

9th Bull Terrier National
7th June 2013
Judge: Mrs Janet Furneaux. UK (Dajan)

It was an honour and pleasure to judge for you at such a prestigious show. My thanks to the committee for the invitation and your wonderful hospitality to David and myself. It was very evident of all the hard work you put in that made the weekend so enjoyable and such a huge success.

To the exhibitors my sincere thanks to you all, I found the quality of your dogs excellent, shown in excellent condition, and temperaments on a whole sound, and the research and dedication you have obviously done to produce these good dogs has really proved successful and worthwhile. You should all be very proud. Sincere thanks again for your support.
