

# The Border Collie Club of NSW Inc

*Bill Spilstead Complex, Luddenham Road, Orchard Hills NSW*

**Saturday 8th April 2017**

**Conformation Judge: Janice Baldwin (NSW)**

We were very fortunate that we had a lovely sunny day for our show/trials and we thank all those that donated for either sashes or trophies. We also ran a raffle and again we thank Ross Vine for purchasing tickets and guess what, he won the raffle again.

Thank you to our judge, Janice Baldwin from Yarrancoly Kennels and the steward Chris, not sure of his last name, I hear he could be helping again in October.

## Baby Puppy Dog

### Best Opposite Baby Puppy In Show

#### 1<sup>st</sup> SYRYNE REIGN OF THE DRAGON

Masculine puppy, strong and balanced for his age. Oval eye with intelligent expression, overall good pigmentation however a small amount missing on lips. Good length of neck, firm topline and gentle slope of croup. Fore and hindquarter angles good. Forelegs straight, chest and spring of rib ideal for his age. Sound out and back, topline level, strong and balanced on the move.

#### 2<sup>nd</sup> KERENSA ICEBREAKER (AI)

Another lovely puppy, presenting a smooth outline. Pleasing head, dark eye. Good reach of neck, well angulated forequarters. Hindquarters well angulated and let down, feet sound. Good reach and drive on the move but just lacking the muscle and strength of my first placed dog at this stage.

#### 3<sup>rd</sup> TIMMALLY KNIGHT BFOR CHRISTMAS

Although the youngest in this class a substantial puppy with strong head. Would prefer more length of neck, adequate fore and hindquarter angulation. Chest and spring of rib good for his age. Just going through a growth stage and lacking the maturity of the other two babies on the day.

## Minor Puppy Dog

### Best Minor Puppy In Show

#### 1<sup>st</sup> TEHYA BLAIZE O DESTINY (AI)

Good breed type, size, bone and coat ideal for his age. Correct eye shape and expression. Good length of neck, well angulated fore and hindquarters. Forelegs straight, feet sound. Firm topline, croup sloping gently to a low set tail. Free on the move with good reach and drive however a little close behind when moving away.

#### 2<sup>nd</sup> NEECABE SOUTH FORK

Another puppy of very good breed type. Head proportions correct with broad flat skull, good ear placement, eye and expression. Well boned forelegs, turning out slightly at pasterns. Adequate length of neck, good fore and hindquarter angulation. A little long in loin however good slope of croup and tail set. Moved out well but just not as strong and balanced as my first placed dog.

### **3rd IONABORDA CHASE AFTA UR DREAMS**

Masculine boy with a correct although mature coat for his age. Good pigment, straight forelegs and sound feet. Short in neck and a little steep in shoulder. Broad hindquarters, correct length of tail, weak in hock at this stage. Not as balanced on the move and lacking reach and drive.

## **Puppy Dog**

### **Best Puppy In Show**

#### **1<sup>st</sup> GLENBALA KEEP ME FROM HARM**

Good breed type, well matured, presenting a smooth outline and in good coat for his age. A little round in skull, good pigment. Lovely reach of neck and well laid back shoulders. Straight forelegs and sound feet, chest and spring of rib ideal for his age. Good length of back, gently sloping croup and good tail set. Let down well into hock and short strong rear pasterns. Just a little worried at first but once settled he moved with stealth, good reach and drive, as I would expect for such a balanced puppy.

#### **2nd BORDALACE RIDER OF THE STORM**

Another puppy of very good breed type. Correct head with oval, dark eye. Good reach of neck, well angulated fore and hindquarters. Forelegs well boned, feet sound. Firm topline to good set on of tail. Would prefer a shorter rear pastern. This boy moved out well, good reach and drive but just lacked the strength on his out and back as my first place.

## **Junior Dog**

### **Best Opposite Junior In Show**

#### **1<sup>st</sup> BORDAJOY FOOL IN LOVE**

Moderate dog, balanced and of good breed type. Length of neck adequate also fore and hindquarter angulation. Forelegs straight, strong rear pasterns. Balanced on the move and sound out and back. Presented in good coat for his age.

