# President's Report

Hi Members,

Merry Christmas and happy new year to our members hope the new year brings you all you desire . We need to feel lucky that we have not been effected by the dreadful fires that are burning around the country. For those that are close keep safe and take no chances . The weather is heating up and has been much hotter than in previous years, please ensure your four legged kids have plenty of shade and water.

We have just had our major shows so congratulations to the winners we had a great entry to say we don't have any miniatures at our show but Australia wide the entries are getting less and less with many of the older breeders leaving the breed, it appears that not many are taking their place which is very sad . A very big thank you to our helpers on the day, your help was very much appreciated and you know who you are, thank you.

While we have so many people on our face book page we still have a small membership if you can think of anyway we can encourage people to join let us know.

We had three committee members leave the committee for various reasons and while we could fill a spot there are still some vacancies if anyone is interested, It becomes harder and harder to give our members what we want when we have limited committee members who have families and work as you know this job is voluntary.

Now that the new year has begun we have to think well ahead for the functions that we will have this year we have one major show in May and then again in Nov that we have to arrange and we will then have to organise some other club events we will keep you informed of the dates.

This year is an exciting year for The Bull Terrier Club of Victoria as its our 45th anniversary, which is hard to believe that myself and a few others have been around for most of those years. We will be having celebrations in May in which we hope that Life members can come as well as current members and exhibitors over that weekend. We will be having Bully Trivia as which im sure will suit the older folk, we will be holding a dinner and even some music, so we are hoping that many of you can come and have a great night and help celebrate with much reminiscing and laughs as well as much literature and photos that will be shared on the night., we may even have a cake.

I would like to thank Jacquie ,Sherri and David for their help over the years we will miss your input and help, the work that you did was greatly appreciated by all and we wish you well.

Touching on hereditary diseases we have had a few member/breeders asking about heart dopplers, we have organised Richard Woolley at our May shows to perform doppler testing, we hope all members/breeders can take advantage of this service at a much cheaper price, our club can encourage testing but its up to each and every individual breeder to make this happen for the future of our breed and so breeders can breed healthy puppies with knowledge, we are also hoping Dr Woolley can be speaking at our dinner in May.

This will be our last newsletter until our may shows, I will see you all in May and im looking forward to the celebrations of our anniversary.

*Alison Sutcliffe*

## Secretaries Report

Hello Members,

Despite my intentions not to re-stand as Secretary for the club this year, unfortunately there were few attendees at the AGM interested in filling vacancies. I would like to pass on my appreciation to those who stayed after the shows to attend the AGM so we had a quorum. With no one to fulfil the role if I stepped down, I made the decision to continue in the role, but with my extensive work and family commitments this won't be an easy year for me.

When I started on committee in my early twenties, I was enthusiastic, had heaps of time and energy, I loved doing the Pet Expos and was at every walk and show. These days I am struggling just to get through the emails.

Prior to our show we lost of a number of key members who were picking up a lot of our social events such as Expos and Bully Walks and Promotional work, thank goodness we had some great helpers on the day or we couldn't have pulled it off. Please if you love our walks and want them to continue, we need your help. The committee that is left have their hands full but hopefully we can continue the walks, we will certainly try. It would be great if we had a few people who could be relied upon to cook BBQ's or help out. We could happily create a sub-committee for these things. It is vital we cater for our breeder members but we also need to cater for those that have an interest in the breed as these are the people who might buy a pedigree bull terrier, who might decide to show one day and who might become a breeder in the future. If we don't cater for those people our breeders will continue to decline in numbers.

Our recent show weekend was amazing and to be honest I think personally that having a super event and getting the shows over and done with in one weekend was great, it certainly made entering worthwhile as shown by the great entry. I was especially proud of our club's trophy table! Never a dull moment, I had a litter born just four days prior and lucky I had my mum to come and puppy sit for the weekend or I would have been buggered! In fact Puppy Sitting has been a godsend for me to do my last few litters. When you don't work near home and can't get more than a few weeks off it is impossible without enlisting breeder friends and sitters to get me through!

