Only signed membership/renewals will be accepted indicating agreement to abide by the adopted Code of Ethics.

This Code of Ethics establishes a standard of conduct to be followed by all members of Cocker Spaniel Clubs throughout Australia in the normal course of owning, exhibiting, selling, and judging Cocker Spaniels. The Cocker Spaniel Clubs in Australia support Health Testing for our Breed. Members undertake and record health testing for identified breed specific health and welfare concerns.

Club websites reflect current health testing regimes that are recommended for the Breed and regularly updated, following the lead from the Kennel Club UK for The Kennel Club Assured Breeders. <https://www.thekennelclub.org.uk/services/public/breed/health.aspx?id=2052>

Members are encouraged to support the worldwide Cocker Spaniel database supplying pedigrees and all health testing results to benefit the Breed: <https://cockerspanieldatabase.info/en/>

Members are encouraged to commit to improving the health of all pedigreed Cocker Spaniels and share and record health testing results with the ORCHID (Officially Registered Canine Health Information Database) for the ANKC: orchid.ankc.org.au

Breeding represents a great responsibility to each individual, as he or she can upgrade or nullify many years of conscientious effort. The breeder must be aware of this responsibility. The problems of the Breed can only be improved by discriminating and intelligent breeding program. Breeding is to enhance positive qualities and cannot be expected to cover up serious faults. Therefore, breeding partners should be investigated for background and serious faults before a commitment is made.

As a Member of the Cocker Spaniel Club of Queensland Inc, I hereby agree that:

- I will abide by the Club's Constitution and By-Laws and support the ANKC Standard of the breed.
- I will comply with all Canine Council Rules and Regulations where they pertain.

- I will help to educate the public in the standard of the breed and in all other areas where I am qualified.

- I will not use for breeding any dog or bitch without undertaking health testing regimes as recommended for the breed.
- I will not mate my Cocker Spaniel to any unregistered dog or bitch, or any Cocker Spaniel not on the ANKC Full register.
- I will not use for breeding any dogs and/or bitch with major defects or undertake a mating that will knowingly produce afflicted progeny.

 - (a) ANKC Certificate of Registration and Pedigree
 - (b) Immunisation & Microchip Certificates
 - (c) Diet and Care Information Sheet
 - (d) Copies of all health testing results for both Sire and Dam
- I will not sell stock without true representation to the purchaser.

- I will continue to offer helpful assistance to the buyer as long as such aid is required.
- I will not sell or donate any Cocker Spaniel to Commercial Dog Wholesalers, retail pet dealer, or directly or indirectly allow them to be given as prizes in contests of any kind, or for any purpose that may lead to their exploitation.

A CODE OF ETHICS IS ONLY AS GOOD AS THOSE WHO ABIDE BY IT CONTENTS.

I hereby apply to be admitted/renewed, as a member of the Club and I/We agree to abide by the Code of Ethics above. I/We also agree to abide by any rules of the Club that may be in force at any time.