#### **2nd TRUCHARM LIFE ON MARS**

Tall dog for his age, head just not in balance with his overall size at the moment. Good pigment, dark, oval eye. Would like more length of neck and forequarter angulation. Straight forelegs and sound feet. A little long in loin. Well let down into hock. Moved around freely but not the reach and balance of my first placed dog.

## Intermediate Dog

### Best Opposite Intermediate In Show

#### 1<sup>st</sup> BORDALACE JUSTALKIN BOUT MONEY

Moderate, balanced dog of good breed type. Correct head with good pigment and oval eye. Length of neck adequate also fore and hindquarter angulation. Forelegs straight. Firm topline through to gentle slope of croup, good tail set and broad hindquarters. Efficient and balanced on the move.

#### 2<sup>nd</sup> CODEBONNIE EYECATCHER

Masculine dog with strong head. Oval eye with mild, alert expression, heavy ears. Adequate reach of neck, would prefer more forequarter angulation. Firm topline, good croup, tail set and hindquarter angulation. Forelegs well boned. Both front and rear pasterns turning out slightly. He held a level topline on the move just lacked the reach and balance of my class winner.

## Australian Bred Dog

### Best Australian Bred In Show

#### 1<sup>st</sup> CH ALLCLARITY DIAMOND BROKER (AI)

Balanced, moderate dog of very good breed type. Strong head, good pigment and oval eye. Good reach of neck and well angulated fore and hindquarters. Well sprung ribs and moderately broad chest. Well boned, straight forelegs, good sound feet. Hindquarters broad, good croup and tail set. Stealth and efficient on the move, good reach and drive, topline level correct head and tail carriage. A little close behind when moving away. Very well presented.

#### 2<sup>nd</sup> SUP SH SYRYNE SOLAR ECLIPSE HT

Another beautifully presented dog of very good breed type and correct coat. Masculine head, correct oval eye and intelligent expression. Overall good pigmentation however a small amount missing on lips. Forelegs straight, feet strong and sound. Reach of neck good and well angled fore and hindquarters. A touch long in loin and would like a little more slope of croup. Strong rear pasterns. This boy also moved around the ring freely and efficiently.

#### 3<sup>rd</sup> QELTYNN ACE OF HEARTS

Masculine dog, well boned. Skull rounded and ears heavy, good pigmentation. Feet sound. Adequate neck, would prefer more forequarter angulation. Good spring of rib, firm topline. A little steep in croup and could be let down better into his hock. Presented well and in good correct coat.

## Open Dog

### Best Opposite Open In Show

#### 1<sup>st</sup> SUP CH TEHYA DESTINY ALL TOLD

Masculine, substantial dog of balanced proportions and good breed type. Strong head, oval eye and alert intelligent expression. Strong muscular neck with good reach, completing a picture of overall balance. Well angulated fore and hindquarters. Well sprung ribs and moderately broad chest. Well boned, straight forelegs, good sound feet. Hindquarters broad, correct croup and tail set. Gave 100% on the move, stealth, good reach and drive, topline level correct head and tail carriage. A little close behind when moving away. Beautifully presented in superb correct coat.

#### 2<sup>nd</sup> CH KELLAGEM SHOW ME THE MONEY

Again, another dog of great breed type, beautiful outline and proportions. Masculine head, balanced, broad flat skull, good eye shape and colour. Good length of neck onto well angulated forequarters. Firm topline, graceful slope of croup on to good set on of tail. Hindquarters broad, well angled and let down into hock, rear pasterns short and strong. Forelegs well boned and straight, feet sound. Moderately broad forechest and good spring of rib. Correct coat. A very sound dog on the move, good head and tail carriage, firm topline, true out and back. On the day he just didn't perform as well as my first placed dog on the move.

#### 3<sup>rd</sup> CH TULLAVIEW TAKE YOUR MARK

Masculine dog of good substance, size and breed type. Broad flat skull, well pigmented with oval eye and correct expression, would prefer a little more fill under the eye. Strong neck of good length, topline firm. Forequarter angulation good, moderately broad forechest, forelegs well boned and strong, sound feet. Well angled hindquarters, would prefer a shorter rear pastern. Moved freely and smoothly with a level topline and good head and tail carriage just not the reach of my first and second placed dogs. Well presented in correct coat.