Recently there has been a lot of talk regarding heart problems in the breed. It is good to see that more breeders have been trying to address this by getting their stock Doppler tested. It is my intention this year to try and organise heart testing days that coincide with our shows. As a breed club, we should be doing what we can to encourage cheaper testing for our breeder members at convenient locations. After all, our aim is to reduce the incidence of hereditary disease in our breed but how can we do that if we don't take part in the testing options available to us and keep our heads in the sand.

*Cheers Deb*

# Treasurers Report

Happy new year to all bull terrier enthusiasts, I trust you have a good Christmas and new year and a BIG Birthday to our club, 45 years for The Bull Terrier Club of Victoria.

Our club has just come off the back of a very big and busy weekend in November with our two Championship shows, Specialty show and Open show over two days. This weekend was greatly supported by both local and interstate exhibitors along with some new faces to our show scene, which is great, congratulations to our winners and all exhibitors on a great weekend.

We had on offer some absolutely beautiful trophies this year and we were very lucky to secure some major sponsors as well as your donations for the sashes and trophies, which I must stress is required for all clubs to be able to offer great prizes as we see less and less entries as the years go by.

Along with our trophy and sash sponsors I would also like to make special mention to Neil and Kay McCracken and Powerpaws Art for the extremely generous donation of our beautiful hand painted and carved wooden Trophies, we thank you very much.

We would also like to thank Penny Prott for her beautiful painted trays, all hand painted originals, you will never get another the same, all had a Melbourne theme and im sure those that were lucky to take these home enjoy them.

We would also like to thank Blackhawk for their generous donations of dry dog food, their continued support is Invaluable.

A special thank you also to Tony for conducting our auction both days over the lunch break, we have many beautiful items at auction including many overseas articles that both Theresa and John Spuur donated.

As previously mentioned we had a great entry and thank everybody both exhibitors and spectators for coming and hope that you all enjoyed yourselves, the comradery amongst everybody was great with many people helping out our short staffed

Committee, a few people we would like to thank are, Diane McKane, Diane work both days on the BBQ serving food and Manned our promotional table, again we thank you along with Sarah and Con for helping Diane out when she needed it.

Thank you to Shane Humphrey for being our photographer over the weekend, this enabled Debbie to fulfil other duties.

Thank you to Lucy for selling our raffles tickets, helping on the promo and bbq tables when required and also a thank you to Matt Stewart for helping with heavy lifting and packing up, Matt is a interstate exhibitor and his help was greatly appreciated.

I personally would like to also thank Lucy, Tamara and John for helping with my dogs over the weekend, grooming and showing, both Lucy and John are new to the ring they both did a awesome job and apparently im sacked !! Its important that we committee still have dogs at shows as the numbers become extremely limited if they are not there and everybody knows how hard it is to work on a committee on show day and show dogs, so thank you to these people.

Financially our club provided four shows with four lots of expenses and came out well ahead thanks to our sponsors of our shows, its really important that people get behind clubs and if you can sponsor a ribbon, sash or trophy, it makes all the difference to be able to keep bringing out overseas judges and having great trophies and sashes for you to take home.

Attached in the newsletter are the May show schedules & sponsorship form, this year we are hosting a dinner and hope to see everybody there, also this May we hope our members and exhibitors take advantage of our organized heart specialist

Dr Richard Woolley to perform private dopplers of your dogs heart at a much less than half the price if you were to attend a clinic, numbers will be limited so its important if you want to take advantage of this service that you make a booking with just your name and how many dogs you want to get done by Calling Chrissy on 0408900388.

Our major raffle was drawn in November and the winner was John Williamson, Congratulations John.

See you all soon at our birthday party where we will be having bully trivia, music and food, byo drinks.

Chrissy Cook.

3. **Notification only:** Acknowledgement from NBTC(A) secretary regarding error in judgement when issuing ROM cards to Mr Tony Johnson via an exhibitor and that procedures and rules 3c, d and e will be adhered to in future.
4. **Notification only:** Notice from ANKC that next National Breed Council Meeting will be held 27<sup>th</sup> July 2019, 10am at Bulla. Agenda items to be submitted by 3 June 2019.
5. **Nominations for President and Secretary** for NBTC(A). Chris Cook nominates Sharelle Humphrey as President of NBTC(A), seconded by Shane Humphrey.  
  
Vote held. In favour – 8, Abstain – 4.  
Nomination passes.  
  
