Presidents Report

Once again we have had a very busy couple of months. Our AGM was held on 2nd September and I am pleased to welcome some new members to the Executive and Committee. The full report can be seen later in the newsletter

Our Treasurer Kerrie Taylor stood down from the position and our new Treasurer is Ashleigh Barber a recent Griffon convert.

Those of us who know Kerrie will know that she has battled ill health for a number of years and last year she had a particularly bad time with both radiation therapy and chemo therapy which left her worn out and tired.

I am pleased to say that she is much better now but she feels that she would like a break so that she can concentrate on showing her lovely black and tan Griffons. Kerrie will still be on the committee and will continue to support the club.

I would like to thank Kerrie for all her hard work in the establishment of the club and I look forward to seeing her more often at the shows now that she is feeling so much better.

Our Secretary, Claire Parker has also had to stand down from the position as she has now finished her Master's Degree and has commenced full time work in Sydney. Claire was thrown in at the deep end at the formation of the club as she had not had any experience before as a secretary and it was very much a process of learning on the run.

I would like to thank Claire for all her work and effort as secretary. She will continue to support the club as Show secretary as well as a committee member.

Two other committee members who have had to stand down are Brian and Jackie McDonald. They were foundation members of the club and have supported it since the beginning. However Brian has found out that he needs hip replacement surgery and Jackie requires ongoing surgery due to a wrist injury that occurred several years ago. I would like to thank them for all the support they have provided and wish them all the best with their forthcoming surgery. Hopefully the next 12 months will be better for them and they will be fully recovered and running around like teenagers again.

All the best to them!

Terri Odell also stood down from the committee this year as she has been very busy with the business that she and her husband Grant run –Pets on the Park which has been growing.

Terri has always been a strong supporter of the club since its beginning and has provided a number of donations to help with the fundraising. Lately she has been concentrating in obedience and has had some fabulous success with her two Griffon girls Jazzy and Brooklyn who have done well in both obedience trials and Rally Obedience. Thank you Terri for all that you have done

I am also pleased to welcome to the Executive, Jannelle Tremeneere, who has taken over the position of Secretary. Jannelle has had Griffons for two years now and is the proud owner of Dumbledore and Pansie. She also has 2 PBGVs and a Pug.

Our new Treasurer Ashleigh Barber is a new Griffon owner. Ashleigh owns and sometimes breeds English Pointers but fell in love with Dumbledore and decided that she just had to have one of her own. She is now the proud owner of Neville a smooth who keeps all those Pointers in their place.

I am also pleased to welcome to the committee Jane Wistuba who is another person who has owned other breeds but has fallen in love with the Griffons. Jane has a beautiful English Springer Spaniel and a Field Spaniel but 18 months ago she got her first Griffon, Cider. She now owns Gigi, a smooth girl, as well and is now completely hooked on Griffons.

I look forward to working with the new executive and committee members. From its inception our club has always been a friendly and supportive club and I know that this will continue.

We have a big year ahead of us next year with our first Championship show judged by Griffon specialist Shane Thomas and I know that the executive and committee are looking forward to the challenge.

From the Editor

In this edition we have the full report on the AGM and the following meetings.

As this is our Christmas edition we have photos of Griffons enjoying Christmas and sending Christmas wishes from our members. Thank you so much to all the people who have sent such lovely Christmas photos of their Griffons. They are fantastic.

In this edition we also have all the information about our first championship show to be held next March. I would invite all members to support this show in whatever way possible to make it a big success for the club. It is an exciting time and one of hard work for the club.

And finally I would like to wish everyone a very Merry Christmas and the happiest new year ever.

May you be granted health, wealth and happiness and the wisdom to know how to use it well

Christmas Greetings

Merry Christmas from Michael Azzolini and Frankie who enjoyed his visit to see Santa

Griffon Corner

Our Social Secretary, **Ros Finch** has had her showing curtailed for a while as she has broken her arm. As it is her right arm and she is right handed it has made it very difficult for her to groom dogs and carry out the millions of actions that we all take for granted. It happened the very first day that she and Dave moved into their new house and she did not realise it was broken at first and tried to continue on with all the unpacking despite the pain. Now she is in a cast and is hoping that she recovers quickly.

Ros Finch

Brian and Jackie McDonald have also been undergoing surgery. Brian required knee surgery and is now getting around really well. However he is frustrated as he has been told he must not drive until he sees the surgeon again on the 7th of January.