## Baby Puppy Bitch

### Best Baby Puppy In Show

#### 1<sup>st</sup> KERENSA ENCORE (AI)

Maturing nicely, good size, well proportioned and lovely outline for her age. Feminine head with dark eye, lacking some pigment on the lips. Very good reach of neck, well laid back shoulder. Good spring of rib, forelegs straight and well bone, feet sound. Ideal slope on croup. Well angulated fore and hindquarters. Moved with purpose, smooth, balanced and firm topline.

#### 2<sup>nd</sup> SYRYNE FIRE OF THE DRAGON

Another lovely puppy, well matured and balanced. Dark, oval eye, good pigment. Adequate length of neck. Fore and hindquarter angles good. Forelegs straight and well boned. Good spring of rib and firm topline. Sound out and back, balanced on the move just not the reach of my first placed baby.

#### 3<sup>rd</sup> TIMMALLY CHRISTMAS CRACKER

Baby of good size and substance for her age. Feminine head and dark eye. Would prefer more reach of neck, moderately angled fore and hindquarters. Well boned straight forelegs and

sound feet. As this puppy is in a growth stage, as you would expect she is just not as balanced overall as the other more mature puppies at this time.

## Minor Puppy Bitch

### Best Opposite Minor Puppy In Show

#### 1<sup>st</sup> GLENBALA KEPT IN HARMONY

Quality puppy of good breed type and proportions. Balance skull, dark eye and alert expression. Ideal reach of neck onto a well laid back shoulder. Topline firm and good slope of croup and tail set. Forelegs straight and well boned, feet sound and good spring of rib. Well angulated fore and hindquarters. Very balanced and sound on the move with good reach and drive. Presented in good coat for her age.

#### 2<sup>nd</sup> QELTYNN STARTED WITH A WHISPER

Feminine puppy of good size. Well pigmented, dark eye and intelligent expression. Adequate length of neck, would prefer a better lay back of shoulder. Forelegs straight and strong sound feet. Topline firm, good slope of croup, tail set and hindquarter angulation. Moved around the ring freely and smoothly with a level topline. Close behind going away at this stage.

## Puppy Bitch

### Best Opposite Puppy In Show

#### 1<sup>st</sup> BORDALACE WIND INTN WILLOWS

Good breed type and proportions. Broad flat skull, oval dark eye a small amount of pigment missing from the nose. Good length of neck set onto well angled forequarters. Forelegs well boned and good spring of rib. A little steep in croup, hindquarters broad and well angled. Balanced and free on the move. In good correct coat for her age.

## Junior Bitch

### Best Junior In Show

#### 1<sup>st</sup> CH ALLCLARITY LETS JAZZ IT UP (AI)

Lovely bitch of excellent breed type, good proportions, substance and presenting a smooth outline. Correct head with good expression, eye shape and colour. Good reach of neck, well laid back shoulder, well angled fore and hindquarters. Moderately broad forechest and good spring of rib. Straight well boned forelegs with sound feet. Croup sloping gently good to tail set. Hindquarters broad and muscular, rear pasterns strong. A very sound bitch who moved with stealth and purpose, head

No Photo Available

and tail carriage correct and level topline. True out and back.

## **2<sup>nd</sup> TEHYA SCANDAL ON THE COVER**

Feminine girl, sound and of good type. Balanced head with oval dark eye with kind, intelligent expression, lacking some pigment on the lips. Neck strong and of good length, fore and hindquarters well angulated. Straight well boned forelegs and good spring of rib. Firm topline, good croup and tail set, broad hindquarters. Balanced and smooth on the move with good reach and drive. In good coat for her age.

## **3<sup>rd</sup> DANARI DUCHESS STEFFI**

Another sound bitch of good breed type. Good pigmentation, eye shape and colour however her head is not balanced at this stage. Good length of neck and firm topline. Would prefer a little more forequarter angulation, forelegs straight and feet strong and sound. Good croup and tail set, well turned stifles and strong rear pasterns. Sound out and back and covered the ground well on the move. Just lacking the overall maturity of my first and second placed bitches.

## **Intermediate Bitch**

### **Best Intermediate In Show**

## **1<sup>st</sup> CH TRUCHARM STATE OF AFFAIRS**

Bitch of good size, type and proportions. Feminine head just lacking the strength to complete the overall balance. Good reach of neck onto well angulated forequarters, straight well boned forelegs, feet not ideal. Good depth of chest and spring of rib. Topline firm to graceful slope of croup, well turned stifles and broad hindquarters. Covered the ground well, freely with a minimum of lift, just a little close behind going away.