No nominations for secretary.
6. **Motion from ACTBTC 8<sup>th</sup> October** regarding change to NBTC rule 3.1.2 "Is a financial member of the proposing club"

Paragraph 3.1.2 of NBTC(A) Constitution currently states: "To accept appointments of Office Bearers and/or Delegates by their Affiliated Clubs providing said Office Bearers and/or Delegates are restricted to persons who are and shall remain, during their term in office, financial members of the ANKC Member Body in the State or Territory of their residence. All Office Bearers and/or Delegates must be and must remain during their term of office, members of a Club that is affiliated with the NBTC(A) and reside in the State or Territory in which the club is affiliated. "

The ACT Bull Terrier Club would like to propose Paragraph 3.1.2 be changed to:

To accept an appointment as an Office Bearer or

Delegate, persons must be financial members of the ANKC body in the State or Territory of their residence and a member of an NBTC(A) affiliated Club and remain so during their term of office.

Rationale:

The current Paragraph 3.1.2 is badly worded, verbose and is open to misinterpretation. Simplification is required to enable the President, Secretary and Delegates to be elected. In fact, Paragraph 7.3 of the Constitution already states "The President and Secretary must be a member of one of the member clubs and of their respective State or territory controlling body." The election of the President and Secretary is by the member Clubs and the election/appointment of a Club Delegate is at the Club level. Due to many reasons, people are not members of clubs in their own State/Territory but choose to be a member of a Club in another State/Territory. The Nomination Form should be adjusted accordingly.

Vote held: In favour – 0

Against – 12

7. **Notification only:** Part two of ACTBTC email concerning statement on Executive nomination form "Is not a NBTC(A) delegate"

As per paragraph 7.3 of the NBTC(A) Constitution "The President and Secretary must be a member of one of the member clubs and of their respective State or territory controlling body and shall not be a club delegate. "

This paragraph applies to the executive AFTER they have been elected it does not apply to a nominee. This statement should be removed from the form."

NBTCA correspondence dated 9<sup>th</sup> October, noted and form amended.

8. NBTC(A) Delegate nomination for Bull Terrier Club Victoria Inc.

Jen Woodsell nominates Alison Sutcliffe, seconded by Jacqui Smith.

In favour – 9

Abstain – 3

Motion passes.

## Bernadette Marshall

I would like to thank the Members and Committee of the BTCV for the opportunity to judge the recent Championship Show. It certainly was a honour to judge my Club's show to which I have been a member for over 25 years. Thank you to Penny Prott for painting the fantastic judges' gift.

The classes were very tough as they consisted of quality animals particularly in the older ages.

### **Baby Puppy Dog:**

#### **1. R Sharp - KAHA BIG BUCKS (AI)**

5 month old white dog with correct mouth. He has a well filled egg shaped head, correct ear placement, nice length of neck and straight front, correct tail set. He moved well.

#### **2. M&M DOWALL - JACAMR RAGING BULL**

Just 3 months old on the day this lovely red and white smut dog has a lovely well filled head that has a gently arch to the profile. He has good depth of forechest with his forelegs consisting of straight round bone. He is short in back and will be one to watch in the future.

#### **3. J&B McGowan - BANKABULL BOBBY MCGEE**

A white male with two brindle eye patches. Correct mouth, nice egg shaped head. He moved well coming and going.

### **Minor Puppy Dog**

#### **1. Bullpatchy Kennels - BULLPATCHY HUGO BOSS**

A white dog with a brindle eye patch. He has a straight front and good depth of prosternum. He is short in back with a good tail set.

#### **2. Bullpatchy Kennels - BULLPATCHY CHRISTIAN DIOR**

A black brindle and white dog with a pleasant head. Not as good as number 1. His ears are set on top of his head, and he has small triangular eyes and good expression. He is a little long in back.

### **Puppy Dog**

#### **1. J&B McGowan – BANKABULL ONE OF THE BOYS**

11 month old tri colour dog with good substance. He has a beautiful well filled egg shaped head and correct mouth. Small triangular eyes and ears erect lead to a keen expression. He is a little weak in the hindquarters which may develop more with maturity.

