AN EARLY REMINDER

Nominations for our August 1993 Judge will be taken at our April meeting. Start thinking - remembering we have a minute on the books that the Judge must be from Interstate or overseas for our August Show.

OMITTED FROM OUR FEBRUARY SHOW RESULTS:

The winner of Child handler on the day was Kelly Hopkins. Congratulations Kelly. The atrocious conditions did not stop Kelly from handling her dog so well. Lady Handler was won by Caroline Corbett, and Gentleman Handler by Keith Gambrill.

CONTEST OF COCKERS

- Unfortunately our request last month for volunteers for Committee to run the 1992 Contest did not result in any new faces. We are therefore most grateful to Jan Gambrill and Val Davies who have agreed to once again do most of the hard work associated with planning. They had not intended to be associated with the Contest this year - SO - do at least give them your unstinting support. A great deal of work is done by the Committee for the benefit of all members - so, please, we ask for your help and not criticism of decisions made. Jan and Val will be supported by our President and members of the Society's committee, so that we can once more look forward to a happy and successful event.

COWRA & DISTRICT KENNEL CLUB

- see later in the Gazette for details of their Show, which this year will be a Cocker Spaniel Feature.

THOSE MOSSIES ARE VICIOUS THIS YEAR - DON'T NEGLECT
HEARTWORM TABLETS - AND MAKE SURE TO INFORM NEW OWNERS.

Articles, including any editorial comment or other subscribed column appearing in any issue of the Gazette of The Cocker Spaniel Society of New South Wales Inc. do not necessarily reflect nor tend to convey the view of the Society, its Office Bearers, Committee(s) nor its members.

YOU R EDITOR COMMENTS -

Where were YOU! It was disappointing to have such a small number of members in attendance at our February meeting. Your support is of the utmost importance to our Society and your office bearers. The Club cannot function without a great deal of hard work - your office bearers and committee provide this - all we ask from members in general is their interest, support and input at meetings. We now have very comfortable and pleasant meeting venue - with good meals available in the Club at reasonable prices - so here's hoping to see more of you at the next meeting.

Well, the big event of the Fourth National is over - and a report together with full results follows in this issue. I was not able to be there, but it seems a very good time was had by everyone and the Victorian Club must have been pleased with their entry of over 300.

Next on the calendar for the year, is of course the Sydney Royal - always so important to all breeders and owners. This year, for the first time I can remember, our breed is judged in the afternoon. It is a long time to wait and we will miss the conviviality of our celebration (or commiseration) lunch. However, it will be good to have the opportunity to meet our country and interstate members - so I look forward to seeing you there.

Lately we always seem to have someone on the sick list - our good wishes go to Betty Murphy - (Jakbets) who we understand is now recovering. Keep up the good improvement, Betty.

We were pleased to welcome Mrs. Linda Buckley as a new member at our February meeting - we look forward to your continuing involvement with our Society.

Good luck to ALL exhibitors at the Royal - but most important of all, ENJOY the fellowship of other exhibitors.

Till next month - Editor, Betty R.

FOURTH NATIONAL SHOW - MELBOURNE

JUDGE: MRS. JACKIE MARRIS-BRAY

It was Thursday, 5th March, and all over Australia people were making preparations to attend the Fourth National Show in Melbourne, including visitors from New Zealand! The atmosphere had a long time to build - and build it did !!

Finally Saturday! - Veterans, Dogs and Bitches. The day dawned hot and clear but at the grounds, in superbe condition, came a life-saving breeze, which stayed for both days.

The Victorian Club had gone to great efforts to layout the rings and surround them with plants. The effect was really professional. Each exhibitor received a show bag of goodies, including the National Badge. The new design looks wonderful and will be used for all future Nationals, just with a new date and different colour backgrounds depending on the State.

The first class after the introduction of our Judge was Veterans and what a turnout! It was great to see so many of our past and some present champions strut their stuff revelling in the opportunity to show the youngsters how it should be done.

The Show proceeded at a good pace giving all time to view the dogs and catch up on friends not seen very often, and of course the dog scene in all States.

At the lunch break, I must admit there were many offers to take Barry Alexander home, as he provided a gourmet lunch for our corner of the world, with smoked trout and yabbies among the delicacies - although Glenda had a few words to say

.../

FOURTH NATIONAL - continued

The climax of the day was Dog Challenge, with the award going to CH. GUNLOCH BLUE STRATOS, owned by E & J Giggins and the Reserve Challenge to CH. LOCHDENE GAS BAG (imp.UK) owned by Julie Gotch. Wouldn't we all have loved to be in their shoes!!

At the conclusion of judging, the National Meeting was held, with Donna Daniels presenting a paper on the "Gene Probe." This requires too much information to explain here, but it is very important to all breeders. I'll be getting a report from Donna and take it to the meeting and hopefully, print it in the Gazette.

The place to be for tea on Saturday night, was "Sizzlers" - with approximately 25 wending their way there.

The Victorian Club had made arrangements with amny Motels and all seemed to have a good night with no problems. The only disturbed sleep was caused by cricketers and golfers celebrating wins and the crew from the Rodney Rude Show - THE DOGS were FINE!!!

Sunday dawned with all the exhibitors a bit more organised, especially as we now knew where the grounds were. The classes on this day were just as big as Saturday, ranging from 18 - 34. The day went well again, with the outstanding feature being the atmosphere and good sportsmanship of all present. There were great rounds of applause for all wins.

