Special Classes: Mrs S Turner (Vic)

BEST IN SHOW

GR CH Anmenta Blonde Ambition - A & M Smith

RUNNER UP BEST IN SHOW

OLBAILEE GEORGA ONMYMIND - A & M RAFTIS

Best In Show went to the dog who really showed himself off so well. He is so well balanced and held himself on the move. Unfortunately the bitch didn't move as well for the In Show as she did for the CC but I think the decision would have been the same. She was a very worthy Runner Up. - Mr A Fry

Baby Puppy Dog

1st Bullsrkool Pop T Cork - A & R Tito

(Ch Nightquest Rising Fast x Ch Bullsrkool Blazin Kaos)

Very smart three month old; nicely put together; good angles front and rear; head is nicely shaped – could do with more fill in muzzle but as his teeth develop it should fill out; moved very well for a baby.

2nd Bulavista Walkin In Memphis (AI) - S & V Ellis

(AM Ch Banstock Bruno of the Northeast (USA) x Ch Bulavista Millsweet Sari (AI))

Five month old red dog; very happy chappy, gave his handler a hard time, also the judge, he squirmed so much it made judging him hard; a well put together pup; well balanced but rises a bit over the rump; head well balanced with very good pigmentation; moved well when he had a mind to.

3rd - Volane Izova Jenmark (AI)- W Bridgewater

(Ch Powerbulmas Abu x Ch Powerbulmas Maddona)

More developed than 1 and 2; starting to get a bit leggy, not quite as together; body proportions good but would like a little more angle in front; head properties all good; did not give much on the move.

Minor Puppy Dog

1st -Tarbullgair Sir Jeramy - V Vidypathi

(Bramarley Gameguard (Imp UK) x Tarbullgair Lady Sylvia)

Eight month brindle dog; plenty of substance with this boy; a little long in body; lacks angles front and rear and would have liked a more level topline; strong head but would prefer a shorter stronger muzzle; another one who made his handler work but certainly powered around the ring.

Puppy Dog

1st - Kimbullad Bullwinkle - K Rogers (PUPPY IN SHOW)

(NZ Ch Stormin Norman X Ch Kimbullad Sub Zero)

Fawn eleven month old dog; a little short in back and would have preferred more angle front and rear and a more level topline; head properties were good; well balanced skull to muzzle; good strong muzzle; very good pigmentation; correct ears and eyes; moved well around the ring and held himself together. BPIS

Junior Dog

1st - Kimbullad Lock N Load - K Rogers

(Ch Kimbullad The Lodge x Kimbullad Lothlorien)

Intermediate Dog

1st - Nightquest Rorys Jester - M Edwards (INTERMEDIATE IN SHOW)

(Ch Nightquest Tobin Bronze x Ch Nightquest Scarlett (AI))

2nd - Bullmaster US Marshall (AI) - Bullmaster Knls

(AM Ch Hy-Bull's Pay on Demand (USA) x GR Ch Nightpower Special Rquest)

Balance of height to length is good but would prefer better angulation front and rear; good straight legs; prefer a little more fill; strong head with good strong muzzle; prefer muzzle slightly longer; correct eyes and ears with very good pigmentation; moved well and held himself together.

3rd - Ch Powerbulmas Zachari - W Bridgewater & N Abela

(Ch Oldwell Blake (Imp UK) X Ch Powerbulmas Lady Clara)

Twenty nine month old fawn; strong dog well balanced height to length, but lacking in angulation; head shape very typical; ears well shaped but a little large; correct eyes; good muzzle to skull balance; good pigmentation; straight strong front; topline rises and tail set a little low; did not move well in front.

Australian Bred Dog

1st - Gr Ch Anmenta Blonde Ambition - A & M Smith(AUST BRED IN SHOW)

(GR Ch Oldworld Sampson X Ch Boadicea Just You Bet)

Five and a half year old fawn dog; well balanced height to length; good angulation front and rear; good straight legs with good fill; very good head with correct balance; superb pigmentation; mouth very good; eyes and ears correct size and shape; on the move he did everything right with very good reach and drive and held his topline very well. CC and BIS.

2nd - Ch Bullmaster Texas Ranger (AI) - Bullmaster Knls

(AM Ch Hy-Bull's Pay on Demand (USA) x GR Ch Nightpower Special Rquest)

Twenty two month old fawn dog; front angulation good but lacking in the rear thus he rises in the rear; slightly more length of body would improve; well filled in front with legs straight; prefer a little more length in muzzle but overall good head shape; ears a little large but set and shape good; well shaped eyes with correct colour; reached well in front but lacking in drive.

3rd - Ch Bullavista California Blu (AI) - C Mutton & B Wright

(Harletts Heartbreak Ridge (USA) x Ch Bulltiful Curtain Call)

Five and a half year old re dog; a little smaller than the first two but a well balanced dog; correct height to length with correct front and rear angulation; head strong but with a little too much wrinkle; slightly short in muzzle; good mouth; ear set and shape correct though a little large; eyes a little too deep set and turn in slightly; moved well and held topline.

Open Dog

1st - Aust Ch Copperfield Honeythunder (Imp UK) - K Lewison & S Johnson

(ENG Ch Wonderbulls Amaretto At Copperfield (Imp CHE) X Tia Maria at Capelli (UK))

Four and a half year old fawn dog; very good outline; well angled front and rear; topline good with well set on tail; legs straight with good fill; not the head style I like; fell away under the eyes; good balance of muzzle to skull; superb mouth with the required level bite and nice big teeth; ears a little big but good shape and set; eyes correct shape and colour; moved well with good reach and drive and held his topline; won the class on his overall package. RCC

(Ch Treebrook Water Ash x Ch Treebrook Sugar Maple)

Three year old red dog; another well balanced dog in height to length; well angled front but rear lacking a little; rises a little over the rump; front legs straight with good fill; well balanced head with just enough wrinkle; ear set and shape good but just a little large; eye shape, set and colour correct; moved well with reach and drive and holding topline.

3rd - Ch Bulvista Kentucky Rein (AI) - S & V Ellis

(Harletts Heartbreak Ridge (USA) x Ch Bulltiful Curtain Call)

Five year old dog; as with the first two is quite well balanced height to length; not as well angled in front as he is in the rear; topline good with well set on tail; legs straight with good fill; head a little short in muzzle with a bit too much wrinkle; very good pigmentation with good eye shape and colour; very good ear set, shape and size; held topline on the move but lacked a little in reach.

CHALLENGE BITCH - OLBAILEE GEORGA ONMYMIND

RES CHALLENGE DOG - CH KANGALA FERGALICIOUS

My thanks to the Bullmastiff Club Committee for the opportunity to judge the Championship Show. My thanks also to the exhibitors for their entry and for the way my decisions were accepted. It was a great pleasure to judge so many of the breed, especially when the general quality presented was of such a high standard.
