The aims of the club are:

- To promote the Griffon Bruxellois and Petit Brabancon breed.
- To highlight the versatility of the breed as a loving and loyal pet, and a show and performance dog
- To promote good sportsmanship and good fellowship among members at all times
- To show respect and courtesy to all members in an atmosphere free of bullying and intimidation
- To support responsible and ethical breeding practices of Griffons
- To support and recommend testing of health issues relevant to Griffons based on genuine scientific research, both local and international.
- To provide a rescue service for Griffons
- To promote friendship and social activities among all Griffon owners
- To educate Griffon owners about grooming, training and responsible ownership
- To work in partnership with other responsible Griffon Bruxellois Clubs of Australia and internationally for the betterment of the breed

2015 Presidents Report

The following is the report presented at the AGM

The past year has been another very successful one for our Club.

Championship Show

We held our 3rd Championship show with judge Mr T Couchman officiating and this time the weather was far more pleasant than it had been the previous year. Once again we had a strong entry with close to 50 Griffons entered and very few absentees. Considering that the Victorian Griffon Bruxellois Club had decided to hold an additional Championship show the day after our own show, which took some of our entries we were pleased to still maintain the numbers and feel that this is a positive thing for the future of the breed

Point Score

The club point score competition was once more a great success with strong Griffon entries at the designated shows, thanks to the enthusiasm and support of our members.

The winner of the 2014-2015 Point Score was Gr Ch Balliol Gellert Grindalwald handled by Jannelle Tremenheere and owned by Jannelle and Michelle Parker Brien who also bred him. Runner Up was his litter sister Ch Balliol Gertie Giggles . The Puppy winner was Ch Raweke Toffee Truffle bred by S Thomas and owned by Jannelle Tremenheere. The point score had 27 dogs competing in the nominated shows.

Promoting the breed

Dogs on Show

Once again the club had a Breed stand at Dogs NSW – Dogs on Show day-a show we have supported since it began. However we were very disappointed in the attitude of the person who managed the breed stands this year. Until this year we had always been in the undercover area. We were advised that other clubs had requested this location. We accepted that and had no issue with that decision and we understand the need to share the locations around. However our secretary advised that we had made the show one of our nominated point score shows, there would be a large entry of Griffons, and as the people manning the stand would also be exhibiting, we needed to see the ring. We requested that where ever the stand was positioned it have a view of the ring. This was not done – we were placed on the opposite side of the path – basically as far away as possible- and we could not see the ring at all due to other breed stands. While we do not expect any special attention, we did expect to be treated with courtesy and we were very disappointed in the attitude and lack of flexibility shown by the coordinator.

Dog Lovers Show

We supported the Dog Lovers Show for the 2nd year and once more it was highly successful. The organisers had taken on board the many comments from the previous year and had gone out of their way to make it easier for the breed clubs. We had huge crowds both days and the Griffons attracted a lot of attention.

Griffon Buyer Register

The club established a Griffon Buyer Register to assist people in buying a Griffon. Because we are a large club with almost all the quality Griffon breeders in Australia and New Zealand as members, we are in a position to advise people when puppies are available. This has led to an increased membership, we have successfully helped a number of people get a Griffon and we have been able to educate and support members of the public so that they do not choose to get a pup from pet shops or puppy farmers.

In addition, through this register we have 3 more new show exhibitors who have never shown before and the club members have mentored and supported them in their first few showing experiences.

Website and Facebook page. The clubs website continues to provide information on the breed and promoting members achievements. It can be found at

<http://oz.dogs.net.au/griffons/>

The Face book page – Griffon News can be found at <https://www.facebook.com/groups/298220046898430/> and provided news and information about Griffons for members and overseas Griffon owners.

Rescue

Fortunately there were no Griffons requiring rescue in the past 12 months. This is due to the fact that the majority of Griffon breeders in Australia are ethical and the clubs all promote and advocate responsible breeding practices.

All Griffon breeders who are members of our club abide by a strict Code of Ethics.

In addition we have also worked with the Victorian Griffon club to have an unethical NZ breeder removed from Dogz on Line.

