Official Welcome

On behalf of the executive and committee of the Border Collie Club of NSW Inc, I would like to extend a very warm welcome to all exhibitors, officials, judges and visitors from around the country and around the world, who will be participating in or just enjoying the many and varied activities a National event such as this has to offer.

I had the privilege of working on the committee of the 1st National held here in Sydney in 2006 so I know first hand the huge commitment a National requires. But having also worked for many years with our current dedicated club committee, it is no surprise to me that we have been able to organise another super event and draw a fantastic entry across all disciplines.

I am extremely proud of all we have achieved together and offer my heartfelt thanks to my fellow committee members for going so far above and beyond over the past twelve months to ensure the success of the 5th Border Collie National event. I hope you all find time over the next few days to relax for a moment and enjoy the fruits of your labours!

Thanks must also go to our club members, Dogs NSW Board members and ground staff, our families and numerous friends of the club who have donated their time, money, energies and ideas – your contributions were many and varied but they were all very much appreciated!

To our huge list of sponsors, in particular our major sponsor, Black Hawk, thank you for your generous support which has enabled us to provide wonderful prizes, raffles, gifts and merchandise items.

We have a super judging panel officiating at this National including a number from overseas – thank you for accepting our invitation and we hope that your National appointments are enjoyable and memorable.

Finally, I hope that the next four days will provide us all with the thrill of great competition, the camaraderie of spending time with friends old and new, and the chance to indulge ourselves in the joy of everything “Border Collie.”

Good luck and best wishes!

Many thanks to Lynda Brandt for acting as our official Master of Ceremonies for the National weekend events.

NATIONAL WORKFORCE

We would like to extend our thanks and gratitude to the 'workforce' on the grounds during the National and those who have worked tirelessly in the lead up to this event. To assist exhibitors, National 'workers' will be easily identifiable throughout the National as indicated by their unique '5th National' polo shirts OR via a National lanyard/name tag. If you require any assistance during the event, please direct your enquiry to one of these representatives as your first port of call.

HOSPITALITY

The club have set up a complimentary exhibitor and guest 'Refreshment Station' under the verandah of the Dogs NSW Library. Tea, coffee and cold water are available here, as well as other 'essential' items including sunscreen, tissues etc. International guests are invited to leave their belongings in the Dogs NSW Library, which is the white building closest to the main breed ring (Ring 14).

REFRESHMENTS

There are a number of onsite food vendors offering a variety of meals, snacks and drinks options on the grounds. They are located beyond Ring 13.

AMENITIES

Men's and Ladies bathroom facilities are located next to the Dogs NSW Library building. Campers overnight will have access to the large amenities block, including shower facilities, located next to the Main Building.

MERCHANDISE

Our National merchandise is supplied by external company 'Sports Centre' who have come all the way from Adelaide! They are set up in the Rotunda building (white circular building behind the Dogs NSW Library) and are ready to serve you. They have a great range for sale, and are providing on-site personalized and custom printing on select items. They will be onsite Friday & Saturday only, so please ensure you make your purchases on these days!

The Dogs NSW grounds is known to have snakes in the area, and they have been sighted and active within the last month. Whilst it is unusual for them to be on the main grounds during a busy event, exhibitors are advised to exercise caution when out of the main show ring precinct, and to take special care around the outbuildings on the grounds, particularly near the Herding area. If a snake is sighted, please notify a National official immediately so that Dogs NSW staff can act promptly.

DOGS NSW GROUND RULES

The National weekend is a busy one at Dogs NSW, and there are many other shows taking place on the grounds this weekend! Please be respectful of the Dogs NSW Ground rules and regulations, especially those pertaining to designated smoking areas, dogs being exercised on lead, cleaning up after your dog, and the use of generators and other electronic equipment. A sign of rules is easily referenced in front of the Ring 14 ground entrance or at the main entrance.

Heidi Porschacher (Austria)

Borderline-Country Border Collies

Heidi comes to us from the world-renowned Borderline-Country kennel in Austria with over 30 years of experience in Border Collies since breeding her first litter in 1988. She has bred more than 40 homebred Champion Border Collies, many of whom hold multiple Championship titles across Europe, including FCI and International titles, as well as being awarded Best In Show and Group 1sts amongst some of her kennel's many career highlights. In recognition of their consistent success, Borderline-Country has been honoured with the award of OBCH (Austrian Club for British Herding Dogs) Top Breeder 17 times. Heidi also breeds Shetland Sheepdogs, and has in recent years added a Papillon to the Borderline team. She has widespread experience judging Border Collies across Europe, and is honoured to be the Conformation Breed judge for the 5th Australian Border Collie National in 2019 as her first judging appointment on our shores!

