THE END OF AN ERA

VALE

AUSTRALIAN CHAMPION ADJOBI RIFKA CHEPARA (SHINE)

It is with great sadness that I inform the Cocker world of the passing of Shine. the litter born on 19th December 1984 produced three Australian Champions all Multi In Group and In Show winners - Ch Adjobi Jungle Drum "Jade" (shown by Jeanette Barnes), the exciting Ch Adjobi Casey Jones - The first Black and Tan in Australia to win a Specialty Best In show (proudly owned by Betty Brotherton) and Shine, Ch Adjobi Rifka Chepara. They proved a force to be reckoned with.

Taking out the Open bitch class and Reserve Challenge at Sydney Royal when over 8 years of age was a highlight in Shine's career. Competing in Veteran classes she continued to prove hard to beat, with over eight Veteran in Show awards and a three times winner of the Veteran of the Year trophy, even at National level Shine showed the youngsters "how to do it". In the ring she really did **"Shine"**

She was the first show dog that I really took an interest in, showing her at many All Breeds and specialty shows. Only last October I showed her at the Newcastle Cocker Show winning Veteran in Show at the age of 12.

When growing up with an animal we sometimes forget that they grow old and leave us when we are not ready for them to go. Shine was one of these animals. Her constant just "being there, tail always wagging, ready for a cuddle or a slow lap around the backyard, will be greatly missed by mum and myself. She was a very special dog - my very special dog.

We can only take comfort in the thought that her memory lives on in our hearts and through her offspring and that she is no longer in any pain.

Rest in Peace Shine babes, we will always love you.

CH DONNAS ANNA

Our decision to return to the old bloodlines containing the pedigrees of CH DONNAS ANNA, her "NATIONAL" challenge winning son CH DONNAS ENVOY, and her All Breeds Best Exhibit in Show winning grandson, CH DONNAS ZEMINDAR has been extremely successful.

CH DONNAS WATERFORD CRYSTAL and the striking light blue dog CH DONNAS YOURS TRULY are two of the first youngsters from this project and are making an impact in the show ring. Pups from the second stage of the breeding programme designed to consolidate these pedigrees, are now making their ring debut and appear to have an exciting future ahead.

We sustain our usual vigilance with regard to heritable conditions and continue to produce healthy Cocker Spaniels that are correct in

"COCKERS WITH CHARISMA"

**Queensland's Small, Select and Successful Solid Kennel
Est 1989**

In 1987 I entered the grand world of DOG SHOWS. My foundation stock was purchased from APPINTIKI Kennels and based on stock bred down from Noel Boddy's (Arrunga) SORBROOK imports from the U.K. With a lot of determination and a handful of luck I have been able to produce some lovely dogs which have excelled in the Showrings. Friendships have come and gone (and so has the husband) however I would like to say THANKS to two people in particular who have stood by me through the good and bad times. Firstly I would like to thank Donna Daniel for falling in love with "JACK" and so began our friendship: I am indebted to her for allowing me to use 'BUDDY' to produce my gorgeous black dog "OSTENTATIOUS". Secondly, I would like to thank Bev Duncan for her never ending support, advice and laughter and for allowing me the privilege of handling her blue roan dog "Tyler" through to many big wins whilst Bev was incapacitated. However for the past two years, my own "MACDOLLY" dogs have entered the ring on only a handful of occasions: but with a bit more determination and luck we will be back in 1999 to play the game once again!

PROUDLY PRESENTING
AUSTRALIA'S FIRST GOLD GRAND CHAMPION*
AUST GRAND CH MACDOLLY A XMAS KRACKER
BORN 25/12/90 Hip Score 4:2

Sire: Ch Lochranza Go For Gold (Imp UK) Dam: Ch & NZ Ch Appintiki Karisma

"JACK" is arguably one of Australia's most awarded Gold Cockers in the past ten years. To date he has amassed 22 Best Exhibit in Group awards plus Multi Best in Show, R/Up Best in Show and Class in Show awards. He was brought out of retirement on Easter Monday to gain that critical challenge required to apply for his Grand Championship. The proven sire of over 30 litters he has produced many Black and Tans, plus of course, beautiful Gold and Red. His delightful temperament and effortless movement has assured him of wins under local, interstate and specialist judges alike. Thank you to Donna Daniel and family for the loving home they have given Jack since Donna fell in love with him three years ago.

No "waxing lyrical" on the many awards received to date.

TEEMSTAR

is proud of all the achievements and wins that the "kids" have had to date.

Our breeding program is aimed to producing sound Merry Cockers conforming to the breed standard.

All dogs at **TEEMSTAR** are eye-tested annually, and have current clear eye certificates and are hip-scored (all are well below the breed average except one which is average for the breed!)

Wishing exhibitors good luck at the 1998 National.

All dogs at **TEEMSTAR** are proudly bred, shown & occasionally disowned by Tina Matthews, apart from "Murray" bred by the late Joy Murray.
