BULL TERRIER

BABY DOG

STURGIS IM WATCHING

4 month old white male , with good bone and balance for his age. bite correct at this age, appealing profile with plenty of fill, well set ears. correct lay of shoulder with deep chest. moves well coming and going.  
a very promising puppy.

MINOR DOG

BRAXSTAR MOONSHINE GANGSTER (AI)

6 month old white male, this dog was a lovely make and shape. well packed up head full throughout with beautiful sweeping arc, mouth fault. small eyes and keen expression. ears set well still soft but acceptable at his age. good lay of shoulder, level top line, good rear angulation with correct tail set. when he gets moving he moved very well with a jaunty air. in very nice condition.

JUNIOR DOG

BULLPATCHY RHETT BUTLER (AI)

16 month old white male, power house of a dog with excellent bone and substance. very strong head , well packed up with pleasing arc in profile , correct bite tiny eyes and ears giving him a wicked expression. good lay of shoulder with a deep chest with huge prosternum. level top line with short back. well-muscled second thigh, correct tail set , once settled he moved well coming and going with typical jaunty air. would prefer to see him carry a little less weight. he really pushed for the dog challenge today. pleased to award him dog res challenge , runner up best of breed.

AUSTRALIAN BRED DOG

1<sup>ST</sup>

CH CHOPSBULLIS GENTLEMAN JACK

16 month old tri colored male, caught my eye when he entered the ring. heavy set male with good bone and substance. head well packed up throughout with a lovely turn in profile. correct scissor bite small ears and nice dark triangular eyes. keen expression. long muscular neck. correct lay of shoulder , with a deep and pronounced foreschest. tight feet, round bone. slightly longer in body but maintains a strong topline. correct tail set, good second thigh development with well turned stifles. he moved out extremely well with a jaunty air. in fantastic condition Pleased to award him Best of Breed and Best in show today.

2nd

CH NOBLELORDS READY N WAITING

2 year old red and white male, another very nice example of the breed, a more compact dog shorter in body and slightly finer in bone but still maintaining a masculine look. well packed up head with good turn in profile, scissor bite but 1 slight in standing canine which separated him from the winner today. keen expression . muscular neck , good forechest and correct tight feet. short back and level topline. short harsh coat that was gleaming. moved well coming and going in excellent condition .

OPEN DOG

CH CHOPSBULLIS ZEUS KING OF GODS

6 year old black brindle and white male very heavy set dog with loads of bone. extremely well packed up head , would prefer a little more turn in profile , scissor bite. ears set well . muscular neck , wide chest , a little long cast but holds topline well on the move, he was carrying a little extra weight today but overall another very nice example

JUNIOR BITCH

CHOPSBULLIS MOJITO

16 month old white bitch with black ear markings. feminine bitch, with nice outline. pretty profile and plenty of fill, slight mouth fault. Good chest development and shoulder placement, tight feet. would prefer a touch more bone and substance, she just needs a little time to mature. moved well coming and going.

INTERMEDIATE BITCH

one of the hardest classes i judged today with 3 quality bitches that could have gone either way.

1st

YANDOMIR KUAZIN HARMONY

18 month old classy white bitch, with a very nice silhouette. very pleasing profile , with plenty of fill. small dark triangular eyes , neat ears but would benefit from having them set a little higher however this did not take away form her expression. correct scissor bite. long muscular neck into a clean lay of shoulder, very good chest development. slightly long cast but holds her topline very well on the move. good turn of stifle , moves well coming and going with a jaunty air. shows very well. please to award her challenge bitch today.

2nd

POTENS NEEDLE

Another very classy bitch, white with black ears. very showy bitch, overall lovely type and balance . well packed up head with nice turn in profile, small dark eyes and neat ears giving her a keen expression. slightly undershot . good lay of shoulder and enough chest for a bitch, short in back with a level topline. moderate angulation. shows well and moves with a jaunty air.

pleased to award this bitch reserve bitch challenge today.

