2018 Cocker Spaniel National Championship Show
by Mr Mark Boswell (UK)

This bitch stunned me when I first went over her, reminding me of two blues I use to own. Super throughout, feminine head, dark and correct shaped eyes. Good mouth and length of neck, well placed shoulders, correct body, legs and feet well turned. Showed her socks off. A credit to owner..

"An exquisite example of the breed. A blue roan bitch, feminine but gives the impression of strength and sturdiness. Delightful head and expression, correct length of neck and strongest of topline. Correct set on of tail and strong, wide hindquarters and strong, short hocks that enabled her to drive and move with purpose. The epitome of merry, this bitch was framed by a correct silky coat" – critique Mark Lawrence (NZ)