Property

Emily Barnhart (USA)

Emily first fell in love with Border Collies whilst living in Australia and competing in Junior Handlers in 1997-8, and returned to the United States in 1999. For Emily, Border Collies are really a family affair as she shares her love of the breed and Pawcific fame with her mother Kathy and sister Jenny. Emily co-bred her first litter in 2005 and competes with her Border Collies not only in conformation but herding also, taking many of her own and others dogs through to their Championship titles. She has been approved to judge Border Collies and Cardigan Corgis since 2010 and has added a variety of other breeds in the AKC Herding Group since 2016. Emily has officiated at numerous All Breeds and Specialty club shows, including judging Junior Handlers and Border Collies at the Border Collie Society of America in 2015. We are excited to welcome her as our Conformation Property judge for the 5th Australian Border Collie National in 2019!

She is very much looking forward to her first Australian appointment judging Herding at the 5th Australian Border Collie National in 2019!

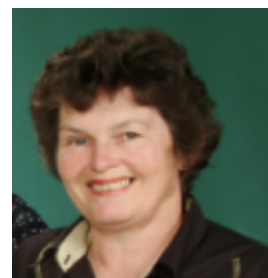

Dances With Dogs Judging Panel

Vicki Etherington OAM (NSW)

Joan Stewart (NSW)

Andrea (Meg) Yerbury (NSW)

We are very lucky to have an amazingly experienced panel of judges to officiate at the 5th Border Collie National Dances with Dogs Trial! We welcome Vicki, Joan & Meg, who between them have been instrumental in the conception, development, and organisation of Dances With Dogs workshops and competitions in NSW and at a National ANKC level, as well as (of course) each being respected competitors in DWD events themselves. Vicki has extensive experience in dog training, judging and competing in a number of disciplines, including finishing a Championship in Heelwork to Music as well as in Freestyle, and has conducted many workshops and seminars since DWD became an ANKC event. Joan has been actively involved in a variety of dog sports, and has had a passion for DWD since it came to our shores in 2003 including helping to organize the first Dogs NSW workshop, and has a Championship in Heelwork To Music and Freestyle with her dog "Muffin." Meg's involvement with dog trialling began in the 1960s, and she has competed and judged extensively in Obedience, RATG, Agility and Rally with her Golden Retrievers as well as being a regular at DWD competitions. Each of our esteemed judges for this event all are well-known to the Dances With Dogs community and we thank them for being a part of the 5th Border Collie National in 2019!

Agility, Jumping & Games

Libby Ellery (NZ)

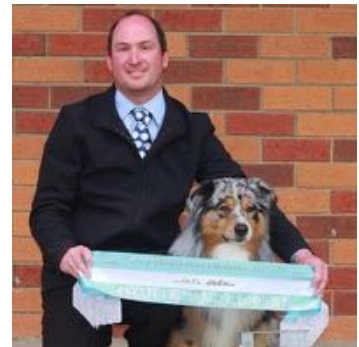

Libby is an incredibly experienced and well-respected judge who has had the pleasure of judging all over New Zealand, in Singapore and on several occasions in Australia, including more recently being on the panel of judges for the 2016 Agility Nationals in SA and the 2018 Agility Nationals in Victoria. She obtained her first dog when she was 13 years old and began trialling in Obedience, and a few years later began competing in Obedience and Agility, training and competing successfully with Border Collies. She is passionate about dog sports and has served on many club committees, including with Dogs NZ, and is delighted to be invited as the Agility Jumping & Games judge for the 5th Australian Border Collie National in 2019!

Obedience

Ross Carlson (Victoria)

Ross hails from the beautiful Mornington Peninsula in Victoria where he has been actively involved in Conformation showing, Obedience, Rally, Tracking and Herding. In 2009 he obtained the foundation bitch for their kennel, Eliteview Australian Shepherds, however also has a great love for Border Collies having had 15 years of involvement showing and trialling since the 1990s. Ross is an accredited ANKC judge for Obedience, Rally O, Endurance and Herding and has a great passion for working dogs with beauty, intelligence and versatility. He has consistently judged throughout Australia, mentored new judges and had great success and many titles with his dogs across a wide variety of disciplines. We are very pleased he has signed on to be our Obedience judge for the 5th Australian Border Collie National in 2019!

Linda Dibbin (NSW)

Linda has owned Border Collies for over 35 years, her first being "Bess." Most recently she rescued a puppy called "Lily," who is Linda's ninth Border. Linda is an experienced and well-respected trialler and judge, and is specifically proud of being a full panel Obedience judge, which is her greatest passion. She has been a judge for over two decades and has judged all over NSW, Canberra and in Queensland. Linda loves her time judging but has recently decided to take some time off so that she can concentrate on her little one. Linda is very pleased to be judging at the 5th Australian Border Collie Nationals in 2019 and wishes to extend her congratulations to everyone on a very special weekend. The club are incredibly grateful for her support and assistance at stepping in as an additional Obedience judge thanks to the outstanding support by our exhibitors, and we hope Linda enjoys her day in the company of her beloved breed.