## **2<sup>nd</sup> TEHYA SHOW ME THE LUV**

Sound girl of good breed type. Pleasing head with oval eye kind, expression and good pigment. Good length of neck and forequarter angles. Well boned forelegs, sound feet. Would prefer more width of forechest, good spring of rib. A touch long in loin, good croup and tail set, hindquarters broad and well angled. Balanced and smooth, with good reach and drive just lost her topline a little on the move. Correct coat.

## **3<sup>rd</sup> BORDALACE DIAMONDS R FOREVER**

Bitch of good size, substance and type. Strong balanced head with good pigment, keen alert expression. Adequate neck and good forequarter angulation. Straight well boned forelegs, moderately broad chest and well sprung ribs. Would prefer more slope of croup and turn of stifle.

On the move lacking in hindquarter drive and close behind going away. Nicely presented.

## Australian Bred Bitch

### Best Opposite Australian Bred In Show

#### 1<sup>st</sup> CH KHAYOZ INFINITY N BEYOND

Bitch of very good breed type, substance and proportions. Pleasing head with broad flat skull and intelligent expression. Good reach of neck, topline firm through to gentle slope of croup. Forequarters well angulated, forelegs well boned and sound feet. Chest moderately broad and ribs well sprung. Hindquarters broad and muscular, well turned stifles, would prefer rear pasterns a touch shorter. Balanced, efficient and sound on the move. Correct coat and very well presented.

#### 2<sup>nd</sup> QUINORA SCANDALOUS AFFAIR (AI)

Moderate bitch of good type. Feminine head of good proportions, oval eye and good pigment. Ideally I would like a little more reach of neck, topline firm, nice slope on croup, carrying a little extra weight. Good forequarter angulation, straight well boned forelegs and sound feet. Moderately broad forechest. Hindquarters well angled and let down into hock. Moved freely and smoothly just a little close going away. A well presented correct coat.

#### 3<sup>rd</sup> SUP CH SYRYNE BURNING EMBERS HT

Another quality bitch just coming back into coat. Pleasing head, good pigment, mild intelligent expression. Good reach of neck and firm topline. Would prefer a little more forequarter angle to balance her well angulated hind. Good depth of chest and spring of ribs. Forelegs straight and well boned, feet strong and sound. Covered the ground well and moved with purpose, just a little close behind going away.

## Open Bitch

### Best Open In Show

#### 1<sup>st</sup> CH TULLACREST CALL ME MAYBE

Beautifully balanced bitch of excellent breed type. Good proportions and substance, presenting a smooth outline. Feminine head with good expression, dark eye, intelligent, alert expression. Large ears which did detract slightly from the overall balance of the head. Good reach of neck onto well laid shoulders, forechest moderately broad and well sprung ribs. Well boned forelegs with sound, strong feet. Firm topline sloping

gracefully to set on of tail. Broad hindquarters, well let down into hock, strong rear pasterns. This lovely sound bitch did not disappoint on the move, she used all that she had and then some, moving smoothly with purpose, stealth and economy. Great reach and drive with a minimum lift of feet, head and tail carriage correct and level topline. True out and back. Superbly handled and presented.

**2<sup>nd</sup> CH TEHYA DESTINY CALLS**

Substantial bitch of good breed type. Pleasing head with good eye shape and colour just lacking fill under the eye. Strong muscular neck of adequate length, would prefer a better lay of shoulder. Well boned forelegs, upright in pasterns and feet not ideal. Moderately broad forechest and good spring of rib. Firm topline to good slope of croup and tail set. Broad, well angulated hindquarters. Moved out soundly and freely with level topline, good head and tail carriage. Presented well in correct coat.

**3<sup>rd</sup> QUELTYNN GETYA GAME FACE ON**

Attractive feminine bitch of good breed type and substance. Correct head with oval eye and intelligent expression. Neck strong and of good length, firm topline. Well angulated forequarters, good forechest and spring of rib. Forelegs straight, feet sound. Would prefer more turn of stifle and a shorter rear pastern. Just lacking the overall balance on the move as my first and second placed bitches. Very nicely presented.