### **Junior Dog**

#### **1. T Yeoh - YANDOMIR LARRIKIN LEVI**

### Mrs Theresa Spuur

It was truly a pleasure to be invited by the Bull Terrier Club of Victoria to judge their November 2019 Championship Show. The grounds were very good for the dogs and people and the BTCV made sure me, John, and my sister and her husband were well cared for. We really appreciate it. I enjoyed perusing the club library and wrote down a couple of titles to look for at home.

I was most impressed with the entry both in quantity and quality. I can honestly say that there was not a single exhibit that was not worthy of being an entrant. The dogs were well groomed and handled and I sincerely appreciate all of the breeders, owners and exhibitors' hard work to make my judging experience so pleasurable. I was also impressed with the temperaments of the animals, so again my thanks for bringing me such good animals. Also thank you to the exhibitors trying out the show ring for the first time. I hope they enjoyed their experience.

I apologize in advance for my mundane critiques. I attempt to record attributes in the same way for all of my entries; the downside of trying to be consistent is that there tends to be a lot of the same language from entrant to entrant. I did my best so set my CCs and RCCs from the remainder of the entry.

Finally, every day we think of all of Australia and the horrible trouble with the fires. I pray each of you, your families, your pets and your communities are safe.

1ST BULLPATCHY KNLS' **BULLPATCHY SUPER SUPERLATIVE** S:BULLROY MY BUDDY RIPPER 20-Oct-17 D:BULLPATCHY MISS MOLLY Heavy boned black brindle dog. Good expression with erect ears. Level bite. He has plenty of forechest and a shorter than average back, with an arch over his loin, in spite of his bone. This masculine boy moved straight coming in and parallel going away. This feature, along with his good expression, left him standing first today. Best Intermediate.

2ND SCHOFIELD'S **HARRICK REMARKABLE ADAM** AI S:CH EMRED DEVILS TRI STAR UK 24-Jun-17 D:STARDOM HONEYSUCKLE AI White boy with tri-color headmarkings. Correct bite. Moved straight coming in and converged to center going away. While he is a nice package, he did not have the head strength of the class winner.

3RD LACHMUND & HARMON'S **BALGAY SUNRISE SID S:SEMAON TEQUILA SUNRISE** 22-Feb-17 D: CH SHIRVAN QUEEN OF THE BLUES White boy with red right ear. Level bite. He has a decent amount of bone. His strengths are his forechest and rear construction, which includes a tailset that is correct and is nice and thick at the base. He moved straight coming in and a bit narrowly going away.

**AUSTRALIAN BRED DOG** 1ST SCHOFIELD'S **BLUEREAPER GOD OF THUNDER** S:STARDOM EYE SPY AI 3-Feb-18 D:LITTCOVE GIRL CARE FREE Black brindle dog with a long head and gentle profile. Bite just off. He has a good length of neck. He moved straight coming in and just slightly converged to center going away. What set him apart today was his overall bodylines; he has a good topline, a pleasing arch over his loin and nice tuck up, making him appear strong and agile. Australian Bred Best of Opposite.

2ND HANSEN'S **BRAXSTAR CRUISIN FOR A BRUISIN** (ai) S:CH CREDEM AVENGER ATBRASSHEAD (AI) 23-Dec-17 D::BRAXSTAR ONE SWEET DAY White dog with a lot of underjaw and correct dentition. This boy has good heavy bone, and moved best coming in. He also has plenty of forechest. He carried a bit too much weight today, and that was reflected in his neck and topline.

3RD SUTCLIFFE'S **SEMAJON DEVILS ROAD** S:JACAMAR FURY ROAD 25-Jul-18 D:BALGAY DEVILS EYE Another white dog with a well packed head. Reverse scissors bite. He tended to converge to center when moving. I particularly liked this boy's expression and forechest.

### OPEN DOG

1ST WISEMAN'S **BULLROARUS BOBBY DAZZLER** S:MELIOW SILHOUETTE FROM MEGAVILLE 26-Feb-18 D:BULLROARUS BARBIE DOLL Black brindle dog with a long, well filled head. His excellent ear placement contributes to his good expression. He has a long arching neck, good forechest and solid, round bone. He has a tremendous amount of leg under him, and another of his great attributes is that he moves out freely with reach and drive. He has a pleasing topline, a proper tailset and a good bend of stifle. In spite of his size, he still demonstrates plenty of breed type without coarseness. To be fair, I would like to see him in a year when he is fully mature. This gentleman makes a statement when he steps in the ring. Challenge Certificate, Best Open and Best of Breed.