Rally O

Vickie Harris (NSW)

Vickie was born and bred in country New South Wales, which is where together with her husband she has raised a family surrounded by horses and dogs. In the early years, Vickie competed in equine events including Dressage and Hacking and has always had a love of dogs. These included Border Collies, Welsh Springers, Griffons and Golden Retrievers. Her first pedigree Golden Retriever arrived in the late 1990s and since that time, Vickie and her husband have established the 'Harvikgold' kennel focusing on conformation and obedience, producing approximately 18 show Champion Goldens and Griffons, including Supreme and Grand Champions and are consistently recognised as one of the top breeders of Golden Retrievers in Australia. Their achievements in the field of Obedience includes more than 13 dogs with Obedience titles. Vickie thoroughly enjoys judging both at conformation shows and Obedience and Rally trials, having presided over rings across Australia and New Zealand. In 2012 she had the pleasure of judging the Golden Retriever Championship Specialty in New Zealand. We are incredibly lucky to have Vickie as the Rally O judge at the 5th Australian Border Collie National in 2019, and know she is very much looking forward to this appointment.

Charlie Giles (NSW)

Charlie became a full-panel Obedience judge in 2009 and has judged extensively in NSW, Queensland and the ACT and, to a lesser extent, in Tasmania, Victoria and the NT since that time. His appointments include at the Sydney Royal, the ACT, NSW, Queensland and Victorian Titles and the 2008 and 2017 National Titles. Charlie has also judged numerous Rally O trials since the introduction of the sport in 2012. Since 1995, Charlie has trained and trialled four Tibetan Terriers to titles in both Obedience and Rally O. His wife, Liz, also took three of those dogs through to their conformation Championship titles. Charlie is a life member of the Belconnen Dog Obedience Club and a member of the ACT Companion Dog Club, retiring in November 2017 as the Agility Trial Manager at BDOC after 15 years of service. Charlie has very quickly and enthusiastically accepted the appointment as an additional Rally O judge at the 5th Australian Border Collie Nationals in 2019 at short notice and we cannot thank him enough for his support of the club and our exhibitors!

A history of the Border Collie Club of NSW

The Border Collie Club of NSW Inc was inaugurated on 16 January 1980 with a foundation membership of 41 members. Instrumental in the formation of the club were Mr B Vine and Mr D Martin. R.A.S.K.C. (Dogs NSW) affiliation was granted in June 1980 and within the first twelve months the Club's membership had grown to 110 members. In recent years membership of the club has been maintained at around 200 (peaking in the mid 1990's at approximately 300) members. The Club applied for and was granted incorporation in 1991. The Club's first show was an Open Show held on 11 October 1980 and was judged by Mr Roy O'Donnell of Ninda Kennels. Mr O'Donnell was also the club's first patron. The following year saw the club's first Championship Show on 11 April and the judge of this occasion was Mrs L Thomas Van Der Weide.

The Club's main aim has been the promotion of our breed and this has been achieved with the Club's involvement in Working Dog Match Days (Breed and Obedience), Breed displays at Spring Fairs and Royals, the ongoing Judges Training scheme, puppy picnic days and by providing obedience, agility and show training sessions for our members. The club now holds annually two Championship shows and Obedience/Rally O/Agility/Jumping Trials and also runs two Herding Trials and a Tracking Trial each year. The growth of the breed's popularity and its involvement in all aspects of the Dog World should be supported and encouraged by a dedicated breed club. If we all continue to work together, educate the public and promote the best breed - the Border Collie - in a responsible and positive manner - the success of our club in years to come will be assured.

