

21st National Cocker Spaniel Championship Show -August 10-11, 2026

Judge: Mr David Todd (UK)

I don't think I'd quite realised just how important the national is to you guys, but I very quickly realised just how significant it is and how much you set on winning and exhibiting at the show. Can I thank each and every one of you who came under me and took my placing with such grace?

As I mentioned at the after party, I think you have some really fantastic dogs over there. I believe they can trouble the best around the world, and you should be very proud of what you've managed to achieve. My special thanks to Toni and Ray for their hospitality, and to some new friends I made over there during the all too short period I was in Australia. My four main winners were all real quality; any one of them I would be proud to own.

My best in show winner gave me goosebumps and captured my soul from the first look. He epitomises the breed standard in my opinion, and reminds me of all the quality dogs from days gone by that have come together to produce him.

My best bitch epitomises all the qualities I look for in a good bitch. She has the sweetest head and expression, nicely made all through, and moves a treat. Presented in great coat and condition, a real credit to our owner.

My two reserve best of sex winners both exhibited real quality, were a delight to handle, and a pleasure to watch moveso close up. But just pipped on the day. Congratulations to all these breeders and exhibitors on such quality.

My Breeders Group was won by the Sandtoys team. They were so typy and even. They moved as one, each mirroring the rest. Very consistent and exhibiting such quality. Congratulations.

Lovely, masculine, but has the softest gentle expression and the eyes of the breed, great front, short cobby body, wonderful wide hindquarters and moves out soundly and well when settled. He has lovely legs and feet. Presented in wonderful coat and condition. He became the benchmark.

I have judged a few dogs over the years (only a few) that have captured me like this. He has "it" that special quality that captures your heart, and it's just wow!!! One of the greats, imho, and had to be a contender to go all the way. Today he was a clear Best Dog. On the Tuesday, he came up against the lovely bitch. I made the two work for it and he pulled out all the stops, performing perfectly to win BIS in strong competition.