Bitch Challenge saw CAMDACH KEEPEM TALKING owned by B & K Hutt winning and MISDUKE BONNY LASS owned by Mr. & Mrs. D. Heatlie.

The happiness on Kerry Hutt's face was very infectious, but there was more to come - BEST IN SHOW - the dog or the bitch? The Judge finally made the announcement - "The Best to the Bitch" - but with the heavy Yorkshire accent, it was a few moments before it sunk in, and then ... riotous applause and cheering with the handler dissolving in tears and hugging the bitch. Cheers again, as the Dog took Runner-up.

After the furore calmed down, the other classes in show were decided and then - we were all invited to a Buffet Dinner and presentation of the great trophies and huge sashes.

A wonderful weekend for all to remember - and a hard act for all the rest of us to follow.

Congratulations to The Cocker Club of Victoria.

Debbie Richter.

SHOW SECRETARY'S REPORT FOR FEBRUARY, 1992

What a change from cooking in the heat at the February 1991 Show, to drowning in the rain at the 1992 Show! With a Breed entry of 71 and Obedience of 13 it was very pleasing to only have a total of 22 absentees. All exhibitors who attended the show are to be congratulated for wethering the conditons.

Considering the atrocious deluges we experienced, our Judges Mrs. Julie Gotch and Miss Marg Jackson are to be commended for the way they expedited their appointments. I extend my gratitude to the following members and non members for their help in setting up and taking down of the rings - Debbie Richter, Denise O'Keefe, Ron Davies, Keith Gambrill, Jim McKender and Virginia Caleo. An extremely drenching job. Also much appreciated on the canteen, the efforts of Val Davies, Jan Gambrill and Betty Richter, and John Todkill who ably manned the Bar B Que. Our Club Secretary, Ann O'Keefe who prepared the lovely meal for the Judges and the after show relax. This gave us a little time to get dry so we could go out again and get wet packing away!!

My thanks to Sue McFadden for her first effort as Trophy Steward. She displayed the trophies for all to see, prior to the show canvassing donations for our In Show and Class trophies. I must apologise that I did not display the Obedience Trophies on the shelves. Also thanks to Babs Schou who assisted in the Secretary's office, and to our Steward, Paul Carroll, who ably fulfilled his duties, seeing he is only called upon to do so from Cocker Show to Cocker Show. We had a small hiccup brought to our attention and soon corrected. Hazel Baldwin, running from obedience to breed ring did a wonderful job as our obedience steward. My thanks to you, Hazel.

Our raffle sellers doreen hughes and Betty Richter are to be thanked for their sterling effort in raising approximately \$66.00 clear profit. Congratulations to all our In Show winners and to the other exhibitors who braved the weather to attend our 73rd Championship Show.

I myself was very pleased with the way the Show went and hope that the Club and its members were satisfied with my first effort as a Show Secretary. In closing I would like to say thank you all again for your help and I look forward to receiving your entries for our August Show, under our Judge Miss Geraldene Hudspeth of South Australia.

Your Show Secretary,

ROBYN HOPKINS.

THE COCKER SPANIEL SOCIETY OF NSW INC.
CODE OF ETHICS

This Code Ethics establishes a standard of conduct to be followed by all members of Cocker Spaniel Clubs throughout Australia in the normal course of owning, breeding, exhibiting, selling and judging Cocker Spaniels.

Breeding represents a great responsibility to each individual, as he or she can either upgrade or nullify many years of conscientious effort. The breeder must be aware of this responsibility.

The problems of the Breed can only be improved by discriminating and intelligent breeding programmes. Breeding is to enhance positive qualities and cannot be expected to cover up serious faults.

Therefore, breeding partners should be carefully investigated for background and serious faults before a commitment is made.

AS A MEMBER OF THE COCKER SPANIEL SOCIETY OF NSW INC., I HEREBY AGREE THAT:

1. I will abide by the Club's Constitution and By-Laws and support the standard of the Breed.
2. I will comply with all Kennel Control Rules and Regulations where they pertain.
3. I will, at all times, whether at home, travelling, at shows, or in public places, display good sportsmanship and conduct myself in such a manner as will reflect credit upon the Club and the Cocker Spaniel.
4. I will help to educate the public in the standard of the breed and in all other areas where I am qualified.
5. I will try to breed in such a manner as to improve the quality of the breed.
6. I will not use for breeding any dogs and/or bitches with major defects.
7. I will not mate my Cocker Spaniel to any unregistered dog or bitch.
8. I will sell only Cocker Spaniels in good healthy condition, free to the best of my knowledge, from communicable disease.
9. I will not sell as registered any dog or bitch which has defects of a nature that is detrimental to the Breed.
10. I will supply each purchaser with the following where applicable, at the time of sale:
 - a) Registration Certificate
 - b) A three or four generation Pedigree cert.
 - c) Immunisation Certificate
 - d) Diet and Care Information Sheet
11. I will not sell stock without true representation to the purchaser. All advertising will be honest and not in any way misrepresentative, misleading or fraudulent.
12. I will continue to offer helpful assistance to the buyer for as long as such aid is required.
13. I will not sell or donate any Cocker Spaniel to Commercial Dog Wholesalers, retail pet dealers, or directly or indirectly allow them to be given as prizes in contests of any kind, or for any purpose that may lead to their exploitation.

A CODE OF ETHICS IS ONLY AS GOOD AS THOSE WHO ABIDE BY ITS CONTENTS.