In 1988 the Club established a register for dogs who had been scored under an approved Hip Dysplasia scheme and while the register no longer exists, the Club continues to encourage members to Hip and Elbow score under the ANKC Canine Hip and Elbow Dysplasia Scheme. Member breeders agree under the club COE to Hip and Elbow score all dogs and bitches before breeding. A further register was established to record the results of dogs and litters eye tested for CEA (Collie Eye Anomaly) and in 1989 the club formed a 'Storage Disease' (Ceroid Lipofuscinosis) sub-committee to liaise with interstate clubs and keep members informed on new developments and research. Research into DNA mapping through the late Professor Alan Wilton, offered hope for a breakthrough and finance for this worthwhile research was raised by the fundraising efforts of dedicated Club members and the generosity of the RNSWCC and Apex who made substantial donations. The Club was successful in a submission to the government in 1999 which resulted in a 5 year grant to fund DNA research at the University of NSW. In 2003 the ongoing cost of this research was further assisted by a generous donation from The Batten's Disease Support and Research Association. 2005 will be remembered as a milestone year as research resulted in the discovery of the gene involved and made possible the long-awaited DNA test for Border Collie enthusiasts worldwide. 2005 was also the year that the CEA DNA test became available through Optigen and the Club's CEA register was discontinued as breeders embraced this test. 20 years of education by the Club in how to use DNA testing, when it became available, resulted in a very rapid uptake of nearly all member breeders using these tests. The following few years saw the now renamed Hereditary Diseases Sub Committee, again work with Prof Alan Wilton to quickly develop a new DNA test for TNS. The Club now encourages members to help develop and make use of the many DNA tests that have been developed around the world, since these breakthrough years, with the Hereditary Diseases Sub Committee, keeping tabs on new developments. Club members have provided blood samples from their dogs for ongoing research around the world, into Lymphoma, Epilepsy, Border Collie Collapse and Glaucoma, that recently has had a DNA test for possible predisposition developed.

During the years, members of the club have been kept informed by our previously monthly, now quarterly, publication, "Bordertales." The newsletter provides members with educational information and articles concerning our breed, results, a service to members regarding litter notification and puppy sales and a record of club activities. In recent years this publication has gone 'digital' and members enjoy our full colour "Bordertales" as well as updates on our fantastic club website and Facebook page. 2002 saw the successful formation of the breed's National Breed Council and the Border Collie Club of NSW Inc supported the establishment of this Council and has delegates actively involved in Council activities. The NSW club agreed to host the inaugural National Breed Show, which was held in 2006. We are excited that this prestigious event has gone from strength to strength, and as it returns to Sydney in 2019 we aim to make this year's event as special as the first.

A BRIEF HISTORY OF OUR BREED IN *Australia*

Firstly, we all know that the Border Collie is not an Australian breed. No one doubts for a moment that it originated in Great Britain, but because of its uniquely Australian heritage and its contribution to the Australian sheep industry, it was included with the Australian Cattle Dog, the Australian Stumpy Tail Cattle Dog and the Australian Kelpie, as a breed of Australian Working Dog many years ago. Officially, Australia is now recognised as the country of development in respect of the show Border Collie.

The breed originated in Scotland as a 'Collie' or 'Working Collie'. The Collie can be traced back for about 350 years. When the hills of southern Scotland began to be opened up as sheep runs, the more open land required a somewhat different type of dog from that being used on the enclosed lands, and towards the end of the 18th century, the present type "Border Collie" evolved.

It was introduced into northern England during the great droving days of the 18th century and Northumberland became one of the chief strongholds of the breed. It was in Northumberland that "Old Hemp," one of the foundation stud dogs of the breed, was whelped.

It is believed that the breed emerged from a mixed ancestry, including the Bob-Tailed Sheepdog, the Bearded Collie and the Harlequin Collie. There is also some references that the Collie was often crossed with the Setter. This could account for the milder temperament of the Border Collie.

Now, to dwell on the breed in Australia... The Border Collie has a long history in Australia. Illustrated etchings from diaries, letters and journals show that block-headed, black and white 'working collies' have been in Australia since the mid 1800's.

The first recorded import of a border collie into Australia was Hindhope Jed in 1901 and research has led us to believe that they were first shown here in 1907. They were first shown at Sydney Royal Show in 1933 as "any other variety." Later, they were shown in the Non-Sporting group and in 1953 a separate group was formed comprising the Australian Cattle Dog, the Australian Kelpie and the Border Collie. This was called 'the Australian Working Dog Group' and it was at this time that the RAS Kennel Control classed the Border Collie as an Australian working dog because it was one of the main working dogs in Australia and greatly relied upon in our sheep and wool industry. This classification has carried through to the present day, although other breeds were added to these in 1961 and the group was then renamed the 'Working Dog Group.'

The first Australian standard for the breed was drawn up in Tasmania in 1937 and adopted by the Kennel Control in 1938. This was followed by Queensland in the late 1940s. NSW then drew up their first standard in the early 1950s. Then in 1963 the Australian National Kennel Control approved and adopted the first national standard.

In New Zealand the first standard for the breed was written in 1927. The first Border Collies were registered with the New Zealand Kennel Club on 17th April 1919 – they were *Glenn* (NZKC 4874B) Owned by Mr. W. Gunn and *Tan* (NZKC 4875B) born on the 29/9/1918 Breeder Mr. McConachy. Their sire was *Bruce* and dam was *Fly*.

