MY LIFE IN DOGS – ROBYN WILLIAMS

My life in the wonderful world of dogs commenced in 1977 when my husband and I purchased our first home and of course a dog, a Labrador/Samoyed cross puppy. So I, with my husband joined Brush Farm Dog Training Club and within months we were on committee and Publicity Officer. Our first pedigree dog was a Samoyed – not the most ideal dog for Obedience, but we tried. It was in 1980 that we purchased our first Golden Retriever, soon to be followed by another and that was when I became involved in the conformation side of the dog world.

I have loved and been involved with Golden Retrievers since this time. The first litter born under the 'LEANR' prefix was in June 1989. In 2000 I fell in love with and purchased a Pyrenean Mountain Dog, which I had for eleven years, naturally one lead to two after I bred a litter. As I am not getting any younger, 2010 saw a Petit Basset Griffon Vendeen join the Goldens and one has become five.

Over the years I have been a member of Obedience, All Breeds & Specialist Clubs and have held the following positions in different clubs during this time - Secretary, Assistant Secretary, Minute Secretary, Show Secretary, Treasurer, Publicity Officer and Committee member. I have always enjoyed, giving something in return and after being a Ring Steward for a many years, it was a natural progression to study for my judging license, beginning with, what I know best, Gundogs. I received my Gundog license in 1998, found that I really enjoyed judging so continued to do further study. I gained my licenses for Utility in 2004; Working Dogs in 2007; Hounds in 2010; Non-Sporting in 2011 finishing with both Toys & Terriers in May 2014 giving me my All Breeds license.

I have had appointments throughout Australia & New Zealand.

I have also been assisting the co-ordinator, Guy Spagnolo, with Gundogs in all NSW training schemes since 2000.

I believe that form follows function, and all dogs, especially those bred for a purpose, (although not used for that purpose today), should display the characteristics and conformation that would enable them to carry out this function if called upon.

In Memory of Kerri Taylor. Kehael Griffons

Kerri Taylor was a founding member of our club and was the founding Treasurer. Sadly she lost her battle with cancer just before Christmas in 2015.

She was a person of great integrity and loved her Griffons dearly. She battled cancer for many years and despite her illness she worked to reintroduce the black and tans back into NSW with notable success. Her Black and Tan bitch Keheal Black Pearl won Bitch Challenge and Runner Up Best In Show at our clubs Inaugural Championship show.

In tribute to her memory we dedicate this show in her honour. We are also pleased to announce that the club will have its first perpetual trophy to be called The Kerri Taylor Memorial Trophy, to be

awarded for Best in Show.

The following is the Eulogy presented by her good friend Ros Finch at her funeral.

Kerri

Kerri first contacted me about 13 years ago when she rang and asked me about a puppy. I told her she could have a little girl, and from that moment on Kerri called me every day asking about the puppy. Eventually I thought "who is this woman who keeps ringing me every single day? What am I supposed to tell her that is different from yesterday?" She always said, 'It's the squeaky wheel that gets the grease.' Kerri finally picked up her puppy and from that day on we developed the most wonderful friendship.

We spoke almost every day, and Dave would say 'I don't know what you girls can talk about for so long' but the time just flew.

Kerri and I showed our Griffons together at many shows including the Royal Easter show and we shared many funny and happy times together with our dogs.

Kerri started out showing her toy poodles where she had great success and she was very much sought after to exhibit other competitor's dogs. Kerri also had a very successful mobile grooming business which was always fully booked in advance.

Kerri was the first person in 25 years to successfully breed black and tan Griffons in NSW. She produced lovely little dogs including many champions. Her love of Griffons lead her to become the first Treasurer of the Country Griffon Bruxellois Club of NSW, where she was an active and very generous member.

We shared both sorrow and joy when we were breeding our griffons. Griffons are difficult to breed, and no matter what time of the day or night Kerri was always there for me either with congratulations when things went well or words of comfort when things didn't turn out so well.

She never complained about her health, she never said 'why me'. She was an inspiration to so many, taking it all in her stride and considered it a part of her life. Even when she wasn't having a good day, she would simply say "I'm ok" and move on.

We shared many lovely days together the last day was just a few days before she died where we exchanged Christmas presents and laughed and joked as we had done on so many occasions.

I was privileged to call Kerri my friend, not many people are lucky enough to have a friend that is there for you no matter what, and Kerri was always there. Good times and bad, Kerri always had a listening ear and kind words to get me through. She will be missed by so many, she will leave a huge hole in our hearts. But she leaves us with memories of a woman who loved her family and her dogs. She was strong, kind and generous. Kerri was the most courageous woman I have ever known, fighting to the end. I will miss Kerri so much.

Ros Finch.
