## Judge Miss Sarah Strang – Critiques

### My Observations of the Breed:

Thank you for your invitation to judge our breed! I did enjoy myself and thank you to the exhibitors who gave me the honour of judging your dogs. You can be definitely proud of your dogs.

Thank you also for your great display of sportsmanship to other exhibitors.

Just like in all places, there range of type and quality is mixed. But a good cocker can come in any colour and we should breed for type in all endeavours.

To me a cocker should be merry and compact and overall give the appearance of a lot of dog in a little package.

Australia has a lot to be proud of with our cocker spaniels!