In Great Britain, the breed was accepted into the show ring in 1976 and at this time, a standard was drawn up. The breed was first awarded Challenge Certificates there in 1981. In the USA, the breed was officially recognised and accepted into the show ring in 1995.

'The Crestvale Award'

Awarded to the Breeder of the Best Exhibit In Show

Donated by Robyn Finney in loving memory of her parents, John & Gloria Whyte of the famous Crestvale Border Collies.

John & Gloria will be forever a part of the history of the Border Collie in Australia, and their contribution to the breed in respect to their vast knowledge, generous mentorship and legacy of their breeding program must never be forgotten. It is fitting that we honour their memory in dedicating the 'Breeder of Best In Show' award in their name in recognition of the efforts of breeders. The following words are printed from the 1st Border Collie National 2006 catalogue, as we could think of no better way to share their history than to let them tell it for themselves:

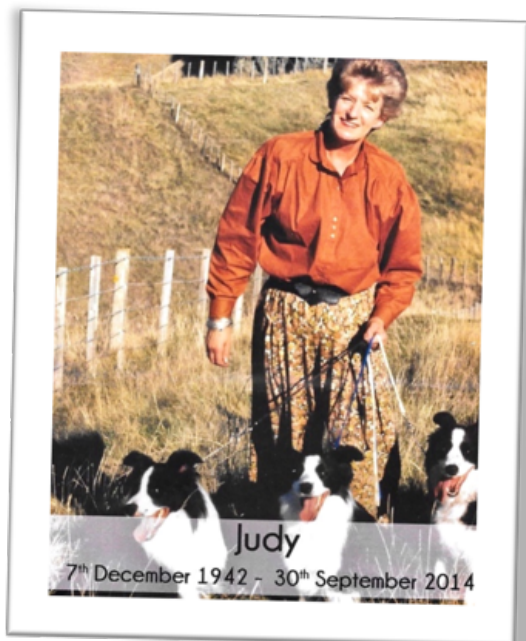

"Lastly, and best of all, we have enjoyed the great love that our Border Collies have bestowed upon us and we them, and all we can say in closing is we would have not missed the ride for the world." - Gloria Whyte

"It is forty years this year since we purchased our very first pedigreed Border Collie bitch, Glenine Lady Vikki, after falling in love with the breed with "Sailor" just after John and I were married in 1952. As Sailor was not fully Border Collie as we see today but a well-marked, intelligent, "pure bred" with just a smidgen of Cattle dog (?) we decided upon his passing in 1966 that we now wanted HIM but with a more illustrious ancestry.

"Vikki" was so beautiful although bought as a pet that we decided to give her "a litter." From this first litter we kept a male and showed him to the title of Ch. Crestvale Loch Laddie CD. Laddie was not just our beloved pet, but gained his show and obedience titles with ease and was in those days a very popular sire, and starred in two six part series on TV as well as many commercials. Vikki's second litter to a different sire produced a vivacious, small but beautifully put together bitch puppy we called Crestvale Bonnie Lass who gained her CD in obedience easily and would have gained CDX with one pass to go except for her working on the judges commands. We were told by all and sundry who came to watch her work and wonder at her next antics in the ring that "she will never gain her CDX as she is just too smart." Lad and Lass were mated together for our very first "Crestvale to Crestvale" litter and from this union we kept Crestvale Gay Gypsy. Gypsy at her first showing the day she turned three months of age won Best Baby Puppy in Show at the then ACD, K & BC Club Championship Show from an entry of 23 babies after which she was injured in a car accident and broke her hip so badly the hip knuckle had to be removed thus she was unable to be shown again.

From Gypsy we bred many Champions, and from her first litter kept "Thor" Ch. Crestvale Sono Thunder who in turn sired 23 Champions of his own and was a top and popular show dog in the 1970s winning the Royal Melbourne Show Challenge in 1978 and Best in Show ACD, K & BC Club also. Gypsy's grandson "Bailey" Ch Byrnala Rhyt Solette" was line-bred to Gypsy through his parents which were both Crestvale bred, was titled at 19 months after just six months of showing having been returned to us from his "pet home" at ten months of age and went on to Royal Melbourne Show BOB (180 entries) in 1987 followed up within the month by great wins both in Canberra and Sydney, going R/U BIS at the Border Collie Club of NSW Championship Show. Bailey also sired many well-known and top winning Champion progeny.

In all there have been over 40 Crestvale champions shown, the last shown by us is "Mitzi" Ch. Crestvale Perfect Bliss, and at ten years of age (Anzac Day 2006) still with us and giving us great pleasure in our latter years. It has been an emotional rollercoaster ride bringing us great excitement with some wonderful wins, joy, sadness with the inevitable "goodbye's, and devastation after finding CL in our bloodlines after twelve years of happy, healthy litters. We are so thankful that the genetic test has been found "in our lifetime" which will enable breeders more freedom of choice to continue the beauty, intelligence and soundness of this wonderful breed."

