the mid 1990's.

In 1970 Lorna trained Ch. Hillmere Calypso to the title of CD, the first Terrier bitch in Victoria to gain a Companion Dog title. A long line of Hillmere obedience title holders followed. Lorna's interest in Obedience continued over the years and it was through her enthusiasm and encouragement that the ATCV introduced Restricted Obedience Trials on a regular basis throughout the 1980's and 90's.

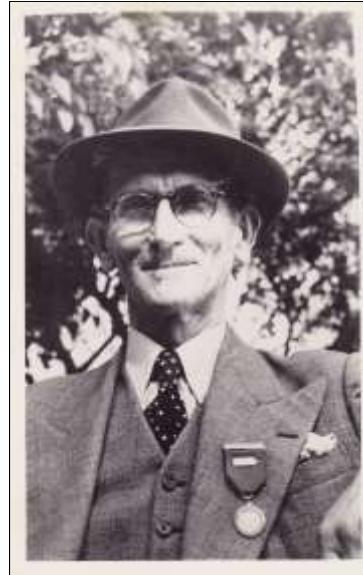

Lorna bred innumerable Hillmere Champions (her first Ch. Hillmere Valiant in 1945), provided foundation stock for many of the old established kennels in Australia and New Zealand and won many Club Specialities, Royal Challenges and Best in Show (All Breeds) awards over the years, as well as all of the Club trophies many times over.

Lorna held the unique honour of being Patroness of each of the affiliated Clubs in Australasia—Victoria, New South Wales and New Zealand.

Lorna Schuster's influence on the Airedale Terrier world was immense over the years and was made all the more admirable by her unselfish and untiring efforts for the good of the breed as a whole.

Lorna passed away in May 2000 aged 88.

Bill Brilliant Trophy for Best Opposite Sex in Show

Bill Brilliant commenced his long and successful career in the Dog World with the purchase of an Airedale bitch in 1923. His association with dogs included breeding, exhibiting, importing, judging and administration. His first imported dog was Orator in the mid 1920's followed by Wrose Palm, Fernbank Rascal, Princehill Alpha and

his last Riverina Gulliver in the mid 1950's. **Stoneleigh** his own kennel prefix became well known for quality Airedale Terriers such as Stonleigh Stormer, Ch. Stonleigh Solario (the first Airedale to win Best Dog in Show at the Melbourne Royal Show in 1934), Ch. Stoneleigh Sapper, Ch. Stoneleigh Safeguard and Ch. Stoneleigh Supreme.

Bill was involved in the formation of both the Airedale Terrier Club of Victoria in 1929 and the Sporting Terrier Club of Victoria. He was President of the Victorian Poultry and Kennel Club from 1948 to 1962, was appointed to the Committee of the Kennel Control Council in 1947 and was an All-Breeds judge from 1956 to 1972. He was recognized as an authority on the Terrier breeds and filled many important judging appointments. He judged our Championship Shows in 1947, 1949 and 1965.

His contribution to the dog world was recognized by Life Membership of the Airedale Terrier Club of Victoria in 1964, Sporting Terrier Club of Victoria and the Victorian Poultry and Kennel Club. He was made a Life Member of the KCC in 1978 and was Patron of both the ATCV and the ATANSW.

Bill celebrated his 100th birthday on 31st. August 1986.

Bill Brilliant contributed much to our Club, our breed and the Dog World generally and holds a unique place in Airedale Terrier History.

Greta Florence Brace Cup

Greta Florence bought her first Airedale Terrier in 1926 as a guard and house dog. The first Millswyn litter was born in 1930 and produced Ch. Millswyn Queen Bee and she was followed by a long line of Champions.

Over the years Mrs Florence took an active part in Airedale Terrier Club activities, she was always ready and willing to help new members. She was honoured with Life Membership of the ATCV in 1966 .

The Greta Florence Brace Cup was donated to the ATCV to be awarded for the Best Brace at our Championship Shows in 1980.

Our thanks go to Peter & Jan Hatton for having the Greta Florence Cup resilvered and to Peter for making a new base for the cup.

Judge's Profile ~ Liselotte Johansson ~ Sweden

I got my first dog, a Welsh Terrier, in 1978. She also became my first champion. The following years I helped out at the kennel I got my first dog from and ended up finishing another ten champions for them. We also had quite a good run in group competition with those Welsh Terriers. In 1981 I went to England to work at the Alok in Welsh Terrier kennels during my summer holidays. The following summer I spent at the High Flyer kennels, Welsh, Airedales, Wires, Lakelands and Norwich, in Holland. I returned to the High Flyer kennels during several more summers and later on cooperated with them when I started to breed Welsh Terriers in my own right. I registered my kennel prefix Vanitas with the Swedish Kennel Club in 1988.

My breeding was actually minimal and there were only 21 puppies registered in my name, but 12 of them became champions 5 American champions and 3 international champions. One all breed BIS winner and 3 Terrier group winners.

In 1986 I went to work for the professional handler Wood Wornall in California. All in all I stayed and worked for Woody for four years. Since I had met a man also working for Woody I stayed on living in the U.S. showing dogs professionally for another three years. Missing my home country desperately I finally returned to Sweden in 1994 and started up a grooming business in the city of Gothenburg. This is still my occupation although I have stopped showing dogs for clients since I became a judge in 2000. Since 2009 I am a "group all round judge" i e I am approved to judge all breeds within FCI group 3.

Besides my Welsh Terriers I have also owned Wire Fox Terriers, a Lakeland, a Staffordshire Bull Terrier and my new breed Norfolk Terrier.

As far as Airedales go I have learned most from Woody, of course, but also from the late Ric Chashoudian. We who worked for Woody during the 80's got to see and handle some wonderful dogs. But since my heart is European I have always followed the breed both in Britain and on the continent with great interest.

All the best
Liselotte

Jutta's show career was short with her biggest achievement coming second in the Junior Bitch Class at the Airedale Terrier Club of Netherlands Show in 2002. In her heydays Jutta didn't enjoy the show ring although she seems to now like her annual foray at the ATCV Show.

Jutta had a litter of nine puppies in 2004. She is a much loved matriarch of our household which includes her grandson Felix and our latest addition, Inge. Jutta continues to keep reasonable health although she does suffer from arthritis. Her eyesight and hearing may be fading but her nose is still in top condition as she regularly vacuums the yard for any small bits that may have been dropped when Brendan feeds the magpies and kookaburras.

Much of Jutta's day is spent sleeping although she is always keen to go for her walk along the Mullum Mullum trail, which is where her photo is taken. I hope that you will celebrate Jutta's longevity with me and that she will grace the ring in 2015.
