He has 6 RCC, 3 Class In Groups, one Minor In Show, one Puppy in Show, 2 CC, one of which was Dog CC at the Sporting Spaniel Show under Mr. Svend Lovenkjaer (Denmark). All this under the age of 12 months. Also not forgetting our lovely chocolate dog Ch. Shiranbar Coco Lossal, who is siring some very nice blue and chocolate puppies.

SIRE OF 56 CHAMPIONS

This Kennel takes pride in producing sound, typey stock of good temperament for other people to win and breed with.

Sire and Gandsire of Royal Show Challenge winners at every Royal Show since 1975 when he won the Gundog Group himself at Sydney Royal Easter Show. Again in 1988 a Wing son, Ch. Cabal The Carpenter was best of Breed. Twelve years of Royal Challenge winners is no mean record.

We have bred over 100 Champions in many different colours for 16 different Kennels who are now winning well with progeny bred from 'Brightleaf' dogs and bitches and are the winning exhibitors of today and hopefully the custodians of the breed in the future.

The 1996 Show season has commenced with some great wins for our show team.

Our junior dog "BUNYARRA OLIVER" (Gold and White) went Best in Show all breeds and numerous other awards from very limited showing. His litter sister is a consistent CC winner and Class in Show winner.

Our black team has "CH. BIFIELD SOLD ON STYLE" currently leading the Cocker Club of Qld's. point score for the Top dog for 1996. He has many great wins under International and Australian Cocker and Gun Dog Specialists. "Louis" is fast approaching 1500 CC points. His daughter "CH. BUNYARRA MERCEDES" achieved her title during the 1995 season and will shortly be exhibited at her first show for 1996. "BIFIELD FAIR N SQUARE" (bred from Louis's litter sister CH. Although only being new to the "dog scene", I am proud to introduce my two Cockers, Ryan and Laura, and their achievements.

Voyelle Out of the Blue

"Laura"

D.O.B. 2nd November, 1995.

At her very first show, Laura started to make her mark winning a Baby Class of 5 and then taking Baby in Group. At her next show, the NSW Cocker Show, she was Best Solid Baby in Show. She went on to win a total of three Baby Puppy in Group awards.

In the Minor Class, she took Reserve Challenge and Best Minor in Breed on 25 May 1996.

Laura is a joy to own and a true merry Cocker who is assured of a great future.

Ryan is a great ambassador for the breed with an ever wagging tail and a loving nature.

Ryan is well on his way to his title and has achieved a Class in Group at each level. A recent win being Intermediate in Show at the ACT Cocker Show on 20 April 1996.

Both Ryan and Laura are handled by Edna Flynn of Lehearn Kennels and are bred through the Lehearn lines.

PROUDLY PRESENTS TWO OF OUR CHAMPIONS

Ch. AYANDBE BEAU BRUMMEL

PHOTO BY CABAL

Beau, our lovely gentle, warm and affectionate black dog had the misfortune to be our very first venture into the dog world. Despite the tremendous handicap of our lack of experience and knowledge Beau racked up his title in just 10 months even with very limited showing. He was 10 months old before he entered his first show and has Best In Group, many B.O.B. and classes In Group, all on limited showing. He has only sired a few litters, but already his progeny have impressed.

Sire: SCOTSMAN OF NORMANVIEW
(Imp. U.K.)

Dam: Ch. AYANDBE CARBON COPY

Ch. ERACHT PROMISE OF GOLD

Roxanne to her friends, is "Miss Personality" and together with Beau, helped us to succeed in the show ring. She is such a lively, effervescent, affectionate personality and loves the show ring, an arena in which she always performed well. Despite the handicap of her colour she won her title against stiff opposition. Roxanne has settled into her stud duties and we look forward to many more champions from her line.

Sire: Ch. ROYONI RIGHT HO SIR

Dam: Ch. ERACHT BRIAR ROSE

Our kennel is only five years old but we are steadily acquiring the breeding lines which will ensure our success in the future.

Puppies sometimes available.

RED-HOT RIGHT NOW

CH CANYONN CARINA *Junior Warrant* (IMP UK)

Acknowledged as one of the best Cockers ever from Sue Young's famous Canyonn kennel, Jodie won extensively in the UK. She scores in exuberant temperament, merry action and classic Cocker type — a rare combination.

Jodie gained her Australian title in a mere six weeks, notching up many BOBs. Only shown a handful of times since, she took the bitch challenge and RUBIS at both the Victorian and Newcastle specialties this year, under British experts John Thirlwell and Val Foss.

Jodie's stunning linebred IID puppies by UK group winner Sh Ch Asquannes Glenfiddich are just starting their show careers. They have much to offer in type, temperament and, of course, exceptional bloodlines.

All are descendants of Iris's much-missed Ch Lochranza Go For Gold (Imp UK).

NOW AT STUD

STAPLETON SUNSET BLVD (Herbert) combines elegance and substance with a very stylish outline. His head and expression are breathtaking.

STAPLETON SEE OCKER STAR (Ocker) is ultrashort with lovely bone and merry, bustling action.

Their sisters are also doing well: **STAPLETON SAINTED AUNT** now owned by Kay Rochester, took Puppy in Show first time out at the Newcastle specialty. Karen Sozanski's **STAPLETON SU YUNG TU** took the same award at the Cocker Club of Victoria's members competition. And not forgetting our Dorothy, **STAPLETON SORRENTO MOON**, who scores in sparkling personality, elegance, reach and drive.
