Liza has done what no Cocker Spaniel in Australia has done before. The first of her breed to win Best in Group in every state and territory, and the first to hold the titles of A2O Grand Champion, CACIB Champion, and Supreme Champion, she has rewritten the record books.

Her four consecutive Adelaide Royal Bitch Challenges, eight Royal Challenges in total, four Royal Best of Breed titles, and multiple Group placements speak for themselves. Most of these milestones have been achieved since March 2024, under world-renowned Gundog and Cocker Spaniel specialists.

In 2025, Liza reached new heights. She claimed Best of Breed at the southern hemisphere's largest dog show - the Melbourne Royal - under world respected Cocker Spaniel specialist Attila Czeglédi (Hungary), going on to place Best in Group 4th. Weeks later, while four weeks in whelp with her litter of ten, she stepped back into the ring at Hobart Royal and claimed Runner Up Best in Group. When she took maternity leave toward the end of 2025

she was the #1 solid Cocker Spaniel in Australia across all systems.

After welcoming her ten beautiful puppies, Liza has since returned to the ring in June 2026 - and wasted no time announcing herself, taking Runner Up Best in Show at the Gundog Club of South Australia. As they say, you simply cannot keep a good dog down.
