Thank you so much for inviting me to judge your Championship show for the ACT Club, I had a lovely time and thoroughly enjoyed going over all of your dogs. I had some lovely Bull Terriers and MBT shown under me.

Baby Puppy Dog.

1. Sturgis I'm Watching (J Woodsell)

Very promising puppy, good head and eye, with plenty of fill, excellent pigmentation, straight front and short back, good bone, moved very well, well shown.

Minor Puppy Dog.

1. Braxter Moonshine Gangster. (Mrs. & Mr. D & N Hansen)

Lovely white puppy, really good head and eye, plenty of fill and good depth of muzzle, straight front, good spring of ribs and strong quarters, just rather loose on the move but maturity will sort that out, very promising.

Junior Dog.

1. Bullpatchy Rheet Butler (Mrs. C D Cook)

Another dog with an excellent expression, good profile and neat ears, lovely front, good feet and fore chest with a short back, and strong quarters, moved very well. RCC

Australian Bred Dog

1. Ch. Chopsbullies Gentleman Jack (Mr. J M Kaposi)

Tri dog with strong long head with good depth of muzzle, excellent neat ears and set, loads of bone, lovely spring of rib and good quarters, moved well and wonderful condition. CC & RBOB

2. Ch. Noblelord Ready N Waiting. (Mrs. S Diack)

Red and white, not quite the power in head or lower jaw of the winner, nor expression, excellent condition, just lost his top line on the move, well handled.

Open Dog.

1. Ch. Chopsbullis Ready and Waiting. (Mr. J M Kaposi)

Black Brindle, a dog with a lot of bone, would prefer a longer head but has neat ears, good forchest, drops his top line on the move.

Junior Bitch.

1. Ch. Chopsbullis Mojito (Mr. J M Kaposi)

Tall white bitch, really nice head, good eye and ear set, long neck and good body, neat feet, promising.

2. Bullpatchy Love Song (Mrs. C D Cook)

White bitch, long head and good bone, straight front and tidy feet, rather soft condition so not the best of movement.

Intermediate Bitch

1. Ch. Noblelord Splendid Enigma

Good eye and expression but would like ears to be a little more on top, short back with a straight back and strong quarters, movements could be better.

2. Potent Needle (Mrs. D. Patterson)

Good eye but her head is a bit short, straight front and good quarters but her movement could be better.

3. Yandomir Kauzin Harmony. (Miss T Yeoh)

Well shown bitch but not the balance of the first two, she has a good eye but ear set could have been better, lovely feet, paddled in front a bit in movement.

Australian Bred Bitch.

1. Bullpatchy Rhythm N Blues. (Mrs C D Cook)

Excellent profile but would like a little more underjaw, lovely eye and ears, good front, spring of rib and quarters, lots of none and super movement. CC & BOB

2. Ch. Chopsbullis Beyla Earth Goddess)

Well made bitch, gentle profile, not quite the power of the first and a little loose in front, up on her toes and excellent condition.

Open Bitch.

1. Ch Stardom Merlot Tipped Diamond. (Ms. C Krawczyk)

A lovely while bitch who was rather overweight for me, lovely long head with a good eye, straight front and strong quarters, moved out well, wish she had been a bit slimmer RCC