Health

Our club continues to support health research for Griffons. We ensure that members are kept fully informed about the latest health research findings and problems and support proven, reputable research.

Membership

Our membership has remained fairly stable over the past few years and at the moment we have just over 110 members who are all owners of Griffons.

Fun days

We encourage members to participate in club activities and our Christmas gathering held at the home of Ros and Dave Finch was very successful with over 40 members and 50 Griffons attending.

We also held a Griffon Picnic at Fagens Park in May and despite the bleak and cold weather we still had over 30 members and over 45 Griffons attend for a picnic, play and Griffon walk

Newsletter

The club produces a newsletter 'The Phoenix' which is issued quarterly and is full of information from Australia and overseas with items of interest for both show and pet owners.

Committee

As in most clubs in this busy life we have a small but very hardworking committee.

I would like to thank the Secretary Janelle Tremenheere, Treasurer, Dave Finch and the committee members- Jane Wistuba, Ros Finch, Claire Parker, Ashleigh Barber, Marcia Mulhearn and Kerri Taylor for their help and support in the past 12 months and I look forward to working with them again in whatever capacity I am elected to fill.

Secretary's Report

Report tabled at AGM

The Club has had a very successful 2015 and it is fair to say this would not have been achievable without the help of our committee and club members.

We held our Championship Show at Hillsborough Show Grounds with Mr Tom Couchman as our judge. The show was a huge success with an entry of 49 Griffons.

The trophy table was decorated in our club colours of purple and pink and looked fantastic a big thanks to Claire Parker and Ashleigh Barber for purchasing our trophies they were a huge hit with the winners.

The food table was beautifully presented thanks to Jane Wistuba and thank you to all members who kindly donated food items, visiting exhibitors were very impressed.

Another big thanks to Adam Tremenheere who kindly donates his time to decorate our ring each year it looked very professional as always.

We were also extremely fortunate to obtain the services of Rachel Taylor as our official photographer, thank you for taking the time out to photograph our wonderful breed. The committee, and exhibitors were thrilled by the quality of photos taken.

In summary I would like to thank the show committee and club members who donated their time to help make this show a success and look forward to our 2016 Show.

We attended Dogs on Show at Erskine Park and considering that the majority of our member had previous engagements we had another successful day thanks to Ros and Dave Finch, Jane Wistuba, Ashleigh Barber and Claire Parker for lending a hand and making the day most enjoyable.

The stand was decorated in our club colours of pink and purple with pictures of past and present griffons and looked fantastic, we also had a small stall with items for sale which was also very successful. The public were, as always smitten with our wonderful breed and it was nice to catch up with some of our pet owners.

We were disappointed that we were placed on the path out of sight of the breed ring which made it difficult and we felt we received a lack of cooperation from the staff member at Dogs NSW about this matter.

Our Point Score competition for 2014-2015 was again very successful due to the large number of Griffons entered at these shows. We received positive comments from other exhibitors and judges were delighted to be judging such a large breed entry of Griffons. Club members should give themselves a pat on the back for their support at these shows. Congratulations to the winners and good luck to everyone for the 2015-2016 Point Score competition.

We have some exciting times ahead this year, our Championship Show will be held on 19 March 2016 and our judge will be Mrs Robyn William,

The Sydney Royal Griffon judging will be held the day before our show so it will be a busy few days. We have also been invited to attend the Dog Lovers Show to be held in Sydney in August

2015 has been a great year and I look forward to what next year will bring.

Jannelle Tremenheere

Secretary 2014-2015

Editors Notes

My apologies for the lateness of this issue but I have had ongoing computer issues with viruses attacking.

Still not totally resolved but at least now functioning.

This issue will be a little shorter than usual because of this but we will still have items of interest.

Our members were upset when just before Christmas one of our foundation members, Kerry Taylor, died after a long battle with cancer. We pay tribute to her in this issue. Our show this year will be in memory of her.

Other news includes the upcoming Easter shows, the point score competition, the survey on health and our Griffons enjoying the summer weather.

