Bull Terriers

1st place Intermediate dog

26 month old white male of good breed type, small ears, deep set triangular eyes with piercing expression, pleasing profile, would prefer more strength in the underjaw, mouth fault, muscular neck, just enough bone, short back, correct tail set, would prefer more angulation in the rear, harsh coat, shown well

1st place Australian bred dog

2 and a half year old white male, masculine dog of high quality and excellent breed type, clean and pleasing outline, Small ears set correctly, very strong head in profile and width, deep set triangular eyes displaying that piercing expression. Mouth Fault, muscular neck into correctly set shoulders, plenty of chest, plenty of bone and substance, short back, correct topline, muscular hindquarters with plenty of angulation, coat harsh, moved with a definite Jaunty air. Very high quality dog

1st place Open Dog

3 year old Tri coloured male, masculine dog with plenty of quality and of excellent breed type, strong head in profile and width, dark deep set eyes, correct bite, muscular neck with plenty of length into correctly set shoulders, plenty of bone, would prefer shorter in back, correct set tail, plenty of angulation in the rear, Harsh coat, moved with ease

1st place Junior bitch

16 month old white bitch, very feminine with excellent breed type, small ears, triangular eyes with keen expression, strong profile with plenty of width in the head, correct bite, good length of neck into correct lay of shoulders, good amount of bone for a bitch, plenty of chest, a bit long cast and would prefer a stronger topline, correct set tail, with plenty of angulation, moved with ease, shown very well

2nd place junior bitch

14 Month old white bitch, feminine of excellent breed type, ears of good size, shape and set, deep set eyes showing that piercing expression, very strong profile, could have a tad more width in the underjaw, mouth fault, good length of neck, plenty of chest, enough bone for a bitch, short in back, a tad overweight, plenty of angulation in the rear, very showy

1st place intermediate bitch

19 month old white bitch, very feminine and of excellent breed type, well set ears, deep set eyes, feminine head with strong profile with plenty of width, correct bite, good length of neck into well laid shoulder, plenty of chest, a little finer in bone but enough for a bitch and still gives very feminine appearance overall, good length of back, tail set correctly, plenty of angulation, harsh coat, moved true

2nd place intermediate bitch

18 month old White bitch, of good breed type, more on the masculine side, small ears, deep set eyes, pleasing profile, would prefer head to be slightly longer, mouth fault, plenty of length of neck, plenty of chest and strong amount of bone, body long cast, correct set tail, good amount of angulation, coat harsh to the touch

1st place Australian bred bitch

3 year old white bitch of good breed type, very feminine, well set ears, deep set eyes, gentle profile, correct bite, good length of neck, plenty of bone for her size, slightly long cast, tail set correctly, would prefer more angulation, short harsh coat, shown very well,

Minis

1st place baby puppy dog

3 month old White male of good breed type, small ears, deep set eyes, strong head, good length of neck, good lay of shoulder very strong chest especially for age, plenty of bone, slightly long cast but is a very young baby, correct tail set, very showy, strong outline, very promising puppy overall

2nd place baby puppy dog

3 months old solid brindle male of good breed type, very small ears that are set correctly, strong head throughout, shoulders set a tad forward, plenty of bone for age, short back with good topline, enough angulation for age, another very promising baby. owned the ring

3rd place baby puppy dog

3 month old White male, a tad more feminine in appearance, correct set ears, would prefer a stronger head for age, good length of neck, very strong outline of the body, correct lay of shoulders, plenty of bone, short in back, correct topline and tail set, another showy baby

1st place intermediate dog

18 month old white male of correct size, very small ears set correctly, would prefer stronger head both in profile and in width, correct bite, shoulder set forward, enough bone for his size, level back, a tad straighter in rear angulation but very well-muscled overall, exceptional coat, did not show his best today

1st place Australian bred dog

3 year Black brindle and white male, masculine of good breed type, oversized, small well set ears, a tad kinder expression, strong profile, mouth fault, good length of neck, plenty of chest and bone, plenty of angulation in the rear, good coat, very well-conditioned and well-muscled dog overall

1st place open dog

16 month old Brindle and white male, of good breed type, oversized, ears set correctly, very strong in profile, mouth fault, good length of neck into correct laid shoulders, pleasing outline overall, enough bone for size, elbows could be tighter, correct tail set, enough angulation in the rear, moved free and true

1st place baby puppy bitch

3 month old white bitch, quite feminine in appearance, small ears, deep set ears, would prefer a tad more in profile at this age but had plenty of fill below the eyes, shoulders are set a tad forward, plenty of bone, tight feet, well angulated rear, moved free and easy, shown well,

1st place puppy bitch

10 month old white bitch of good breed type, very feminine overall, ears small and set well, strong profile, could use a tad more width in the muzzle, deep set triangular eyes showing that keen expression, mouth fault, good length of neck, enough bone for a bitch, small tight feet, level topline, a tad overweight, correct tail set, with plenty of angulation

2nd place puppy bitch

9 month old white bitch of correct size, feminine bitch, very small well placed ears, deep set triangular eyes, would prefer a stronger head in both profile and width, correct bite, enough length of neck, shoulder set a tad forward, enough bone for a bitch, level back correct tail set, good angulation, harsh coat, shown well

1st place junior bitch

16 month old red and white bitch of good breed type, feminine overall with strong outline, correct set ears, pleasing profile, deep set eyes, mouth fault, good length of neck, correct lay of shoulder, plenty of chest and bone, a tad long cast but still had a level back, correct tail set, plenty of angulation, moved with ease, pleasing bitch overall, shown well

2nd place junior bitch

16 months old solid brindle bitch of good breed type, quite feminine overall, small thin ears set correctly, deep set dark eyes, gentle profile, would prefer more underjaw, good length of neck into well laid shoulders, plenty of chest, enough bone, level topline, correct tail set, enough angulation, good coat condition

1st place Australian bred bitch

7 month old red and white bitch, feminine in appearance, immature for the class, small thin ears, dark eyes, gentle profile, would prefer more underjaw, good length of neck, plenty of bone, short in back with correct topline, enough angulation in the rear, moved true for and aft.

1st place Open bitch

Brindle of white bitch, very feminine, excellent breed type and of correct size and pleasing outline, ears set extremely well and of good size, very strong head both in profile and width still giving a very feminine appearance, she has that keen expression, good length of neck, well laid shoulders, plenty of bone for a bitch, a little overweight, correct tail set, plenty of angulation, she is of high quality.
