

ACT Championship Show

November 12, 2017

Judge: Susie Kingsley Harris

Thank you so much for the invitation to judge at your Championship show. This was my first time to Australia and I was so honored to be invited. I would like to compliment all of you on the beautiful expression and ear sets of all of your dogs. Every one of them had some of the best eyes I have ever seen! Thank you too to Di and Mike Cross for taking us everywhere and especially for going out of their way to find some kangaroo's for me!
