

Critiques ACT Bull Terrier Club

Neridah Sharrett

Baby Puppy Dog

1st Bluereaper Mexican Mafia. Only baby in the class. – 15 weeks old puppy, lovely forequarters, head developing nicely. Lovely neck into shoulder, held topline on the move with tail coming straight off the topline. Good depth of chest, adequate turn of stifle. Showed well and easily handled the conditions today.

Minor Puppy dog

1st Noblelord Ready N Waiting - Red and White squarely built dog, with a nicely turned head and a good harsh coat. Good length of upper-arm, showing developed pro-sternum. Short coupled dog, carrying his tail a little high, good turn of stifle.

Puppy Dog

1st Sturgis The Big Lebowski – happy outgoing dog, balanced front and rear, scissor bite with well placed canines, a nice eye and good depth of underjaw. Would like a bit more spring of rib but he is only young still. Held topline on the move. Would like to see a little more angulation however, he is balanced and this showed on the move. Good feet

Junior Dog

W/D Balgay Let's Go Hugo - Was not enjoying the experience today and was withdrawn by exhibitor.

Intermediate Dog

1st Zeejay Hired Gun - Strongly build dog, using his hindquarters well on the move, a little unsettled with his front action, good neck into shoulder, would prefer him a little shorter coupled. Good forequarters with good width and equal length upper-arm to shoulder, good depth of brisket. Has a nice eye. Tail-set coming straight off the topline. Shown in good condition today. Good temperament

Australian Bred dog – Three very nice males.

1st Ch Bankabull Bobby McGee – A short coupled dog with a good mouth. Good depth of chest and when viewed front on had good width. A strong head with a nice eye. Showing good round bone, compact build, would like him a little stronger behind the withers when on the move. My Reserve CC Winner

2nd Bulroarus Might N Power – An impressive dog Lovely head, good mouth, lovely eye, good forequarters showing length of upper arm and well laid shoulders a nice short tail. Would prefer a little more spring of rib. A hard decision between 1st placed dog and this boy. Could easily have gone either way.

3rd Bullalaris Black Of Knight . Another nice dog, short coupled but lost his topline on the move being a tad high in hindquarter. Good depth of brisket, a little straight in rear.

Open Dog

1st Kaha High Roller – A good moving dog. Short coupled with good depth and width of chest. Triangular eye, flat between the ears. Good mouth. Great neck into shoulder, runs well into topline. Short through loin. A well balanced dog with tail coming straight off the back. My CC winner

Baby Puppy Bitch

1st Kaha Choir Girl -3 months old puppy, feminine with adequate bone, chest well down, well balanced, pretty girl with ears on the way up, head nicely filled. Nice spring of rib and short tail. Good width in front. Not cooperating with handler today, but that is not so important at this tender age.

Minor Puppy Bitch

1st Hellofabull Diablo Diva – Full of exuberance and happiness. Lovely temperament. Cuts a very clean outline but would benefit from a lower tail set. Beautiful front with clean throat. Lovely head, clean, with small ears that are upright, good bite. Good neck into shoulder. Feminine with elegance. Good coat.

Puppy Bitch

1st Corajoso Red Hot Rhumor - Red and White bitch, noted that she has a sore on her toe today.. Lovely round bone, good feet. Head has length, turn and fill. Good length of upper-arm. Depth of chest and spring of rib. Tail held well. Good overall balance. Great coat.

2nd Bankabull Wildone – Very pretty girl with good length of upper arm, not quite as strong in head and underjaw as 1st place bitch. Pleasing neck into shoulder, with reach of neck, good spring of rib, short coupled, held tail well. Well angulated front and rear

3rd Noblelord Splendid Enigma – showing promise. A little more refined type compared to others. Good turn of stifle and depth of chest. Would prefer more spring of rib and lower tail set.

Intermediate Bitch – Two beautiful bitches

1st Bullroarus Makybe Diva – Short coupled bitch, deep set throughout the body. Good mouth, well filled head with gentle turn showing good strength of under-jaw. Beautiful forequarters and lovely hindquartes giving balanced angulation front and rear. Held together well on the move, topline did not let her down, kept her tail low. Good spring of rib. My CC and BOB also Best in Show.

2nd Bullpatchy Darling River – Very nice bitch. Beautiful neck into shoulder, lovely reach of neck. Gorgeous head with lovely, well turned and with fill and depth of underjaw, good mouth. Carried her tail a little high. A quality bitch. My Res CC

Australian Bred Bitch

1st Unthinkabull HellsBells – Moved around with purpose. Strongly build girl with good depth of body though would like to see a little more tuck up in her underline. A slight dip behind the shoulder. A lovely reachy neck and well laid shoulder, good forequarters. A good head with a nice eye, good length of foreface and depth, ears bang on and flat skull between them. Feet could be a little tighter. A quality bitch that I would like to see in slightly harder condition.