Thank you to those members who sent in photos that we can share

Griffon Corner

George Lucas, Griffons and Star Wars

A few years back, George Lucas was accused of stealing the name and concept of the "Ewoks" that appeared in his 1983 film, "Return of the Jedi" from a Canadian writer. In a Canadian court dealing with the \$129-million copyright infringement case, Lucas testified that the dogs were conceived, in part, with his family dog in mind.

Lucas said that he'd come up with the name, "Ewok" by reversing the syllables of the character he called, "Wookie," and rhyming it with the northern California Indian tribe known as the Miwok (pronounced: me-walk). Furthermore, and according to NYC Brussels Griffon, Griffs really WERE the inspiration for the Ewoks because George Lucas had owned griffon Bruxellois for years, having had about five at one time.

Judging in The Czech Republic

In an earlier issue we reported that Shane Thomas had been invited to judge the Griffon specialties in The Czech Republic, along with Paloma Pegorer from Brazil.

They both became media stars with a full multi page write up of the show.

The Bell family, Kerry, Robert and Emily, bred Gordon Setters for many years under the Lochtay prefix, before they began showing Griffons.

They were honoured at the Dog News Australia- Australian Dog of the Year Night in February where their beautiful Gordon Setter **Supreme CH Lochtay Dark N Stormy**, also known as Bramble, was inducted into the Australian Dog World Hall of Fame.

This is a very prestigious award and only a few dogs have been recognised in this way.

As both the breeders and exhibitors of Bramble they are doubly honoured.

We give them our greatest Congratulations

Last year, **Jane Wistuba** took long service leave from her work just before celebrating her 60th birthday.

Her workmates, knowing her love of Griffons gave her a wonderful early 60th birthday party and made her a cake designed to look like a Griffon.

Jane was thrilled. It seemed such a pity to cut the cake but I have to report that there were no leftovers.

Griffon Art

‘And in the beginning, God created Griffon.’

I am sure that Michelangelo really did intend to paint this on the ceiling of the Sistine Chapel

VALE- NZ and Aust Ch Nouveau Delinquent

The end of 2015 sadly saw the passing of Alvin, bred by Alistair Cliquot and owned by Jocelyn and Eddie Croad and Shane Thomas.

Alvin was one of the most influential Griffons in Australia. As well as being a top winning Griffon he was also a successful sire of many Champions and his many descendants will carry on his name

Not only a beautifully constructed, sound, square little Griffon who represented beautiful breed type, he was

also very healthy and as sound as a bell with a sweet, loving and very gentlemanly personality. He was MRI'd Grade A and lived a long and healthy life before dying at almost 15 years of age

Jocelyn wrote- *Shane, Eddie and I are very sad to report that our NZ and Aust Ch Nouveau Delinquent passed away to day.*

Alvin as he was known to many was a few weeks off 15 years. He gave us a lot of pleasure winning many In Shows and Groups and sired many Champions, he was tested for SM/Cm and passed with flying colours and lived a very healthy life

until these past weeks when I knew a decision had to be made.

A very sad day for Raweke and a Happy release for Alvin he died in my arms wrapped in Kiwi blanket

RIP Morwenna Marshall

2015 was not a good year for griffon breeders in the UK. The start of the year saw the loss of 2 influential breeders and the end of the year saw the passing of another stalwart of the breed- Morwenna Marshall.

The following is a tribute by Carol Ritchie

(Taken from DogWorld)

THE GRIFFON world has lost one of its most respected breeders with the death of Morwenna Marshall of the Menwinnion Griffons. We were all shocked at the news that she died last week in hospital after surgery. While it was obvious that she hadn't looked her usual self at the shows this year I don't think any of us realised the true extent of her illness or expected this outcome.

Morwenna carried on from her mother Nancy's Mountwhistle lines which produced a number of influential champions in the breed. When Nancy died she had hoped to carry on the affix but it was not granted to her and she chose Menwinnion, which was an old-fashioned local place name.