2ND DOWALL'S **JACAMAR FURY ROAD** (AI) S:JACAMAR THE HURRICANE 19-Jan-16 D:JACAMAR RUBY ROSE Well conditioned, mature, masculine red dog with a filled head with a gentle profile. Correct bite. ### AUSTRALIAN BRED BITCH

1ST WISEMAN'S **BULROARUS WHITE RUSSIAN** S:ROCKY TOP'S SUNDANCE KID 29-Dec-17 D:BRIMINIE MISSMUCK Here's a well balanced white bitch that is all showgirl. She has it all going for her; beautiful but unexaggerated head with a varminty expression. Correct dentition. Long arching neck leading to a well laid back shoulder and broad forechest. Her topline leads to a small arch over her loin and well set on tail. She moved with drive and purpose both coming and going and held her topline on the move. She was well-conditioned, which just added to her cause. Best Australian Bred. Today she was my Reserve Challenge Certificate, but could have easily traded places with the winner. Tough choice, which is a good problem to have.

### OPEN BITCH

1ST HANSEN'S **BRAXSTAR BATCHELOR GIRL** S:EVILDOUER TOUR OV DUTY 23-Jan-16 D:BRAXSTAR FAT BOTTOM GIRL This mature brindle and white girl is the maximum dog in the minimum space. Broad white blaze helps to accentuate her long profile and overall substantial head fill; her head is truly egg shaped. Roman finish. Strong underjaw; incisors just off. She has a great broad forechest, and a nicely placed shoulder. Her back is short, especially for a bitch. While her tail is carried higher than I'd like, its placement is not too high. Well angulated rear. She moves with athleticism and is parallel from all directions. To aid her case, her coat is sparkling and she shows herself off well. This whole package made her my Challenge Certificate today, Open Best of Opposite and Reserve Best in Show.

2ND GRIFFITH'S **CH EXCELSIS ELECTRA** S:CH BODALLA DRAGONS BREATH 28-Jun-16 D:CH IVASHA HYPNOTIC POISON Red girl with pretty little headpiece. Correct bite. Good forechest and layback of shoulder. She ever so slightly converged to center coming in, but was a little more narrow going away.

## Aust Ch Barglam Nero of Hollyfir (Imp UK) - BEN

by Morrie Smith

'Ben' first arrived in Australian quarantine in August 1978 as a 16 week old puppy, at that time I had some reservations as to how he was going to be as an adult dog. He was at that time a little bewildering, being big boned and prospective, but still not knowing what the final result was likely to be.

My worries were soon to be over, Ben came out of quarantine after 90 days a lovely Bull Terrier that any enthusiast would have been proud to own.

His first show was as an 11½ month old.

1st show — B.T.C. South Australia 1979 Championship Show — Mr. D. Roche — Best Exhibit in Show.

2nd show — B.T.C. N.S.W. 1979 Championship Show — Mr. R. West, U.K. — Best Exhibit in Show.

3rd show — Colomeke Kennel Club All Breeds Championship Show 1979 — Mr. T. Horner, U.K. — Best Exhibit in Show.

4th show — B.T.C. Victoria 1979 Championship Show — Mr. T. Horner, U.K. — Best Exhibit in Show.

5th show — Box Hill Kennel Club All Breeds Championship Show 1979 — Mr. W. Fitzgerald, N.S.W. — Best Exhibit in Show.

This was the start of a wonderful career which went on to see him become a first class show dog, winning 19 Best Exhibits in Show, 52 Best Terrier in Groups and innumerable in show and in group awards, under Specialist, International and All Breeds judges.

'Ben' was also a top class stud dog who was able to sire some 37 Australian Champions to which quite a few have gone on to be Best Exhibit at a number of Bull Terrier Club Championship Shows in all States.

**Tom Horner referred to 'Ben' as THE ONE THAT GOT AWAY**

His name is still behind a large number of Bull Terriers that are winning in Australia today and I am sure that his influence on the breed will be around for a long time to come.

All I can say is that I am very proud to have owned, showed and loved him.