Jackie has had her wrist "fused" following several years of problems following a fall at a McDonalds car park. She is now waiting plaster to come off and have stitches removed.

Brian McDonald

We send all our best wishes to Ros, Brian and Jackie and hope that they are all fully recovered very soon and back to leading a full and active life

Andrew Georgiou, as we know from our logo, is a talented designer. In November one of his designs for Regal Rogue was a finalist in the Sydney Design Awards and won the Sydney Design Award for Best Corporate Identity & Branding. Creative by Squad Ink and copywriting by Copy&Co.

Congratulations on a great achievement in the very competitive world of Sydney Design and advertising

There have been no litters of Griffons born to club members in NSW for a number of months but recently there have been a couple. **Terri Odell** has recently had one pup born to her girl Jazzy, Ch Nagpuni Jellybean Jazz RD, sired by Ch Rosndae Captain Nemo. She is a little girl and Jazzy is a very proud mother.

Jazzy and her baby

Ros and Dave Finch have also had a litter of four pups, one girl and 3 boys born to Mischa, Ch Rosndae Charlies Angel also sired by Ch Rosndae Captain Nemo. This is a repeat mating of the litter

that produced Rosndae Sugar Plum Princess. Luckily for Ros the pups were born and reared before she broke her arm.

At the time of writing all puppies were doing well and some of Ros's have already gone to their new homes. I understand that all of the pups have been sold to homes who have been waiting, in some cases for a number of years.

Marcia Mulhearn has been busy renovating her house, including her bathroom. She has added a new shower

complete with coloured lights that tells you if the water is hot or cold.

Red is for hot and blue is for cold. It is

actually a safety aid, especially for children to prevent burns but it is also a lot of fun.

All Marcia needs now is John Travolta and a track of Saturday Night Fever and she can have her own disco!!!

Andrew Georgiou's Griffons, Igby and Uboo have been featured in this newsletter before with photos of their beachside adventures. Recently they found a new beach friend to spend time in the water with – a pig!!! Her name is Emily and she belongs to a member of the fishing club at North Bondi. Andrew says that she's only a few months old

and she swims underwater and actually catches waves!

Terri and Grant Odell's daughter Kelli, has had outstanding success in past years winning a number of Fashion in The Field awards at various race meetings, including the Melbourne Cup.

This year at the Melbourne Cup she made the top 10 finalists from 300 entrants. Congratulations.

Kelli Odell & Angela Menz (last years Melbourne Cup Fashions On The Field winner) pictured on Melbourne Cup day 2012

Diana Norman was one very lucky person when she got a new and very eye catching car in November. She has called her Buttacup and says she is fabulous to drive and goes very fast

Here are some great old photos of Griffons with their well dressed owners of the time. The first one is the great Sarah Bernhardt taken in the late 1800's, proving that all the best people own Griffons.

The next one is an unidentified woman, probably from the 1930s who clearly adores her smooth B&T Griffon.

And the last one is Mrs Langley Bruce with her Griffon called Cupid, taken in about the 1880's. She looks very

concerned about something

Dogs Queensland First Ever Elections

Dogs Queensland has just successfully held its first ever elections for the Board of Directors and 12 people were elected to represent the different areas of the state. Prior to this the Board had been appointed and the Queensland members had experienced a lengthy campaign to bring democracy to their state

Tom Couchman, our Patron and Chairman of Dogs NSW commented: "I wholeheartedly congratulate the Members of Dogs Queensland who have been successful in the State's first democratic election held in accordance with your new Constitution. '

Shane Thomas Elected to Board of Directors

It is therefore very gratifying to see that one of our club's foundation members, Mr Shane Thomas, has been one of the 12 people elected to the Qld Board of Directors.

This is both an honour and a challenge for Shane and we send our sincere congratulations to him. I know that the next 12 months will be an exciting time for him.

Merry Christmas from Julie , Ian
and Poirot

More Christmas Greetings

Merry Christmas from Kingston and Darren Eckford.

Kingston cannot decide if he is to be an angel or Santa but he is very handsome either way

National Breed Council

At the moment our club is one of 4 clubs looking at forming a National Breed council to represent the breed all over Australia. This is a complex matter and there is a lot of discussion needed to take place before any decisions are made. The inaugural meeting took place in Qld in August and the minutes are below for the information of all members.

