Committee reserve the right to:

- move classes to another ring, or another day in the event of an excess number of entries to any class.

Nationals Working Group

Your Nationals Working Group have been hard at work for the last 2 years (some even longer). If you have any questions or concerns, please direct your enquiry on the day/s as below. However, as we will be multi-tasking if they have a dog in tow, please do not approach or ask your question. They are more than likely about to run a dog in an event OR it could be the first time in hours that we get to toilet our dogs. Please be considerate.

Special note from the Trial Secretary - I would personally like to thank each of the Working Group members. We've had many discussions and spent hours upon hours planning and organising (and reorganising) for this event. You are all amazingly capable individuals who have taken every challenge in their stride and we've worked together to get a solution. I thank you for everything you have done to make this all happen - as a team we have pulled off an amazing event.

We are here - YAY!!!

Nikki Janetzki - Trial Secretary

Ring Map

Committee reserves the right to move or alter Rings as may be required. This may be as a result of ground conditions, weather or for other reasons.

Welcome to the Victorian Agility Nationals 2018

Victoria welcomes you all to an exciting Nationals and hope that you have a great time whilst you are here!

We have a massive entry of just over 6500 runs excluding finals which has approx. 300 runs. So, the days will be long, and we will need everyone's help to keep the rings moving without delay. This will include being available when your number is called and getting into the ring when the prior dog is finishing the course.

We have a wonderful team of people consisting of Judges, Scribes, Stewards, Pole Setters, Build Crews, Announcers, Presentation Team, Nationals Working Group. However, we would love as much help as possible during the day with course changes, dropped bars etc as this is everyone's Nationals.

There are so many people that have made this all possible, but need to make mention of the following:

- **Eukanuba** our major sponsor for being so extremely generous and getting as excited about this event as we have. Thank you and please everyone show your support by visiting them in their chill out zone.
- All our fabulous sponsors that have donate wonderful prizes for you all to enjoy.
- Our judges who have travelled far and wide and many are also competing. We all look forward to the courses they have created for us.
- Our many many glorious stewards who will be working so hard to keep everything running smoothly.
- Alison Muddle of K9Entries – our work together started some 4 years with making life easier for our Trials in Victoria. But I always had Nationals in the back of my mind. Your online system is brilliant, and we thank you for everything you have done to make the running of this event so much easier. I doubt we could have done it without you and the extra benefits to competitors is amazing. We sincerely encourage more clubs through Australia and New Zealand to take a look at how K9Entries can help your trials.
- Clive Makepeace - Clive who has had the arduous task of reviewing all the courses. This is a massive job, and no-one can truly understand the magnitude of this task unless you have done it. Clive goes above and beyond with all the little extras which save the Trial Secretary a huge amount of time. Thank you!
- Jacey Singh – who has been a super worker bee in so many areas.
- Pam Makepeace for all your assistance with the setting up of the Presentation tables.
- VCA Representatives for attending each day – we hope you have a lovely day.
- Our Victorian clubs that have loaned us equipment.
- And the wonderful Build Crews who will be setting up rings each day for the events to come. Amazing job guys as I know you will all be running dogs during the day so a very tiring day!
- And lastly, but probably the most important - a massive thank you to all our Victorian community for offering support and assistance wherever you could. The majority have full time jobs, run part-time businesses on the side and instruct at various Agility Clubs, yet still manage to put their hands up to help. Victoria ROCKS 😊.

Have a glorious time whilst in Melbourne, catch up with friends, make new ones, have fun with your dogs and laugh lots. Pass cards are a bonus 😊

Qualifying Passes

Every effort has been made to ensure that competitor and dog information is correct – however we rely on the information being correct in K9 Entries. Therefore, if any of the information is incorrect please update it in K9 Entries or speak with the Trial Secretary prior to your dog running.

Split Walking Groups & Open Groups

Classes have been split into separate walking's to reduce traffic whilst reviewing courses. Please ensure that you only walk in the Group that you are allocated to unless you have a clash and are unable to walk. Please let your steward know that you will walk in the next Group and in this situation, you will be the first dogs to run in the following groups running order.

Group 1 will walk and then run, followed up Group 2 who will walk and then run and so on. To be fair to all, walking of courses will be 10 minutes only – this will be timed.

We have tried to organise the Groups for Open classes based on Handlers and their dogs so that Handlers are in the one group. However, this was not always possible when handlers had dog's in multiple height categories. This was based on the Handlers registration number therefore if you have multiple handler numbers, unfortunately you may be in separate groups.

Committee reserves the right to change should the need arise.

Ring Assembly Area – Food & Toys

Each ring will have an Assembly Area clearly marked with Entry and Exit points. Entry will be on the left, exit on the right.