Her parents were missionaries, working in various parts of the world, and on their return to the UK they settled in Goonhavern, Truro. They had wanted Morwenna to have a more academic career but it wasn't to be; always destined for a career in dogs she trained at the famous Bellmead kennel and later became a groomer while she bred and cared for her Griffons. Miniature Wirehaired Dachshunds were also part of the Menwinnion kennel some years ago, including her favourite Ch Menwinnon Golden Rod, a much admired dog.

'The Cottage' at Wheal Frances was an idyllic old Cornish long house standing in many acres. Morwenna's dogs had a wonderful country life with a lot of freedom, and she loved to walk with them every day. Those who visited her were always welcomed and she delighted in long chats invariably about dogs!

Morwenna was rather old fashioned and today's technology did not play a part in her life! She still wrote letters and had very distinctive, always recognisable, handwriting, but as editor of a Griffon club magazine I would receive all her advertisements written out in bold capitals.

Morwenna held her own very firm ideas on how to breed, rear and groom dogs! Over the years she produced many top-winning Griffons, mostly reds, though blacks played a part in the early years.

After many CCs and RCCs with various dogs she made up her first Griffon champion at Crufts this year – the lovely red rough Sunburst. Morwenna was great friends with the late Tessa Gaines (Gaystock); they had much in common as their mothers had been friends before them and they often used each other's breeding lines.

Morwenna started judging Griffons in the early 1980s, and judged them at Crufts in 2008. Her last appointment was at the Griffon Bruxellois Club championship show last year.

The Menwinnion lines will not be lost to the breed but will be carried on as some young stock is with other breeders. She will be much missed and always remembered.

UK Data

In the UK the Breed Records Supplement are released regularly and the latest release covers the last quarter of 2015.

- Number of Griffon Litters registered- 21
- Number of pups registered- 59
- Litter size – 1 litter of 6, 2 litters of 5, 3 litters with 1 pup. The rest were either 3 or 4 pups
- Imports into the UK- 7 (Norway 2, Sweden, Italy, Latvia, The Ukraine, The Czech Republic-1)
- Exports- 1 – to Germany
- Total Number of Griffon Registered in UK for 2015 - 206

Jocelyn Walker found some photos from the past of one of the legends of Griffon breeding- Mollie Grocott, of the famous Moerangi Griffons, and her friend, Dot Courtney.

The photo was taken in September 1999 and the two Griffon babies were sired by Ch Moerangi Hawk and the dam was Gaystock La Melodie with Moerangi.

Jocelyn recalled that at the time the picture was taken Mollie said 'don't take a picture' and put the puppy in front of her face.

Jocelyn clicked and down came the puppy - and she clicked again- getting the two photos you see.

Molly Grocott died a number of years ago but her friend Dot Courtney still breeds and exhibits Pugs under her Moyvane prefix. She is now in her 90's and attended the Griffon and Pug speciality shows in Wellington last

Jane Wistuba had a wonderful weekend at the combined Sofala and Rylstone show weekend. Her Chihuahua , Cairford Better Than Eva, won Best in Group at one show and her new imported Griffon boy, Nouveau Dear Parker, won Minor Puppy in Group at 2 shows

Cabal Canine Candida

Jane Wistuba also had a busy December when her son Blake, celebrated his wedding to Rebecca Bradshaw. Blake is also a well known exhibitor in the Terrier ring

Spot the Griffons

Two pieces of artwork featuring a variety of dog breeds. The top one is contemporary, the lower one is older.

Both have Griffons in them. Can you spot them?

Also how many breeds of dogs can you identify on each painting?

New Imports The end of 2015 saw 3 new imports come into the country from New Zealand for some of our members.

Rachel Newell welcomed Penny and Jane Wistuba welcomed Parker, litter brother and sister, both bred by Alistair Cliquot of Nouveau Griffons.

Penny the day she arrived

Parker when he first arrived

Jason Newell also welcomed Winnie, bred by Jocelyn Walker of Tiroroa Griffons.

Winnie

We look forward to these youngsters making their mark in the show ring in 2016 .