MINUTES TAKEN AT THE MEETING TO INITIATE THE FORMATION OF A NATIONAL BREED COUNCIL FOR THE GRIFFON BRUXELLOIS

HELD AT THE DOGS QUEENSLAND SHOW COMPLEX, KING AVENUE, DURACK QUEENSLAND ON 13 AUGUST 2012.)

Present:

Robin Simpson (Vic)	Janelle Tremenheere (Country NSW)	Ted Ellis (Qld)	Bridget Power (NSW)	Apologies:
Beth Canavan (Vic)	Jane Wistuba (Country NSW)	Diana Norman (Qld)	Caitlyn Jones (NSW)	Alana Sharp (Vic)
Kathy Grass (Vic)	Jocelyn Croad (Qld/Country NSW)	Tim Mills (Qld)		Wendy Baker (NSW)
Lois Mitchell (Vic)	Michelle Parker Brien (Country NSW)	Jason Maddock (Qld)		Lee Pieterse (NSW)
Iain Mitchell (Vic)				Sally Stewart (Vic)
Visitor: Sandie Feaver (NZ)				

The meeting opened at 11.05am with Michelle Parker Brien in the Chair.

There was discussion to decide if a National Breed Council should be formed and the Chair read out the pertinent information.

A vote was taken to decide if a National Breed Council should be formed. Voting as follows:

The Country Griffon Club of NSW - Yes

The Griffon Bruxellois Club of Vic. - Yes

The Queensland Griffon Club - Yes

The Griffon Bruxellois Club of NSW - the two delegates for this Club decided to take the information back to their members for a decision.

As the vote was three out of the four Clubs represented, it was decided to proceed with the formation of the National Breed Council.

Michelle Parker Brien then moved that the National Breed Council for the Griffon Bruxellois be formed. Seconded Beth Canavan. Carried.

Robin Simpson moved that a Steering Committee be formed to discuss and formulate a Consitution for the four Clubs to approve/disapprove/amend. Seconded Jason Maddock. Carried.

Michelle Parker Brien moved that each Club appoint a single member to be a member of the Steering Committee. Seconded Jane Wistuba. Carried.

A date was discussed that would allow time for each Club to hold a meeting to appoint their delegate to the Steering Committee and 1 October 2012 was decided. All Clubs must have submitted their delegate's name to Michelle Parker Brien by that date.

It was acknowledged by all present that the formation of the National Breed Council would have be done with maximum input from all four breed clubs and that this would take a lot of time.

There being no further business at that point, the meeting closed at 11.30am.

Non show dogs are also welcome to place an advertisement celebrating the joy of owning a Griffon

Here are some examples of the advertisements that Jo has designed for other dogs owners.

To get your advertisement into the catalogue you will need to send your completed advertisement (if you are doing it yourself) or you photos and information to the Show Secretary at lafoliepbgv@yahoo.com.au. For good reproduction photos should be in high resolution.

Point Score Results

Since the last newsletter we have had 4 more point score shows which have seen the lead change back and forth.

The entries at the shows have been good with up to 19 at some of them and it has been good for the judges to see a high quality line up of Griffons at these shows. Several judges have commented

The 5th Point Score Show was on December 8th at the St George ABKC at Erskine Park. There were two shows running simultaneously on the day with the first show The Red show starting with breeds in normal alphabetical order. The second show, the White show, commenced at the same time with breeds starting with 'L' and then continuing through

the alphabet. It made for a hectic day as we went from one show to the other but it was very well organised by the show committee and everything went smoothly. The shows started at 8am and the morning was cool and pleasant but towards the middle of the day the cloud cover lifted and it became very hot so it was out with the cool mats and cool coats for the dogs. I think that they were more comfortable than their owners as they dozed in their pens and crates while we sweated it out. Both shows had an entry of 18 Griffons.

The Red show was the clubs Point score show and was judged by Mrs S Stocks (NSW). The results were almost a repeat of the previous point score show with 3 out of the 4 dogs winning the same awards again.

Golden Oldies

This month's Golden Oldie is **Ch Raweke Yogi Bear CD** who is now almost 12 years of age. I confess some bias here as Yogi belongs to me and he is the first Griffon we owned

He was bought for my daughter Claire who waited 2 years for a smooth Griffon. Being a typical Griffon he chose his owner for himself and although he always showed for Claire he decided that he really belonged to me.

