

Cocker Spaniel Club of Qld Speciality Show

12 August 2026

*First and foremost, I would like to thank the club, its office bearers and members for inviting me to judge at this year's **Cocker Spaniel Club of Queensland Speciality Show**. It was a great honour and privilege to be entrusted with the responsibility of judging such a lovely entry.*

I would also like to sincerely thank all the exhibitors for entering their dogs and giving me the opportunity to assess them. I have endeavoured to make my decisions to the best of my ability and based on the knowledge and experience I have developed since becoming involved with the breed in 2014.

I was very impressed by the overall quality of the exhibits, their gentle temperaments and the characteristic merry movement that makes the Cocker Spaniel such a wonderful breed. All male exhibits were entire with two apparently normal testicles, and the dogs and bitches presented had correct scissor bites, in accordance with the breed standard.

*I thoroughly enjoyed judging and would like to extend my sincere thanks to everyone involved in organising and supporting this year's **Cocker Spaniel Club of Queensland Speciality Show**. Thank you for your warm welcome, hospitality and for making the experience such an enjoyable and memorable one.*

ARMOUR (AI) 2100630728 02-07-2025: CH. A ONE'S GIVE

ME FIVE (IMP SWE) - CH. GRENADI RHYTHM OF MY HEART(AI)

At just 13½ months old, this young dog is already showing considerable maturity in body, bone and substance. He presented a pleasing, balanced outline as he entered the ring and immediately appealed for his overall type. I particularly liked his head and expression, complemented by a good neck flowing into well-laid shoulders and a pleasing, level topline. He has a good forechest, well-sprung ribs and well-developed hindquarters, giving him a more finished appearance despite his young age. He was shortlisted to my final four for Best Dog. To see him at his very best, I would perhaps encourage his handler to allow him a little more freedom and pace in motion, which I feel would enable him to show his drive and movement to greater advantage.

Another promising young dog with a lovely overall shape and balance. He has an attractive head and expression, with a moderate neck, good topline and correct tail set. He has ample bone for his age and moved freely and happily around the ring. I would have preferred him to carry a little more weight and body to complete the picture, particularly through the ribs, but he is still a young dog with plenty of time to mature and develop. A quality youngster with much to admire.
