Baby Puppy Sweepstakes Dog (AOC)

What a lovely fun class to start this show with and what a lovely bundle of fun that won the class for me.

1st Emerton L WATERSMEET THE TEMPIST Best Baby Puppy

3 ½ months old, full of character, full of type, made a lovely compact shape on the table and for one so young when it came to move, he really showed his character. Has a lovely head and eye, beautiful work in the head for the age, lovely bone, nicely ribbed for his age, nice compact shape, lovely tail set, nice sound movement throughout, shows a lot of promise. What a lovely young fellow to win the first class.

Thank you

2nd Keely/McFadden ALHAMBRA VINNIE JONES

Dark blue of 4 ½ months old, obviously that little bit more mature than the winner, but many of the same remarks apply. Lovely compact cocker type, nice head and eye, good bone, good body shape over all, very good sound mover.

3rd Keely/McFadden ALHAMBRA GEORGIE BEST

Another dark blue of 4 ½ months, looking very promising for his age. Lovely character, good bone, nice masculine head, good head and eye, very nicely ribbed for his age, moved with a lot of character.

Baby Puppy Sweepstakes Dog (SOLID)