3rd place

CH NOBLELORDS SPLENDID ENGIGMA

2 year old white bitch with brindle ear markings, again this class could have gone anyway. lovely make and shape. well packed up head with good turn in profile, correct scissor bite, small dark eyes , would prefer a higher ear set to give her a better expression. well muscle neck, good round bone and good chest development, strong topline and well developed second thigh. moved well coming and going in excellent condition but today she just wasn't showing as well as 1 & 2

AUSTRALIAN BRED BITCH

1st CH CHOPSBULLIS BEYLA EARTH GODESS.

6 year old black brindle and white bitch, feminine bitch with a nice outline nice type. well packed up head but could benefit from a little more turn in profile, correct scissor bite. good round bone, would prefer a tighter foot. holds topline well for her age, slightly higher set tail . moved well around the ring, but was carrying a bit of extra weight today.

2nd BULLPATCHY RYTHM N BLUES (AI)

16 month old black and white bitch again this bitch has a lovely silhouette. well packed up head, with nice profile . slight mouth fault. good lay of shoulder and beautiful prosternum for a bitch, short in back . carrying a little extra weight, well developed second thigh, she moved well coming and going , she wasn't showing her best today.

OPEN BITCH

STARDOM MERLOT TIPPED DIAMON

2 year old white bitch with red ear markings . nice type. gentle profile and adequate fill, prefer a darker nose. correct scissor bite. nice small dark eye. good lay of shoulder, a little longer in body, but still holds her topline. she was carrying too much weight today.

BULL TERRIER (MINIATURE)

PUPPY DOG

LLUBINIM FLICK OV THE SWITCH

6.5 month old white male a teller male for his age , but in portion. head is well filled and good turn in profile, correct bite. nice small neat ears , but has a round eye which takes away form his expression. neat feet . still a touch bum high at this stage but he is still only very young, a very excitable puppy so he holds his tail high on the move but correctly set. good second thigh development in lovely condition.

#### INTERMEDIATE DOG

#### KAHMINS CIRCUS CIRCUS

16 month old black brindle and white quality male, very well made with very nice make and shape. correct size , well packed up head with a very nice profile. slightly undershot. when he uses his ears he has a very wicked expression. correct lay of shoulder good chest and round bone. would prefer a more level topline , but he moved well around the ring. gleaming coat and in excellent condition. reserve dog challenge.

#### OPEN DOG

#### CH LLUBINIM ZEKE AND DESTROY

3 year old tri color another quality male, with overall nice balance and breed type. well filled head and nice turn in profile, ears small and neat set nicely, but eyes are slightly rounded taking away form his expression. scissor bite. long neck into a well laid shoulder, level topline, short backed, well developed second thigh . moved well in all directions with a jaunty air . In excellent condition . pleased to award this dig my challenge and runner up best of breed.

#### JUNIOR BITCH

#### BULLROY ROCK N BETH

16 month old brindle and white bitch. very typey with lovely make and shape correct size. her head his feminine while still have enough fill and lovely turn in profile, small dark eyes , and the best ears i have seen on a mini in a long time ! giving her a very wicked expression. round bone, good depth of forechest. i would prefer a tighter foot, level topline, good rear angulation with correct tail set , moves with a very jaunty air. she is in excellent conditions my notes for this bitch say " firecaracker " . very pleased to award her best of breed bull terrier ( miniature ) and Runner up best in show

#### INTERMEDIATE BITCH

#### CH DAMINABUL CLOSE TO PERFECTION

almost 3 year old brindle and white bitch correct size. she is very feminine. would prefer a little more arc in profile of her head, adequate fill, correct scissor bite. ears small and neat, but would prefer a better eye to give her a more keen expression. long arced neck, short in back, high tail set. very animated. moved well coming and going

#### AUSTRALIAN BRED BITCH.

## CH DAMINABULL TAINTED LOVE

4 year old black brindle and white bitch. another feminine bitch. good fill under the eye with adequate turn in profile, dark and small ears. would prefer a better lay of shoulder and more depth in chest. slighter longer cast but holds her topline on the move, well developed second thigh. moved well coming and going. reserve challenge bitch.
