Lorna Schuster Best in Show Trophy

Presented at ATCV Championship Shows since 2012

Lorna Schuster (nee Green) acquired her first Airedale Terrier as a young girl and joined the ATCV in 1930. She began breeding under the

Hillmere

prefix in 1931. Over the years Lorna imported six Airedales from the UK, most in partnership with other breeders, all of which made a significant contribution to our breed.

Lorna became Secretary of the ATCV in 1939 and held this position until 1954 when she and her husband Clive moved to WA. Lorna's contribution to both the Club and the breed was recognised by the Airedale Terrier Club of Victoria and she was appointed as the first Life Member of the club. On her return to Melbourne in the early 1960's Lorna again became active in Club affairs and over her time in the Club occupied nearly every official position and she continued to serve regularly on the Committee until the mid 1990's.

In 1970 Lorna trained Ch. Hillmere Calypso to the title of CD, the first Terrier bitch in Victoria to gain a Companion Dog title. A long line of Hillmere obedience title holders followed. Lorna's interest in Obedience continued over the years and it was through her enthusiasm and encouragement that the ATCV introduced Restricted Obedience Trials on a regular basis throughout the 1980's and 90's.

Lorna bred innumerable Hillmere Champions her first Ch. Hillmere Valiant in 1945, provided foundation stock for many of the old established kennels in Australia and New Zealand and won many Club Specialities, Royal Challenges and Best in Show (All Breeds) awards over the years, as well as all of the Club trophies many times over.

Lorna held the unique honour of being Patroness of each of the affiliated Clubs in Australasia—Victoria, New South Wales and New Zealand.

Lorna Schuster's influence on the Airedale Terrier world was immense over the years and was made all the more admirable by her unselfish and untiring efforts for the good of the breed as a whole.

Lorna passed away in May 2000 aged 89.

Bill Brilliant Trophy for Best Opposite Sex in Show

Bill Brilliant commenced his long and successful career in the Dog World with the purchase of an Airedale bitch in 1923. His association with dogs included breeding, exhibiting, importing, judging and administration. His first imported Airedale was Orator in the mid 1920's followed by Wrose Palm, Fernbank Rascal, Princehill

Alpha and his last Riverina Gulliver in the mid 1950's. **Stoneleigh**, his own kennel prefix, became well known for quality Airedale Terriers such as Stonleigh Stormer, Ch. Stonleigh Solario (the first Airedale to win Best Dog in Show at the Melbourne Royal Show in 1934), Ch. Stonleigh Sapper, Ch. Stonleigh Safeguard and Ch. Stonleigh Supreme.

Bill was involved in the formation of both the Airedale Terrier Club of Victoria in 1929 and later the Sporting Terrier Club of Victoria. He was President of the Victorian Poultry and Kennel Club from 1948 to 1962, was appointed to the Committee of the Kennel Control Council in 1947 and was an All-Breeds judge from 1956 to 1972. He was recognized as an authority on the Terrier breeds and filled many important judging appointments. He judged our Championship Shows in 1947, 1949 and 1965.

His contribution to the dog world was recognized by Life Membership of the Airedale Terrier Club of Victoria in 1964, Sporting Terrier Club of Victoria and the Victorian Poultry and Kennel Club. He was made a Life Member of the KCC in 1978 and was Patron of both the ATCV and the ATANSW.

Bill celebrated his 100th birthday on 31st. August 1986.

Bill Brilliant contributed much to our Club, our breed and the Dog World generally and holds a unique place in Airedale Terrier History.

Our Judge Mr Wood Wornall (USA)

The list of champions that, as a professional handler, Wood Wornall piloted to record-breaking wins includes some of the most notable names of the late 20th century. Wood's resume consists of hundreds of Best in Show wins, including three victories with three different breeds at the famed Montgomery County Kennel Club show. He's piloted more than 20 different breeds from five of the seven Groups to BIS wins, and has won countless National Specialties along the way. He and his daughter Jenny were responsible for the conditioning and handling of the Top winning Best in Show Airedale of all time.....Ch Evermay's High Performance. Now retired from handling, Wood is now stepping into the ring as a judge. In recent years he has judged a number of breeds during the Montgomery week including Airedales at Hatboro. In 2019 he will judge the ATC of America National Specialty at Montgomery County Show.

Wood has a longstanding interest in Airedale Terriers although he grew up without a dog to call his own. His maternal grandfather had imported Airedale Terriers to America during the 1930's and although he never met the man, Wood saw a photograph of his grandfather with his dogs, and this piqued his interest. He decided then and there that he was interested in Airedales. Wood recalls that he just liked the fact that his grandfather had the breed, known as the King of Terriers. "I thought they were handsome, and I'd heard they were used in World War One." Wood started showing Airedales in Kansas City when he was just fifteen years of age.

While still a teenager Wood went to work for Ric Chashoudian in California who, in those days, showed more Airedales and won with the breed more than anyone else. That was where Wood wanted to go to learn more about Airedales. He worked with and learnt from Ric for seven years before starting out on his own to handle. During the ensuing years he has had much success with various breeds, including of course Airedale Terriers.

Wood Wornall judged the Airedale Terrier Club of Victoria's Open show in 1988 and we are pleased to welcome him this year to judge our 84th. Championship Show.
