

The Cocker Spaniel Club of Victoria Inc is now able to offer its Puppy Referral Service. Details of the Puppy Officer can also be found on the webpage. The Club does not list individual puppies for sale but advises interested parties of members that may have puppies available.

Members wishing to notify the Puppy Officer of litters will need to complete the following form.

COCKER SPANIEL CLUB OF VICTORIA INC.

PUPPY REFERRAL APPLICATION

To assist with administering the Cocker Spaniel Club of Victoria Inc. Puppy Referral Service please complete the form below and forward it to the Puppy Officer, Dr Gillian Robinson, robmond kennels@gmail.com. Advice of a litter may be received by telephone or email, however, confirmation in writing must be forwarded. **Please** advise the Puppy Referral Officer immediately a particular colour and/or sex of pups is no longer available.

Please note: If no information has been received within four (4) weeks from receipt of a Puppy Referral Litter Application regarding the puppies, that application will no longer be listed with the Club. Consideration will be given as to whether the service will be available to the member in the future. There is no charge for this service. However, a donation would be gratefully accepted.
