

## Bull Terrier Miniature Club (Vic) Critiques Championship Show 3/11/18

Judge: Sandy Irlam

Thank you for inviting me to judge at this Championship Show. To say this event was well run is an understatement. A team of hardworking, passionate people, huge applause to you, your efforts are appreciated. I have to say I was pleasantly surprised at the overall exceptional quality of the dogs presented to me. It was an absolute pleasure to assess quality animals with handlers who were courteous and all round good sports. I will not be critiquing individual mouths as nearly all mouths were correct with only a couple of slight faults in the mix. Size overall has come down, keep going in this direction! From what I have seen today, the breed is in good hands. Well done to all of my winners!
