WELCOME TO THE 19th NATIONAL COCKER SPANIEL CHAMPIONSHIP SHOW

History of the National Cocker Spaniel Council of Australia and the National Show

Several Cocker Clubs from around the country established the National Cocker Spaniel Council of Australia (NCSC(A)) in the early 1980's.

The objectives of the NCSC(A) include:

- to encourage and promote in every way the quality of breeding, care, training and exhibition of the Cocker Spaniel;
- to educate and encourage exhibitors, breeders and judges to abide by the Standard for the Cocker Spaniel, as approved by the Australian National Kennel Council.

Garry Douglas is the current President of the NCSC(A) and Linda Kantek is the current Secretary.

The first Cocker Spaniel National was hosted by the Cocker Spaniel Club of Victoria Inc. in 1985. Since then, 5 clubs have hosted the Show at intervals of around 2 years¹. Each event is eagerly anticipated and is the result of much work from a dedicated team.

The judge for each National is selected (by the State hosting the Show) from the United Kingdom's Judges "A 1" Cocker Specialist List.

¹ The National Show to be hosted by the ACT in 2020, was cancelled due to Covid 19

Welcome from the Cocker Spaniel Club of Victoria

On behalf of the Cocker Spaniel Club of Victoria we are delighted to invite all of our Cocker Fanciers to the 19th National Show to be judged by Mrs Sue Young of Canyonn (UK), and to be held at KCC Park on 3rd & 4th November, 2022. This is truly an overdue event and we look forward in welcoming all. How lovely it will be to catch up with our members, friends and fellow exhibitors.

Additionally we will have a Championship Show on Sunday 6 November, after the National at the Park to be judged by Mr Philip Young of Canyonn (UK). This is a huge opportunity for showing Cockers including the opportunity to enter Vic Gundog Club Show on the Saturday before, Vic Women's All Breeds Show on the Monday before and our famous Sunbury All Breeds Show on Cup Day. Start packing you are going to be away for a week !!! 5 Shows in 7 Days.

As time is passing our Committee is becoming more excited to present this National Show to all, and we are busy in the arrangements to deliver a fabulous event.

This booklet is designed to give you as much information as possible and will be updated regularly as information comes to hand. Should you have a question that cannot be answered through the booklet please do not hesitate to get in contact with one of our Committee for an answer prior to the show. We will publish the related shows schedules as well. In addition to this booklet there will be our Facebook Page and website to keep you posted.

Please remember all our arrangements are subject to Covid regulations at the time. We do not anticipate any changes however we will keep you informed.

We wish you every success if your are exhibiting and if you are visiting we hope you have a wonderful and memorable National. Please enjoy our hospitality, and travel safely to our show.

Robynne Spencer

President – CSCV

About our judge

Philip and I have been involved with Cocker Spaniels all our married life, 50 years this year.

We started with a gorgeous black and white ticked bitch, as time passed we soon realised 'Judy' was not up to the expected show standard, although she was loved and cherished for nearly 14 years.

After a few years of going to shows and just watching and learning about our lovely breed we decided to concentrate on solids, our first red bitch was acquired from Mrs Sims (Rockaydon), unfortunately we lost her to cancer at the tender age of 14 months. Our next red bitch was similarly bred to the first one and she became our first show girl Rockaydon Amberlyn (Amber). Amber was the start of Canyonn Cocker Spaniels and all our dogs to this day are descendants of her.

The love of Cockers has taken over our lives and what a journey it has been, starting our judging experience in the late 1970's working our way from Open shows to judging Championship shows my first CC's in 1989 and Philip in 1995. I have judged in all Scandinavian countries, Hungary, Holland, Spain, Portugal, France, Romania, Russia to name a few (Philip similar). We have both been very lucky to have had the honour of judging the Cocker Spaniel Club of UK and Crufts.

We are both very honoured to be asked to judge in Australia and very much looking forward to seeing our beloved breed down under.

Thank you Message

To all of those who are helping to make this show a reality, especially in covid times, we say thank you.

Thank you to our patrons, Margaret Joyce and Reg Ayton. Your ongoing support of our club is most appreciated.

We are blessed to have 2 very experienced Show Managers on our team – Roger Bridgford and Andrew Burt. Both men are tireless workers and share their wisdom freely.

To our Show Secretary, Denise Bennett, Ring Steward, Gael Wilcox and Assembly Steward, Leanne Trenwith, we say a big thank you.

To all exhibitors, thank you. There would not be a show without you.

We are very grateful for the support of our generous sponsors. You can find out more about them on page 8 and onwards.

We have already heard about our very important guest and judge Sue Young . We thank Sue for agreeing to come to Australia and officiate at our National Show and hope that Sue and her husband, Philip have a fabulous trip.