The Assembly area has been divided into 3 sections and we ask that Handlers keep their dogs in their own section. This is to ensure that dogs do not feel crowded in the Assembly Area and Handlers have sufficient space to keep their dogs warm prior to going into the ring.

Food & Toys will be allowed in the Assembly Area but must be left in the receptacles provided prior to entering the competition ring. The following rules apply:

- Food is to be kept in a small container with a secured lid that cannot be easily displaced.
- Toys are to be small, noiseless and must not leave the handlers body whilst in the Assembly Area.
- Items are to be retrieved immediately after exiting the competition ring and will be accessible from outside the Assembly Area.

Notifying Stewards of Clashes

At any trial you can expect to encounter clashes of rings and our wonderful assembly stewards will do their best to assist with this. Please ensure you notify your stewards when this is the case and be aware that we will have the '3 dogs locked in' system in operation at all rings to ensure that the rings are kept moving. These 3 dogs will be in the fenced Assembly Area just outside the ring.

Stewards will be keeping to as close to running order as possible.

Lunch Break

There will be dedicated lunch break which will occur from approx 12 noon – until 12:45pm. Rings will recommence promptly at 1pm – therefore please ensure you are back at rings ready to go at this time. Rings may go over the 12 noon time if there a few dogs left in that class or walking group. Nationals Working Group reserves the right to change should the need arise.

Live Results and Ring Progress

Agility Nationals Victoria will be using the K9Entries system to record all results from the Agility Nationals excluding the Teams Events. This will mean that everyone can access the results live from their mobile device by going to K9Entries.com -> Competition Listing -> Select VIC and then search for Nationals. The current day competitions will be displayed.

There is an option to see just your dog's information by purchasing the K9 Achiever option – which is only \$15 for 12 months. It's well worth it even if you just purchase for Nationals.

Security

Whilst KCC Park is a private facility it is open to the public and therefore we can not guarantee the safety of anything left unattended. There unfortunately have been incidents of theft where wallets, phones and other items have been stolen from within gazebos and cars – including smashing windows to get to them. Therefore, we highly recommend that you DO NOT leave valuables unattended at any time.

We have hired security at night time and the facility will be locked after 9PM however the onus is completely on the individuals in terms of any items left at the Park.

Presentations

Presentations will be conducted at the conclusion of each day's events after all rings are finished. These will be conducted in the Pavillion – BYO chair (no metal feet). Dogs are permitted in the Pavillion, however to keep the noise levels down please only bring dogs that have placed 1st, 2nd or 3rd.

Photos of handler and dog for 1st, 2nd and 3rd regardless of qualification will be taken for publication on the website. This will be in a dedicated area away from the presentation area so as to ensure presentations are completed as soon as possible.

Presentations will not be in the order of Rings – this is due to making it fair for all heights as well as allowing time for photos to be take of each class.

There will be no vendor trading during presentations.

Gazebos & Marquees

A map will be available of where Gazebos and Marquees can and can not be placed. Please be considerate of your fellow competitors especially in areas were multiple rows will be required.

There will be no setting up of crates, mats or any other area for competitors in the Pavillion – this is for Vendors and Presentations only. Vendors who are also competitors have special permission to have their dogs with them in the Pavillion in crates or trolley. Other extenuating circumstances may be considered.

Toilets

All toilets at KCC Park are connected to a septic system therefore only toilet paper is to be flushed. Sanitary items are to be placed in recepicles provided. We don't want the toilets blocking up over the week and this is generally the reason why they do become blocked.

Competitors are reminded that they are NOT to use the basins in the toilet blocks to soak cool coats. Water dripping on the tiles is an extremely serious OH&S issue. There are taps available around the grounds.

Equipment

As our agility training methods improve our dogs are getting faster and more confident. The risk of injury from slipping on or getting tangled up in equipment is getting higher.

Over the past few years, the Victorian Agility Community has spent a significant amount of time, money and effort on upgrading club agility equipment to ensure it is as safe as possible for our canine friends to compete on. From rubberised contacts to poly wing jumps to break-away tyres to tunnels and tunnel bags, the commitment from clubs, instructors, judges, competitors and suppliers has been incredible.

The Agility Nationals 2018 Working Group is extremely grateful to the Victorian Agility Community for their valuable contribution. Please take the time to acknowledge your fellow competitors as they set up your courses each evening. Any assistance you can offer will be gratefully accepted. In particular we would like to thank the following clubs who have provided equipment and build crews for the duration of the competition

- Berwick Obedience Dog Club
- Frankston Dog Obedience Club Inc
- K9 Agility
- Moorabbin Obedience Dog Club