He gained his Show title easily and then moved onto obedience. He gained his CCD title in 4 trials but then when he started trialling for his CD title he decided to be a little more creative.

Because all work in CD is off lead, Yogi frequently decided he had done enough work when we were only half way through the heel pattern so he would stop in the middle of the ring and watch me complete the heeling without him. However he finally got it together and got that all important 3rd pass he needed for his CD title. He still loves to do a bit of heeling – but only for food now days.

He is now a bit stiff and arthritic but he attends all the dog shows as the cheer squad and wouldn't dream of being left at home. Yogi started my love affair with Griffons and I could not ever imagine not owning them now

Creative Griffon Owners

Uboo the cartoon star

Here is a great cartoon of **Andrew Georgiou's** dog Uboo which he designed for him.

No doubt Igby will now want one as well.

Kait the chef

Kait Elder has been showing a creativity of a different type with her first ever Christmas Ginger Bread house. She made it from scratch and it is complete with peanut brittle path.

As Kait said – "It's a tad messy, but not bad for a first go"

Claire the Interior decorator

Claire Parker has taken to some interior design. Here is the new terribly British look bedroom she has created. Of course no bed is complete without a Griffon.

Bunty doesn't look very impressed – probably wanted a Belgian flag instead!

Ch Shigriff Slap N Tickle

Kait and Caroline Elder have had a great run of success with Layla over the past few months. After a break from showing she was brought out for the Queensland Championship and Open Shows which were reported in the last newsletter. She soon demonstrated that she was still her very showy self and she won Best in Show at the Open show.

Then on 9th September at Hillsborough, in a big Toy group entry of 142 dogs, she won Runner Up In Group

Not content with that, one week later she took it one step better and won Runner Up In Show at Gunnedah.

Layla was bred by Caroline Elder and Michelle Hupfield and has lived with Caroline since she was

born.

It is a very proud achievement to breed and rear a dog that can then go on to a Runner Up In Show award in full competition.

Congratulations to both Caroline and Kait, who handled her to her wins.

September Weekend at Hillsborough

The weekend at Hillsborough where Layla won her Runner Up in Group was an amazing weekend for the Griffons.

There were four shows held over the weekend and 3 different Griffons won either Best In Group or Runner Up In Group at 3 of the 4 shows. And just to keep the Griffon connection, the Best in Group at the 4th show was won by a Pug handled by Claire Parker, who handles him when she is not handling the Griffons.

Gellert Grindalwald, who went on to win Runner Up In Group from 142 dogs in the Toy Group.

Jannelle with Dumbledore

The next show on Saturday night saw Layla won her Runner up in Group.

So by Sunday morning everyone was starting to talk about the Griffons. Would they do it again and make it 4 in a row?? Sadly no they couldn't

However we did keep our winning connections. Claire Parker showed the Pug, Clyde to a Best in Group on Saturday, when he beat Dumbledore to the Runner up position, and then Clyde won Runner Up in Group on the

breed there are a number of judges who either don't know or appreciate the breed properly or don't have enough confidence in their own decisions to put the breed through. It was very nice therefore to see that judges were able to judge dogs as they saw them and had the confidence and courage to award them on their merit.

The weekend success started on Friday night when Best in Group went to Ashleigh Barber and her red smooth, Cricklewood Night of Magic in Paris (imp NZ), also known as Neville.

Neville

This result was even more outstanding because Neville was still in Minor Puppy and was only 7 months old at the time of his win.

At the next show Woodlands Charity Show on Saturday morning, it was the turn of Ashleigh's mother, Jannelle Tremenheere with Dumbledore, Ch Balliol

Sunday so at least one Griffon handler was in with the winners. And yes we are still talking to her!!

Claire with Clyde

Neville also managed to keep the flag flying as he won 2 Minor Puppy in Group awards that weekend at both the Friday and Saturday shows.

It is not always easy to win in strong competition with a Griffon. Being a rare

Titles Gained

CCD Title Gained

Ch Nagpuni Brooklyn Babe RN CCD

Huge congratulations to Terri Odell and Ch Nagpuni Brooklyn Babe RN.

Brooklyn attained her CCD title in November at the Port Stephens Dog Obedience Trial. It was a cold night and the ground was still damp from the heavy rain that had fallen earlier so Brooklyn did very well to

work and hold her stays in the conditions.

For those who do not know what is involved in obtaining a CCD title it is a lot of hard work.