Would like to thank the co-contributors in producing this booklet being Susan Anderson, Margaret Brodie & Roger Bridgford

Cheers
Louise Brodie

Use of the grounds

Trailer and Vehicle Parking

No trailers or vehicles are permitted on lawn areas throughout KCC Park. This is to protect the lawn and also the below-surface irrigation that has been installed. Parking is available on all gravel and carpark marked areas of the grounds (refer to above map).

Dog Exercise Area

The Park has fenced off-lead areas. There are also barbecues and picnic tables that DOGS Victoria and Companion Dog Club members may use any time the park is open.

Please remember that unless you are in designated, fenced off-leash areas or are participating in training or competition, your dog must be kept on a lead at all times at KCC Park.*

Larger Fenced Area*

The larger fenced area to the south of the Park has for many years been used for lure coursing, followed by herding when that discipline commenced. Clubs representing these activities provided substantial funding, plus manpower, to fence the area, making it more suitable for their sports.

Please note the following:

1. If the ground is obviously being set up or used for either lure coursing or herding, the entire area is out of bounds for all other usage.
2. If a member is already using the area at any other times, please wait until they leave before entering with your own dogs.
3. Please read the conditions of use displayed near the entrances.
4. Please pick up after your dogs, using bags and bins provided.
5. Please be considerate and give others a turn if they are waiting. We suggest 15 minutes is enough, you may be able to come back later after taking a pleasant lead walk around the rest of the Park and resume your free running.

Smaller Fenced Area*

Nearby there are three new exercise runs donated by the Whippet Association of Victoria.

These facilities are a great asset for DOGS Victoria members and we wish to ensure maximum usage, which will be made much easier if we humans all care and share and set a good example for our dogs!

Lunch - both days

ABOUT THE COCKER SPANIEL CLUB OF VICTORIA

The Cocker Spaniel Club of Victoria Inc. was founded in 1931 to promote and foster interest in the breed. The Club provides a forum for people to become more familiar with and informed about their chosen breed – THE COCKER SPANIEL.

The main objectives of the Club are the welfare and improvement of the breed. The Club conducts a variety of information nights which include topics covering general dog care, showing, obedience, grooming, veterinary lectures, and members competitions for both showing and obedience.

At the Annual General meeting in 1998, it was decided to change the club badge and the background colour from green to navy blue. This was because both NSW and Victoria had green and gold as their club colours which was causing a problem with the National badge concept of different colours for each State. It was resolved that the club accept the as featured on the first page

CODE OF ETHICS

The Cocker Spaniel Club of Victoria Inc. provides a forum for people to become more familiar with and informed about their chosen breed – THE COCKER SPANIEL. This Code of Ethics establishes a standard of conduct to be followed by all members of Cocker Spaniel Clubs throughout Australia in the normal course of owning, breeding, exhibiting, selling and judging Cocker Spaniels. The quality of the breed can only be improved by discriminating and intelligent breeding programs. Breeding represents a great responsibility to each individual, as he or she can either upgrade or nullify many years of conscientious effort. The breeder must be aware of this responsibility and, therefore, breeding partners should be carefully investigated for background and serious faults before a commitment is made.

A Code of Ethics is only as good as those who abide by it so as a member of the Cocker Spaniel Club of Victoria Inc. I hereby agree that:

- I will abide by my Club's constitution and By-laws, and support the ANKC Standard for the Cocker Spaniel.*
- I will comply with all Dogs Victoria Rules and Regulations where they apply.*
- I will at all times whether at home, travelling, at shows, in Social Media, electronic communications or in public places, display good sportsmanship and conduct myself in such a manner to reflect credit upon my Club and the Cocker Spaniel.*
- I will help to educate the public in the ANKC standard of the Breed and in all other areas where I am qualified.*
- I will try and breed in such a manner as to improve the quality of the breed.*
- I will not knowingly use for breeding any dogs and/or bitches with major defects or hereditary diseases.*
- I will not knowingly mate my Cocker Spaniel to any non-Main Registered dog or bitch.*
- I will only sell Cocker Spaniels in good healthy condition, free to the best of my knowledge from heritable disease.*
- I will not knowingly sell any dog or bitch, which has defects of a nature that is detrimental to the Breed.*
- I will supply each purchaser with a Certificate of Registration and Pedigree, Immunisation Certificate, Microchip Certificate and a Diet and Care Information Sheet.*
- I will not sell stock without true representation to the purchaser. All advertising will be honest and not in any way misrepresentative, misleading, or fraudulent.*
- I will continue to offer helpful assistance to the buyer for as long as such aid is required.*
- I will not sell or donate any Cocker Spaniel to commercial dog wholesalers, retail pet dealers, or directly or indirectly allow them to be given as prizes in contest of any kind.*
-