Sandie Meads was pleased to welcome three healthy pups born to her girl, Sydney. These pups combine some her old lines - Ch Upmarket Paddy McGinty, Ch Paris Feenagh who were the sire

and dam of NZ/Aus Ch Paris Night Fever and NZ/Aus Ch Ned D'Vyne of Paris at Upmarket, who in turn are the sire of Ch Yappenbach D'Vyne 'N' Dandy and grand-sire of Ch Paris Night at the Opera. There are many older lines behind these pups - Gaystock, Starbeck, Beagriff, Prestonville to name a few. Sandie is looking forward to watching them grow and develop and hoping they are able to fill the big shoes asked of them.

Vale Kerri Taylor

Keheal Griffons

Kerri Taylor was a founding member of our club and was the founding Treasurer. Sadly she lost her battle with cancer just before Christmas in 2015.

She was a person of great integrity and loved her Griffons dearly.

She battled cancer for many years and despite her illness she worked to reintroduce the black and tans back into NSW with notable success.

Her Black and Tan bitch Keheal Black Pearl won Bitch Challenge and Runner Up Best In Show at our club's Inaugural Championship show.

Her dog, Ch Keheal Million Dollar Man also won Reserve Dog Challenge at Sydney Royal, the first and only black and tan Griffon to have done this.

Kerri exhibiting one of her black and tans at Sydney Royal

In tribute to her memory we will dedicate our 2016

Championship show in her honour.

We are also pleased to announce that the club will have its first perpetual trophy to be called The Kerri Taylor Memorial Trophy, to be awarded for Best in Show.

The following is the Eulogy presented by her good friend, Ros Finch at her funeral.

Ros and Kerri at the last Sydney Royal she exhibited Griffons

Kerri

Kerri first contacted me about 13 years ago when she rang and asked me about a puppy. I told her she could have a little girl, and from that moment on Kerri called me every day asking about the puppy. Eventually I thought "who is this woman who keeps ringing me every single day? What am I supposed to tell her that is different from yesterday?" She always said, 'It's the squeaky wheel that gets the grease.' Kerri finally picked up her puppy and from that day on we developed the most wonderful friendship.

We spoke almost every day, and Dave would say 'I don't know what you girls can talk about for so long' but the time just flew.

Kerri and I showed our Griffons together at many shows including the Royal Easter show and we shared many funny and happy times together with our dogs.

Kerri started out showing her toy poodles where she had great success and she was very much sought after to exhibit other competitor's dogs. Kerri also had a very successful mobile grooming business which was always fully booked in advance.

Kerri was the first person in 25 years to successfully breed black and tan Griffons in NSW. She produced lovely little dogs including many champions. Her love of Griffons lead her to become the the first Treasurer of the Country Griffon Bruxellois Club of NSW, where she was an active and very generous member.

We shared both sorrow and joy when we were breeding our Griffons. Griffons are difficult to breed, and no matter what time of the day or night Kerri was always there for me either with congratulations when things went well or words of comfort when things didn't turn out so well.

She never complained about her health, she never said 'why me'. She was an inspiration to so many, taking it all in her stride and considered it a part of her life. Even when she

wasn't having a good day, she would simply say "I'm ok" and move on.

We shared many lovely days together the last day was just a few days before she died where we exchanged Christmas presents and laughed and joked as we had done on so many occasions.

I was privileged to call Kerri my friend, not many people are lucky enough to have a friend that is there for you no matter what, and Kerri was always there. Good times and bad,

Kerri always had a listening ear and kind words to get me through. She will be missed by so many, she will leave a huge hole in our hearts. But she leaves us with memories of a woman who loved her family and her dogs. She was strong, kind and generous. Kerri was the most courageous woman I have ever known, fighting to the end. I will miss Kerri so much.

Ros Finch.

The perpetual trophy which will be presented in memory of Kerri for the Best in Show winner to be known as The Kerri Taylor memorial Trophy.

Christmas Party

On 5th December the club held our annual Christmas Party, once again at the home of Ros and Dave Finch.

