Best In Show 8 Reserve Best In Show 55 Veteran In Show 18

It was a pleasure to be invited to adjudicate for the English Cocker Spaniel Club of Queensland my original breeding breed, during nearly 2 decades my husband and I bred all colours plus exported to USA.

I wish to congratulate everyone on their presentation as I know how much subtle work goes into grooming a Cocker.

It was unfortunate that there was a delay in starting the Show which became hotter further into the afternoon which impacted on many dogs in their movement and general merriness.

Thank you to all exhibitors for their courtesy in accepting my decisions on the day. Which is just that, I have always judged on the day and in that moment in time.

Thank you to my steward Ashley for his courtesy in assisting the exhibitors and myself.

Apologies for being tardy in doing these critiques but personal life took over for a few weeks!