The individual exercises consist of a heel pattern, on lead, where the dog must remain in the heel position next to your leg the whole time. The lead must be loose and the dog is required to sit, drop or stand on command during the heelwork, The heeling is carried out in 3 paces- fast , normal and slow.

If the dog passes the heeling it then carries out an off lead recall or about 9 – 12 metres. It is left on a sit stay and then must come briskly in a straight line when called to sit in front of the handler

The group exercises then consists of a 1 minute sit stay and a 1 minute down stay. This is done in a line with up to 10 dogs of all breeds while the handler leaves the dog and stands 10 metres away.

To pass a dog must get 75 points out of 100 and to get the CCD title it must get 3 passes.

Brookie's results were:

- Castle Hill & Hills District Ag. Society – 89 points & 2nd place - 8/9/12
- Metropolitan Mid-Week Dog Training Club – 90 points – 5th place - 19/9/12
- Port Stephens Dog Sports Club Inc. – 86 points - 10/11/12

It's not easy but is tremendously rewarding when the dog works with you in perfect teamwork.

Brooklyn had to overcome some difficulties on the way to her title. At one trial she broke her sit stay and was walking towards Terri when a large German Shepherd also broke and chased her in the ring- and he wasn't playing. Luckily, Griffons can turn on a burst of speed when they have to and Brooklyn ran to Terri who grabbed her very quickly. Terri did well to build her confidence back up and get her back successfully trialing. Well done Brookie and Terri.

During one of the trials at Woolgoolga, Terri was able to catch up with Sue Brewin who now lives in Coffs Harbour.

They were able to walk the dogs along the beautiful coastline that the area is known for.

Fun Day Report

The last two Fun Days have been a bit disappointing for different reasons.

The September Fun Day drew only a small group of about 15 people which was very much down on our previous days. We will need to look at the timing of the Fun Days as it was obvious that the September date was not a date that suited many members.

We really need feedback from our members about the type of activities and events that they want and the suitable times for these days. They are relaxing days and are designed to allow all Griffon owners to come together and talk and enjoy Griffons. Unlike a number of other activities which tend to focus more in showing, the Fun Days are intended to have all Griffons, pets and show dogs

alike, to meet and have fun. The committee is very open to any suggestions for events or activities that members may enjoy.

That said, those members who were there had a pleasant day, although it did get hot in the afternoon. It was lovely to meet some new Griffon owners who came along to learn more about their Griffons and we did raise almost \$500 from our Bring and Buy stand although I think that the people who “brought” also tended to be the ones who were buying, so they got to take home some different ‘stuff’ from the things that they had donated.

It was lovely to meet Sue & Bob Cohen, Jessica Hansen and Felicity Begg, who all joined the club on the day.

The Christmas Fun Day, which is becoming a tradition, sadly had to be cancelled due to the extreme heat warnings that had been put out by the Bureau of Meteorology. With the temperature due to reach 41 degrees it was just too dangerous and unpleasant to have a fun day in those conditions. Being flat faced dogs, Griffons find it more difficult to cool down than those with longer muzzles and it would have been cruelty to have subjected them to that temperature. In addition it was as it was I think that most of us stayed at home and did what we could to keep the dogs and ourselves cool.

Hopefully next year we will be able to resume our tradition.

Keeping Griffons Cool in Hot Weather

With the hot weather of summer we all have to be careful to ensure that our dogs do not overheat.

When people are hot they sweat from sweat glands all over their body and this helps regulate the body temperature.

Dogs do not have sweat glands all over their body. They can only sweat through the soles of their feet or they use the tongue to help cool the body. This is why dogs pant with their tongues out when it is hot.

A long muzzle means a long tongue and therefore more tongue space to cool the body. A short or flat face, like a Griffon, means a short tongue and therefore less cooling space.

This is why flat faced dogs feel the heat more than long nosed dogs.

NEVER exercise your Griffon in hot weather. In hot weather give the Griffons plenty of shade and access to cool water. **Never** leave your dogs in a car.

If your Griffon is panting and the sides are heaving then it is in distress and you must cool it as quickly as you can as heat stress can be fatal.

To cool - stand your dog on cold water – not iced but cold tap water. Sponge cold water onto the belly and groin where large veins are and sponge water under the chin and onto the throat. If you can, submerge the dog's body in the water. Keep the dog in the water until the dog stops panting. If you are unable to stop the panting then it is essential to take the dog to the vet for treatment.