The weather was perfect and the sun shone. We had around 40 Griffons with their owners and a couple of pretend

Griffons who also came to share the fun. They had a wonderful time, running around in the large garden, paddling in the small paddling pool and meeting and greeting with all the humans.

Before lunch we had some games. Dumbledore defended his title as the fastest sausage on a string eater and the egg and spoon races with Griffon were also popular.

A buffet lunch with a variety of salads, chicken, ham and dessert, was provided by members and thanks go to Ros and Dave Finch and Jannelle Tremeneheere and Michelle Parker Brien for the work and organisation in the kitchen.

Santa arrived after lunch so that the Griffons were

able to have their photos taken with him

Calendar

As a fund raiser the club has created a Griffon calendar for 2016 to be sold as a fund raiser for ongoing health research.

The photos of the Griffons are all dogs belonging to our members and they show the Griffons enjoying life in various Griffony ways.

We have 8 calendars left and they are available for \$20 (plus postage if required)

The calendar can be ordered by contacting the President, Michelle Parker Brien at mbrienparker@yahoo.com. Or they will be available at our Championship show.

Payment can be made by direct deposit for orders to the club account at

New Champion

Congratulations to Ros and Dave Finch and

Ch Rosndae Upper Crust- (Archie)

Archie gained his title in fine style, winning Best in Group at Hills District Show at the end of November 2015.

Archie has had a wonderful show career so far.

Congratulations to all.

He won Dog Challenge and best Puppy of breed at Sydney Royal last year and went on to be shortlisted in the final 4 for Puppy in Group.

He won a Best in Group in July 2015 at The Sydney Kennel Club and finished with another Best in Group.

He is owned and bred by Ros and Dave Finch and is handled by Ros.

The story of Janet- our latest Rescue Griffon

Janet is a little black Griffon who was surrendered to the club just before Christmas last year.

Janet was said to be 12 weeks of age when she arrived but she was quite small for her age with a dry sparse coat and low body weight for a healthy puppy.

By the time we received Janet she had already experienced a lot of upheaval in her short life.

Janet's Background

Janet had been bought by a young professional couple in Sydney and she had flown over to Sydney from New Zealand.

This couple did not research breeders but bought her on impulse after they had seen another person, 'H', walking a black Griffon in a Sydney park.

'H' told them that she had ordered another Griffon from the same breeder in NZ and had paid for it but was no longer able to keep it as her husband did not want another dog. She told the couple that they could buy her instead, which they did.

Janet was flown over to Australia as a tiny puppy, as part of a consignment of dogs which included 4 Griffons and several Pugs. A man picked up the consignment and handed Janet over to the couple who took her home. He informed the couple that he bred Griffons.

When Janet was taken to a vet it was discovered that she had a very long open fontanelle. (The fontanelle is an area where the skull does not join, leaving a hole on the skull at the top of the head, that can be felt under the skin)

Janet was not a big eater and the couple were very inexperienced with dogs so had difficulty getting her to eat although they were concerned about her low body weight.

After they had owned her for 3 weeks she fell off the lounge and hit her head, causing a seizure.

Janet comes to us

The couple were very stressed and decided they that did not have the skills to take care of a potentially ill puppy so they contacted our club and she was surrendered to our Rescue Officer and Secretary Jannelle Tremeneheere.

Jannelle immediately organised a complete veterinary check -up for her and she was examined by Dr Beth Tillman, who generously donated her time to the club.

Although underweight and with a dry patchy coat, most likely caused by incorrect or poor quality nutrition from birth, Janet was otherwise healthy and showed no signs of a neurological condition. Dr Tillman advised us to build her up and improve her condition and to observe her for any signs of wobbles or lack of coordination that might indicate an ongoing

Janet, as she is now, after a lot of TLC to make up for poor breeding and nutrition

neurological problem. Dr Tillman was going to continue monthly observations of Janet.

Janet Improves

So Jannelle started to build her up.

Terri and Grant Odell from Pets on the Park, supplied high quality food at a reduced price to the club, to tempt her to eat and Jannelle set up a routine of feeding her 5-6 times a day to build up her stomach capacity.

