# Open Show Judge's Profile

*I started off in the Dog world with a Brittney, before developing a surprise interest in Terriers. I was handed a Cairn Terrier and never looked back, developing a passion for Terriers in general, working coat, grooming, training. I show and breed under the prefix of 'Aimfor'*

*Still a relative 'newbie' at 10 years, I have successfully bred champions and group winners as well as handling, training and grooming other terrier breeds. This includes Keith Lovells, Ch Tjuringa Romper Stomper AI, whom came to stay for a few months so I could train, groom and show him. This I enjoyed immensely and gave me a better insight to the breed. Handling and showing other terriers fuels my passion for learning about them.*

*My current kennel consists of mainly youngsters, I also imported a dog from Switzerland 2 years ago. I juggle showing, learning and family.*

*I am married to a 'non doggy' husband whom puts up with me! I have 3 children who are 10, 4 and 1, so its gets pretty busy. In my 'spare time' I enjoy movies and historical fiction, but I am often found in front of the computer researching pedigrees and googling images of dogs!*

*I am very excited to judge your beautiful dogs and thank you for the invitation.*

*Amy Jonas*