The 'Judy Vos Memorial' Breeders Team Challenge

Donated by the Vos family in loving memory of Judy Vos of the world-renowned Clan-Abby Border Collies.

"To the breeder of the future, look after this breed, and remember we are only lent the breed for our lifetime. WHAT WE DO WITH THE BREED is what we leave for the next generation." – Judy Vos

In 1970 Judy & Pieter moved to Clive from a Wellington flat. The property they bought had a few acres close by and Judy promised her girls a dog. She bought Beauty (Collie Rough) from Vera Sloan, Chiffon-Bell of Marcobank. Judy started Obedience training with Beauty but her eyes were caught by the Border Collie as a breed for their drive and brains. She then purchased Strathcarron Fern (foundation bitch) who soon gained her CDX title. Judy then decided to take on

showing with Cara and she became a NZ Breed Champion as well. The bug had been well and truly caught by this time and Judy soon became the owner of 2 Australian imports, one being Cheviot Joanne who was imported in whelp to Aust Ch Crestvale Sono Thunder. Joanne was to start Clan-Abby kennels on the road to success. The other import was a male Checkmate Clansman, these two producing the first of many NZ Champions. Clan-Abby's first litter was produced in 1977. The rest, they say, is history. It didn't take long until Clan-Abby was home to many more champions, and Clan-Abby Border Collies were well on their way to becoming nationally famous with many winning moments throughout NZ and Australia.

Clan-Abby's success in the show ring continued and has carried on up until recent times with Judy's astute breeding and keen eye for a dog. Other breeds were bought in such as a Whippet, Beagle, a West Highland White and a Bearded Collie for the girls, but the Border Collies had a place in the heart of all at Clan-Abby. There were many Clan-Abby dogs that won Best In Shows on both sides of the Tasman, too many to mention here but they all cemented the breed for the future. While Clan-Abby Border Collies were winning in the show ring, Judy still managed to get involved at Club level starting with Hawkes Bay Kennel Association as Secretary in 1985, later serving as Show Secretary and President. She was rewarded with Life Membership in 1994 for services to the club. She was also a Life Member of Dominion Collie Club.

In 1987 Judy obtained her Judges' licence to judge Border Collies. This took her many places throughout the world and she judged in Australia, the USA, Great Britain and in NZ. Clan-Abby exports started many overseas Border Collie kennels on the road to success and can be seen in pedigrees of many kennels throughout the world. Meanwhile in NZ, Border Collie breeders sought Clan-Abby in their pedigrees and lines such as Glen Clova, Lochburn, Kerrybrent, Holmbrook, Broadfield, Rosshire and Dajarra to name a few. Judy felt her lines needed an outcross, so Whenway Blue Mist was imported, a grand-daughter of Clan-Abby Blue Aberdoone and an outcross to Reakasso Ryan from ISDS working lines. This mating produced the first Blue Merle to be awarded the title of NZ Champion and the first merle to win a Best In Show.

Her knowledge of the breed history was unsurpassed and this knowledge was shown over the years in her own breeding programmes and was instrumental for the research in the submission into the 'fight' for recognition of the NZSDTA dogs. In recognition of her contribution to the breed, and in loving memory shortly after her passing, at the 2014 NZ National Dog Show a chair and bouquet of flowers were left ringside in Judy's memory. A true matriarch of the breed worldwide, Judy's passion and dedication will continue to be felt for generations to come.

BATTLE OF THE BREEDERS

At the first National held in 2006 and hosted by the Border Collie Club of NSW, an award to acknowledge the top breeders was held. BCCNSW decided to make this award again, with the main change to the format, is to include all disciplines in calculating the final results. The calculation uses a sliding points for places within class, with additional points for higher awards and qualifying scores. Please note that a sliding point process has been applied to the awards, the higher the award, the greater the points allocated.

Our winner is **Kerodan Kennels** with success coming from 20 dogs across 4 disciplines, congratulations Kelly Gill.

The following is the top 10 Breeders for the 5th Border Collie National.

Most Versatile Border Collie

Donated by Kristen Hughes in memory of Agile Draw CD AD JD HXAd HIAAs HSB “Piper”

Piper loved to work and would have a go at anything I asked her to do. I got her with the intention of competing in Obedience and Agility – both of which she excelled at. And then we were introduced to herding and both had a new love. Piper’s titles don’t do her justice – her career was cut short firstly by an injury to me and just as I was able to compete again, she sustained an injury that ruled agility out.

