Mrs. Bellamy (Vic) pointed out that these shows may co-incide with other important shows held in the respective states and generally this was thought to be a good idea.

Mr. J. Austin (Tas) spoke on what a good idea this was for a National Show but due to the situation of Tasmania, it would be hard for them to attend although they would like to belong to the National Body.

Mr. Boxhall explained that a National Council would improve the overall concept of the breed nationally and that meetings could be held during the various Royals throughout the country as do the A.N.K.C.
