4Legs All Natural Dog Food Meals:

- Are certified 'complete and balanced' (meets the nutritional requirements established by AAFCO Dog Food Nutrient Profile for adult dog maintenance) so you can be sure your pet will get the vital nutrition he or she needs, to be fit and healthy and active.
- Are prepared by gently blanching chicken or beef with either rice or pasta, then diced into meaty chunks for your convenience (so it's ready to serve as soon as you get it home!).
- These cooked chunks of meat and pasta or rice are coated with a blend of vegetables and herbs for added nutrition.
- Are free of preservatives, artificial colours and flavours and must be kept refrigerated.