Open Bitch

1st Bullroarus Etherearl – Was not overly enjoying the wet going today. Moved adequately for her handler. I would prefer her a little shorter in body. Gorgeous neck into shoulder, beautiful forequarters on her. Lovely head, very pretty. Good mouth, ears straight up, clean through her throat. Would prefer to see her shorter through loin and a shorter tail to finish a perfect picture.

BULL TERRIER MINIATURES

Puppy Dog

1st Bullroy Ghost Writer – Superb size and substance. Definitely a Bull Terrier in miniature. A very mature dog at 8 months, full of himself. Strong head, good width and depth of chest. Round bone all the way down to his feet, short coupled dog with good spring of rib. A little soft behind the withers. A good coat. Lovely neck into shoulder, tail short and thick, coming straight off his back. A mature youngster. My Res CC and R/up BOB

2nd Daminabull Nitrous Oxide - Upstanding dog with a perceptibly long foreface. Good forechest, brisket to elbow. Neck runs smoothly into shoulder. Would like to see a little more spring of rib but at 8.5 months this may well develop. Slightly longer through loin than first placed dog and a bit taller.

Junior Dog

1st Bluereaper Rags to Riches – Super harsh coat. Good length of foreface, a reach of neck running well into shoulders, well made forequarters. Well-turned stifle. Tail set is adequate, would prefer a shorter thicker tail and a little less length through loin.

Intermediate Dog

1st Daminabull High Octane Another good coat, harsh jacket. Good, well-proportioned head with strength all the way through to end of muzzle. Well put together dog with good forequarters, though would like to see width in front maintained all the way to feet. Cuts a square outline. Well Angulated, pretty outline, good tailset.

Australian Bred Dog

1st Ch Bluereaper Dazzling Demon – Reasonable sized, square cut dog with good depth of brisket. Nice head with beautiful eye and foreface. Would like him cleaner in troat. Reachy neck that is clean into shoulders. Would prefer a straighter topline and that would improve tail set. Can pull himself a little straight in hindquarters.

Open Dog

1st Forevapals To Infinity NBeyond - Beautiful head and eye, lovely tiny ears on him. Good width of forechest with round bone all the way down to feet, up on his toes. Good depth of chest, neck flows well into shoulder, short coupled, tail set in good position. Would prefer a tiny bit more turn of stifle on the stack but moved well using reach and drive. Great sized dog that has not lost Bull Terrier type. Shown in excellent condition, a hint of rib but not at all underweight. A strongly built dog that is broad across the back. My CC dog BOB and Runner Up in Show

Baby Puppy Bitch

1st Chrysaliss Supernova - 14 weeks old. Very feminine with a pretty head that is filled all the way to end of muzzle, nice expression with ears erect. Would like to see a bit more spring of rib and substance. Has some pro- sternum and fill. Lovely harsh jacket.

Minor Puppy Bitch

1st Bullroy The Thunderess – Mature for age, good size but with substance, Lovely head with strength of underjaw. Lovely eye and expression, small ears bang up on head. Good mouth. A very happy puppy. Would like a better topline, tailset a little low but holds it well. Tail short and thick. Would prefer a tad more rear angulation

but she acquits herself well on the move. Beautiful pigment, would prefer a better coat, this may come with age. My CC bitch

Puppy bitch

1st Bullaktiv Deals With the Devil – Nice size, clean through front on. Would like a bit more depth of underjaw and strength through head, good triangular eye, ears on top. Would like to see more substance overall and could do with more rear angulation and drive.

Junior Bitch

1st Diminabull Close To Perfection – Moved around the ring quite nicely, would prefer to see her tail held a little lower. Topline tending to dip before and after the withers. Chest well let down, reaching elbow. Better angulation in the forequarters and the rear would assist her in moving out a bit more. A little light in bone. Shown in a lovely harsh jacket.

Australian Bred Bitch

1st Diminabull Tainted Love - a heavy set girl, thick through loin. Moved away with strong parallel movement, front action not as good. Pretty head with good mouth, would prefer a more triangular eye, there is a hint of a medial line. Underjaw has depth. Sturdy little girl, has depth of brisket but is shown today a little heavy. Good jacket.

Open Bitch

1st Sup Ch Bullactive Stop On Red – Moving with reach and drive, holding tail a little above the topline on the go around. Cuts a very pretty outline. Would like a more depth of bone and tighter feet. Clean through throat and neck, with neck running well into her shoulders. Reasonable depth of brisket. shown in good condition with a good harsh coat. A very nice bitch.
