**7th NATIONAL ISSUE**

**7th NATIONAL**  
and  
"Frank Werner Memorial"

The most important event on The Cocker Calender for 1996 is over. We report the show was held in ideal conditions-there was no need for our 'rain insurance' in the form of the huge marquee. The marquee however, was much appreciated by exhibitors who could set up in comfort without worrying about umbrellas ect.

With an excellent breed entry of 294 and a highly respected Judge Mrs Angela Hackett of Lindridge Kennels,UK the stage was set for a wonderful weekend. The Official opening followed the entry of officials lead by a Scottish Piper and made an impressive start. A great team lead by the Show Manager Mr Jim MacKender with Steward Mr Ken Griffin kept classes moving well. This was a real achievement, with some classes numbering 22 exhibits. It was very pleasing to see our Judge give every exhibitor the same careful attention and it was obvious she knew just what she was looking for.

The atmosphere around the ring was excellent - with applause for winners and a good show of sportsmanship, something not always seen. With the dogs being judged on the first day, and the bitches the second day, despite the very large number, everything went to time - a tribute to the judge and the ring management.

The supply of free tea, coffee and biscuits for all visitors was obviously appreciated - we must be a thirsty lot- around 700 cups were used!

National mementos were on sale - and there are still a few Key Rings and Lapel Badges available if anyone missed buying them on the day. Key Rings \$4.00 Lapel Badges \$3.00, both plus postage available from the Secretary .

The ring had been made most attractive with plants, flowers and displays by our generous sponsors EUKANUBA. An item that caused a lot of comments was the trophy table and ribbons. We don't feel we are boasting when we say it really was outstanding and the subject of much appreciative comment. Everyone on the ground would have been proud to take home the Best in Show and all Class in Show trophies. At the conclusion of judging, around a 180 people enjoyed the smorgasboard in the attractively decorated amenities room, dominated by the display of trophies.

Mrs Hackett spoke briefly at the end of the night and commented on her surprise to find such a depth of quality in the dogs. Not having been in Australian before, she did not know what to expect, but was delighted with the overall quality and also commented on the beautiful, and clean, presentation of every exhibit. Her detailed comments on the show will appear in our next gazette, together with photos of class placings. Time prevents publishing this at present.

We were fortunate to have the services of Mr Les Williams to professionally record the whole event on video. Enabling us all to relive this memorable event in years to come (see order form in this gazette).

An enormous amount of organisation, planing and work was necessary over many long months, to present this National and Memorial Show in the form it took. A small band of dedicated people achieved this, and felt rewarded by the success, the judging and the many verbal and written compliment that have since been received.

Dear Betty,

15th. August, 1996

On behalf of Maureen Jones, Elizabeth Connolly (William's owner) and myself I would like to take this opportunity to thank the NSW Cocker Spaniel Society for their hospitality and to congratulate them on such a well run show. The trophies were excellent and something that will be treasured for a very long time.

We would also like to thank all the exhibitors and spectators for their sportsmanship and their good wishes which were much appreciated. With the quality of the dogs that we saw at this show Cockers in Australia have a bright future.

Once again thank you all,

  
Maureen Jones, Elizabeth Connolly, Kathryn & Elaine Job

Dear Betty,

This is just a short note to compliment you & your club on a magnificent National show.

Your trophy table was outstanding - I have never seen one as impressive. Thank you for inviting me to do the card writing. I thoroughly enjoyed myself on both days.

The atmosphere was wonderful. Everyone I spoke to was pleasant & it was so lovely to see people enjoying themselves.

I know the huge organisation that goes into an event of this magnitude & from where I sat, the whole thing ran smoothly & efficiently.

Once again, thank you for including me in your show. I'm sure that Frank Werner was looking down with great pride.

Yours faithfully

Margot Stuckey.