At the First Border Collie Nationals Piper was entered in Herding Started, Novice Obedience and Excellent Jumping and Agility. She came home with 3 passes (darn that 1 bar curse!) from the 4 events and placings in all 4. Over 3 days of competition she seamlessly switched from 1 discipline to the next with 100% focus and commitment.

I choose to donate this award in her memory as she was to me everything a Border Collie should be – the ultimate versatile working dog.

Words by Kristen Hughes

The award requires a dog to compete in a minimum of 3 disciplines (there is no maximum) to be eligible. Point score system allocates points to qualifying and pass scores, places won at class level and any major awards attained.

Only one score per discipline will be counted, which is the highest single score in that discipline. The 5 disciplines are Conformation, Herding, Agility/Jumping & Games, Obedience/Rally O and Dances with Dogs. Dogs needed to be nominated by 1pm on the third day of the National weekend (Saturday).

AUST CH & NEUT CH ARALUEN CANDLE IN THE WIND

Our lovely Breeze was bred by Greg and I which always makes a dog just that much more special.

She won her first All Breeds Best In Show at only 9 months of age being one of the youngest Border Collies in Australia ever to win such a prestigious award. Titled soon after she then put aside her showing to be a mother producing lovely puppies like herself. Raising our own family meant that Breeze retired from showing early and enjoyed life as a much-revered member of our family.

At 7 years of age we decided to have 1 more litter from Breeze in the hope of keeping the next generation. We chose the famous, wonderful producer, Flash from Bordalace Kennels and these two magnificent dogs produced us a wonderful litter. Almost all are champions and one has since produced another champion making her Breeze's granddaughter and continuing the tradition of beautiful, sound in temperament and body, Border Collies.

This would be enough for any breeder, but after the litter we spayed Breeze and took her to some shows for fun. Seemed like Breeze's show career was not over yet and within 6 months she became a Neuter Champion, won multiple Neuter In Shows at All Breeds and Specialty shows and culminated it all this year in becoming Dogs NSW Neuter of the Year at the prestigious event in April 2019 in Sydney. Words could not express how thrilled we were with this fantastic award especially considering Breeze was now nearly 12 years old and looking and moving like a dog half her age.

At Araluen we are so proud and honoured to have bred and owned such a wonderful Border Collie named Breeze and we thank you for the privilege of introducing her to those who have not admired her before.

Veejay was the runt of the Litter at 200grams and was hand fed for 3 weeks. Over the years he has won many Challenges, Ru/to BOB and Neuter of Breed.

He loves to swim, surf and attend the Veteran Sweepies. He also enjoys going away with his Dad on holidays. In April this year he suffered a stroke but, luckily, he got through it and has improved immensely. In November he will turn 14 and we look forward to him being in the Veterans Parade at the Nationals 2019.

AIRSCENT JP MILLION DOLLAR BABY RN CGC (IMP JAPAN)

DOB: 9 July 2006

Sire: Int Ch Aust Ch Nahrof Moonlighting

Dam: Llandenny Elvira AD ET

Tahli is from my only litter (or actually I should say lit) seeing as she was the only one born in Japan. Being a singleton and the only puppy ever to be born at the training school I was teaching at, she was instantly treated like a superstar including being allowed to race up and down the dining tables in our restaurant. Tahli was gifted enough toys from her fan club in Japan and overseas to almost be able to open her own pet shop.

While we lived in Japan Tahli also assisted me in my training on a daily basis regularly being loaned out to students to assist with their hands on learning. Tahli also trained in search work, obedience, agility and earned her CGC title.

Since coming home she has earned her rally novice title in 3 trials which included winning the ring on her final pass. She has had a fabulous time learning herding but sometimes gets a little over enthusiastic and forgets how to listen to commands. She has had one litter of 8 and raised litters for 2 more bitches a role that she was truly made for. These days she spends her time keeping the next generations under control and teaching them manners especially those pesky German Shepherds. When not doing that she is the Director of Operations from her position on the lounge. At 13 we have had many adventures together and I feel eternally blessed to be able to share my life with 2 amazing golden oldies.

DOB: 1 December 2004

When Fleet was 3 months old we packed up everything and she came with me and the rest of our 4 legged family to Japan. While there she truly became an ambassador for the breed teaching many that Borders can have an excellent off switch. She trained in agility, obedience and search and rescue which she loved and proved to have amazing skills. She also certified as a therapy dog.

Working full time as a professional dog trainer part of my job was teaching tech students studying training, grooming or vet techs. Fleet spent much of her time along with the rest of my dogs helping those students learn practical handling skills at any given time she would have a crowd of young enthusiastic students surrounding her or working with her and I could always rely on her to be her calm confident self while I was helping another group. Fleet also passed her CGC (Canine Good Citizen) test

while we were there. Fleet was shown early on during our time in Japan and earned points towards her Japanese show title but sadly due to an ever-increasing workload I didn't get to finish her title.

