## OPEN DOG

1ST & **RES DOG CHALLENGE** – **CH HULIA IM A TIGER** (S: BULLORD THINK BIG X CH HULIA GINGER CRUNCH). Breeder: V FRITH. Exhibitor: ALCANEEKA KENNELS

*Brindle and white male nicely marked, front is straight. Head has fill, with a long muzzle. Eye is a little kind eye, ears nicely set. Hock is short with a good bend of stifle. Loses his topline a little on the move, nice substantial dog who was slightly shorter upper arm, which is what made the difference for the challenge.*

## BABY PUPPY BITCH

1ST - **FOREVAPALS PERFECT STORM** (S: KAHMINS FIRE AND ICE x D: KAHMINS EVOCATIVE). Breeder: K HELLSTEN. Exhibitor: K HELLSTEN

*Black Brindle and White female in beautiful condition with a lovely shiny black coat, nice little package and as soon as she walked in the ring she stood out. Nice Shoulder is a little short in upper arm, front is straight, bend of stifle is good, beautiful tight cat feet. Good expression with fill, all the way down the long foreface. Held topline all the way around. For a young puppy moves well both ways.*

2nd - **SPEIREAD ABERDEENS FINEST** (AI) (S: CH VORTEX NIGHT SEEKER FROM BOROMIR x D: CH SPEIREAD ZILCH ZERO NADA). Breeder: T & D RUCH. Exhibitor: T & D RUCH

*Brindle and white female, rich colour, straight front, a little taller than the winner but pushed for first. Good bend of stifle, muzzle needs a little more fill which was the decider in the end. Very tidy little package.*

3rd - **BELIKOV RUBY CIRCLE** (S: BULLROY FIRST DRAFT x D: SCARLETTORO WYLD VIOLET). Breeder: R WYLD. Exhibitor: R WYLD

*Brindle and White female, good profile, ear set could be a little better. Little on the shy side. Good bend of stifle would prefer a little more length to upper arm. Front is straight, good bone, fill under the eye is good but could do with a little more to the end of the muzzle.*

## JUNIOR BITCH

1ST , **BITCH CHALLENGE & BEST IN SHOW** – **BULLROY KISSEE MEE** (S: HULIA GEORDI BOY x D: BULLROY WILD FRANKIE). Breeder: S & S HUMPHREY. Exhibitor: S & S HUMPHREY

*Exceptional white bitch who started out on the shy side. Good profile, with great angles at both ends of the bitch. Straight front with plenty of bone. Strong second thigh with a good bend of stifle. Well filled and length to the head with a decent eye and ear set. Bitch was uncomfortable on the table but came around once she was back on the ground. Held her beautiful topline and a nice mover both ways when she lifted her head. I would have taken this one home and why she won the Challenge.*

#### INTERMEDIATE BITCH

1ST - **SPEIREAD TENNESSEE HONEY** (S: CH SPEIREAD TENNESSEE GOLD x D: SPEIREAD IGOTCA BLING). Breeder: T & D RUCH. Exhibitor: T & D RUCH

*White bitch with an absolutely piercing expression and good fill all the way down to the end of her muzzle. Straight front, good shoulder and bend of stifle, holds her topline on the way round, moves good both ways coming and going when she decides to participate with her handler.*

2ND - **CH SARILUDA FLASH DANCER** (S: CH BULLACTIVE TWO MOONS x D: CH A FLASH OF SUNSHINE). Breeder: K HELLSTEN. Exhibitor: K HELLSTEN

*Another beautiful bitch with an absolutely piercing expression, nice good front and good bend of stifle. Moved well going around, however just lost her topline very slightly on the move but good straight front. Needs a little more fill at the end of her muzzle.*

3RD - **BULLROY EIGHTY EIGHT CARRAT** (S: HULIA IM A TIGER x D: BULLROY WILD FRANKIE). Breeder: S & S HUMPHREY. Exhibitor: S & S HUMPHREY

*Red and white smut, terrific bitch who is a little short in upper arm and needs a touch more fill to the end of her muzzle. The rest is very nice with a good bend of stifle, short back and a correct topline. Good profile with a nice ear set. Lost to the other two only on the shorter upper arm.*

#### AUSTRALIAN BRED BITCH

1ST - **STONESOUR PARTY TRICKS** (S: KAHMINS HARVEST MOON x D: URUBU MISS ELENA). Breeder: C KIDNER . Exhibitor: S BOVER

*Brindle and white female good front nice shoulder good fill to the end of her muzzle nice ear set. Looking a little matronly and her top line just slacks off a little bit. Nice solid strong bitch. Really liked this bitch but found out later she hadn't long since had pups, hence her loose condition. Would have pushed for a higher place if in full show condition.*

**2ND - CH SARILUDA BETTY BOOP** (S: SPEIREAD REBEL YELL x D: SPEIREAD WHITE GOLD PENNY). Breeder: S MOILE. Exhibitor: R WAGNER

*Red and White smut nice front good top line however dips a little behind the wither. Decent bend of stifle. Good fill to the end of muzzle, would like a little more profile. Good earset.*

<b>OPEN BITCH</b>
-------------------

**1ST RESERVE BITCH CHALLENGE & R/UP BEST IN SHOW - SPEIREAD SHERBERT BOMB TATTOO** (S: CH SPEIREAD TENNESSEE GOLD x D: VIRGCAPRO TATTOOED KENNEL). Breeder: T & D RUCH. Exhibitor: T & D RUCH

*White bitch with brindle head markings who could have been a little more lively in the ring. Straight front, well angled rear with width in her first and second thigh. Profile is good, ear set is a little soft, nice fill to end of muzzle. A little close going away and throws her front foot on the way back. Overall a very nice bitch.*

**2ND - CH KAHMINS ELECTRIC SKIES** (AI) ET, JC, WPD (S: KAHMINS BADLESMERE BETE NOIRE (UK) x D: KAHMINS ORCHYD MOON). Breeder: K HELLSTEN. Exhibitor: E PERRY

*Black Brindle and White who was in beautiful condition and presented absolute first class. Nice tight cat feet. Nice gentle sloping profile. Smaller type bitch with a strong second thigh. Front is straight with a nice flow, however a little short in upper arm which is what cost her on the day. Otherwise a beautiful little girl.*