At first she was kept in a pen in Jannelle's living room where she could see the family, human and canine and be closely observed as well.

She was initially allowed to run on the grass for short periods at a time under close observation, at first alone and later with gentle older dogs.

Janet, curled up with Jannelle's big black and white dog, Saxon

Over time she began eating well and enjoying her food. Her coat thickened and became glossy and thick and she started to grow to look more like a Griffon of her age.

Over time Jannelle was able to hand strip out some of the dead dry coat and allow the new, healthy coat to grow through more thickly.

Janet became more energetic, zooming around the yard at top speed and showing excellent perception and agility as she zipped between plants and trees.

As she became stronger she was allowed to play with some of Jannelle's older Griffon girls and then as she continued to improve she was able to play with some of the more active Griffons.

Dr Tillman continued to monitor her on a monthly basis and has been pleased with the progress that she has made.

In the time that she has been with Jannelle she has shown no signs at all of any neurological condition and she behaves like a normal, active happy Griffon puppy. She loves to be outside and running around in the garden.

The fontanelle has not closed and is unlikely to do so at this age but managed correctly we believe that she will be able to live a normal life despite this.

Janet is looking for a forever home

Dependent on a final veterinary check- up, Janet will soon be available to a special home.

She needs a home where people will be home most of the time and where she is either an only Griffon or where there is an older quieter Griffon living there.

Because she loves to play in the garden, a home with a small garden is most suitable.

She is a sweet little girl, very cheeky and full of life- she is very intelligent and learns quickly and she is playful and affectionate.

If you feel that you can offer Janet the forever home of that she deserves please contact Jannelle at nevaending@hotmail.com.

There will be a small adoption fee to cover the clubs expenses.

International Griffon Health Survey

All ethical and caring do everything that they can to ensure that they breed healthy, sound and well adjusted little Griffons.

In order to ensure that we continue to breed healthy Griffons we need to know what major health concerns the breed experiences.

There is a lot of anecdotal information and a number of health surveys have been carried out in the past but these surveys have only had a limited uptake and not had a wide base so the information provided may not be completely accurate or may give a skewed result.

In order to get an accurate idea of the health of the breed internationally, The County Griffon Bruxellois club has developed a survey which will provide the most accurate data ever collected on a world wide basis.

This survey will be open until March 25th, after which the data will be analysed and made available to Griffon clubs and Griffon breeders all around the world.

It will provide a valuable starting point for the breed to progress. By knowing what the main health issues are, both clubs and breeders will be able to work constructively to eradicate them.

The more responses we have the accurate the survey will be so we ask everyone who has a Griffon-breeders and pet owners alike, to go to this survey and complete it.

It is a short survey and will not take very long so please complete it and share as widely as possible. Encourage any Griffon owners that you know to complete it. All information is valuable and the more responses we have the better.

Current Point Score results

We have had 4 point score shows since the last newsletter and the competition leaders have been changing all the time with a close competition.

Some of the shows in 2015 saw a smaller entry than usual as some members had puppies and did not show at the time.

However this year has seen the numbers increase as the new babies make their way in to the rings.

At the present time we have 25 Griffons who have been entered in point score shows.

Griffon Buyer Register

Because of the amount of interest in Griffons and the number of people who would like to have a Griffon join their family, our club has now established a Griffon Buyer Register which will help people obtain a Griffon, either a puppy or an older dog.

This rules and requirement of this register and the forms to be completed can be seen on our club website at the link

<http://oz.dogs.net.au/griffons/puppy-registar.asp>.

A form is also at the end of this newsletter for breeders and buyers.

We are a very large club and most of the Griffon breeders in NSW are members of our club. We also have members who are breeders in Victoria, Queensland and New Zealand.

Our members also all follow a Code of Ethics and do all they can to breed healthy well socialised

Griffons so that you have the best chance of getting a healthy and happy new family member

If you are interested in getting a Griffon please look at our register and complete the forms

which can be downloaded there and we will do everything we can to help you get your new Griffon friend and companion

We are very

pleased to say that we have so far assisted a number of members to get a new Griffon family member