Since returning she has enjoyed herding and learning to hunt for truffles sadly both of those pursuits were cut short due to injuring her cruciate. These days she spends her time snoozing wherever she pleases demanding extra treats and searching for any dropped treats after Nosework classes. More than anything else Fleet has been my best friend, travel buddy and confidant for almost 15 years and for that I am forever thankful.

Sire: Grand Ch Nahrof Say No More

Dam: Aust Ch Yarrancoly Insatiable

“Mig” is a **sixth generation** Best in Show winner on a direct sire line and his inherent desire to please is evident in every aspect of his life and made him a natural for the show ring. Always a pleasure to handle, his ring successes were many and included multi Best in Show wins at All Breeds and Specialty shows including the BCC of NSW and his prestigious award of **Runner Up NSW Show Dog Of The Year** in 2013.

He adored the performance arena as well adding Jumping, Agility and Endurance titles to his name, loved promotional work and also excelled in his role as a Delta Dog at the Westmead Children’s Hospital. Our thanks to Deb Richardson for all these achievements.

His presence in the ring is certainly missed – for us he is a dog who epitomizes the versatility of this wonderful breed – but he is enjoying his retirement years with Gel and the Richardson family and we hope he continues to do so for many years.

Very proudly bred and adored by all at

Although Jackson didn’t start his show career until after he was two years old he took to it like a duck to water. A second generation Supreme champion and the Fifth Nahrof dog to gain this title, he has enjoyed great success over the years including Best in Show as well as 3rd in Show at The Adelaide Royal in 2016, along with Multi in Group / In Show class wins.

He also proved to be a valuable sire with multiple champions from his first litter.

Jackson really was a pleasure to handle in the show ring, with his initial obedience training never too far away as he would drop, sit and stand when he thought the judge was not looking.

We feel privileged that Nahrof kennels entrusted and supported us on a truly memorable journey with this fantastic Dog.

At the age of twelve it’s time for him to take things a little more easily. Although if it were up to him he would continue on, as he really does love to perform in front of a crowd!

Very proudly owned and campaigned by the Fisher Family, bred by

Thanks to the Wheatley's of Danari Border Collies, Sunny came to live with us shortly before turning two. Sunny loves showing and earned her Championship title easily winning multi Runner Up In Groups awards and an In Show Award. Along the way she raised three quality litters of puppies. At seven days short of her 10th birthday, Sunny began her Neuter career. Within twelve months Sunny had achieved her Neuter Championship title, winning a swag of Neuter In Group and Runner Up NIG sashes along the way. Some highlights included Neuter In Show both All Breeds and Semi Specialties and Runner Up Neuter In Show All Breeds. Sunny is represented in this show by four children and numerous grandchildren, many with their conformation championships and obedience/rally awards. Her breed legacy extends Nationwide and Worldwide through her son Rex. Although Sunny still loves showing

this will be her swan song event as she is happy to play with her granddaughter and relax at home. We are grateful to have had Sunny in our lives as a companion and breed ambassador.....Sunny in name and Sunny by nature.

Our wonderful Corey has absolutely excelled in many roles, proving a truly wonderful companion, performance dog and therapy partner in my psychological practice.

She completed her early titles capably but stepped up a level in Open, regularly scoring in the 190's and winning a number of Best in Trial awards.

Corey's Rally-Obedience achievements have been remarkable. She won Rally O Winner of Winners at the 2014 Border Collie Nationals. She subsequently won multiple classes at the Victorian State Rally-O Trials in 2014, 2015 and 2016 and has competed in the State Top Rally Obedience Dog final every year since its inception. To my delight, Corey won the final in 2018 and came second in 2019.

Motivationally trained, at 11 years of age Corey continues to adore training and trialling. She always gives 100% and is a complete joy to work with. A seventh generation Lindenbrae grrrl, Corey represents the very best of our lines: bright, engaged and fun-loving with a fantastic work ethic.

Spark is the sweetest, happiest, smartest little dog, who had delightful engagement with me from the outset. Her very promising agility career was cut short due to an accident, but she crossed over to obedience with aplomb, gaining passes in CCD within weeks of commencing formal obedience training. She won five out of five of her Novice classes, completing her Title at a double trial, going Best in Trial in both the morning and afternoon with successive scores of 195. Spark went on to gain her Open title within weeks of her mum and sister, Cady and Corey. Spark's Rally-O career was also characterised by accurate, enthusiastic work with consistently high scores.

Now nearly thirteen, she continues to engage fully in life and is a great companion to all of us at Lindenbrae.
