PRESIDENT'S REPORT

Hello again to everyone. Our Champ Show has been run and won, congratulations to all those that entered and of course, the winners. A good entry and it was great to see some new faces and new dogs with the addition of the new class that we trialled on the day. It was good to finally get our contracted Judge, Jane Armatys down from Queensland after some long running covid issues.

Whilst the day did not go as smoothly as we would have liked, whilst running in conjunction with the open shows, overall the day turned out ok. Thank you to all those that entered and to the committee for their work behind the scenes and on the day. Special thanks to all our sponsors and to those who donated sashes and or prizes.

Now it's time to concentrate and prepare for the upcoming Melbourne Royal Show in September. This year Collie Day is on Thursday the 28th September. I look forward to seeing you all there. Don't forget our AGM is coming up in October so get your nominations for Judges and committee members in no later than Collie day at the Royal

Cheers

Alan Wallace

SECRETARY'S REPORT

Our Championship Show has been run and won for 2023 – huge congratulations to Team Carluke, for an amazing success story.

The day itself was a dismal failure, proving that running our show in conjunction with two all breeds open shows did not work in our favour, so it won't happen again. What was a very successful element on the day was the raffle – sincere thanks to Graham Benson and Pat and Kevin McGill for their efforts organising it. Some aspects of the conduct of our Championship Show need to be addressed before the next one, so put your hand up if you can contribute.

The majority of the Committee decided that the 2023 Open Show was proving too difficult to schedule, so it has been cancelled.

The Annual General Meeting is fast approaching so please consider giving some time to your Club. Good Luck to those entered at the Melbourne Royal Show.

Kaye Reeves

JUST CROWNED

Ch Foxbell You Fetchem At Orthanc HSAs HSMAs HSBs

10/08/2018

Sire: Ch Foxbell First Romance CD RE HNAs

Dam: Ch Foxbell Very Finished HT

Bred by Janice Cook Owned by Shelley Donald

Success from the sheep paddocks, with Mackie gaining his Herding Started B Course Sheep title on 14 May. All of his three required passes were in the mid to high 90s, just awesome runs!

This not a typical course for the breed, being a big paddock and long cast event, but he's got scope I've never seen in a Collie before.

Mackie is the first Collie (Rough or Smooth) in Australia with a B Course title on Sheep and will now be known as Ch Foxbell You Fetchem At Orthanc HSAs HSMAs HSBs.

Our next challenge is to train him for Intermediate on both A and B course and determine if he will politely herd ducks, to demonstrate stock versatility.

Velma (Val) Moore. (Moorholme Collies)

Born 05 September 1933

Died 10 June 2023

Val Moore and her family entered the purebred dog world in 1970 with the purchase of their first Collie (Glyntwood Sir Camelot) bred by the Late Alma Phillips and Kevin Evans. At that time, they entered the CCV members competitions that were held at Zora Mitchell's residence in Boronia.

In 1973-74 Val and her family purchased a couple of Collie bitches, one of which was a Westlands bitch by Ch Graeith Commodore who had moderate success in the show ring. These were the days that breed classes would have anywhere from 10-18 dogs in a class and CCs were 25 points. This bitch was put to Eng Ch Corydon Quinault (Imp UK) and produced some new bloodlines that produced CC winners with their children and grandchildren.

During this time Val and her family joined the Collie Club of Victoria. She also became a committee member and held various positions including; Assistant Secretary, Secretary, Puppy Sales, and Chatter Editor. Val also joined the Collie Club of America to learn as much as she could about genetics and dominant and recessive traits, and Collie problems like CEA and PRA that were becoming more prevalent in the breed at that time.

In 1980 the Moore family opened a boarding kennel and pet transport business located at Melbourne Airport which Val continued to run until the property was acquired by the Federal Government/Australian Pacific Airline Corporation in 2018. Moorholme Pet Care Centre also conducted Herding Clinics and they were very popular with many of the Collie breeds including Beardies, Borders and Shelties.

In the 1980's Val decided to become a judge and obtained her Championship Show Judge's licence for Group 5, as well as Open Show Licences for Groups 6 and 7. Val judged in most Australian states and in New Zealand during her judging career. Val was seen at many shows in the 1980s-90s having discussions with many then would be all breed judges while they were doing their lectures and training sessions for Group 5 dogs - in particular Collies Rough and Smooth.

Val and Harry bred both Collie Rough and Smooth along with their sons, Wayne, Rod and Glenn who later ventured into Samoyeds and Belgian Shepherds respectively. Val remained loyal with her love for the Collie breed until her passing.

Gracie's Journey

At the end of January this year Rosemary Thomas' Gracie (Cathkin Cause U Make Me Smile) was bitten by a spider the following is the account of Gracie's journey through this. Fortunately, both Rosemary and Gracie came through the ordeal in one piece. Gracie was confined to bed and standing room in a pen for two months unable to put her foot down, as the Vet didn't want her to damage her foot any further by walking on it. The main concern being that the foot would splay under the pressure. During this time, Gracie had to be walked out to toilet and put back in her pen with her leg supported the whole time.

Rosemary would like to acknowledge and thank Dillon from Monash Veterinary clinic for all his help, support, and care in looking after her precious Gracie. There was a real possibility of losing toes and having skin grafts, which would have needed been done by a specialist surgeon. It has now recovered.

Below is a diary of Gracie's journey. Rosemary sent us several photos, some of which are quite confronting as her paw was very badly damaged with bone and tendon being exposed. Gracie is now happy and back to running and playing and the hair is starting to grow over the wound.

31st January 2023

Had Gracie at vet vomiting with traces of blood, and sore foot, told grass seed (which presents in the same manner as a spider bite). She had a surgery for removing grass seed. Told Not to bandage wound, a spider bite should be bandaged but at this point the problem was thought to be a grass seed.

3rd February 2023

Gracie vomited blood took her to the Vet, who placed her on drip. She returned home that night.

5th February 2023

Gracie's foot began to smell quite badly, and she wouldn't weight bear on it.

7th February 2023

The Vet cleaned and packed wound, having decided it was a spider bite which should have been bandaged.

8th February 2023

Maggots found in the wound. Took her to the Vet. Dillon (Monash Vet) put a gas mask over leg pumping gas into foot to kill the maggots, which were in the wound and between her toes. Vet rebandaged the wound daily for the following three days and followed up with extra measures to kill the maggots that persisted on the 11th.

13th February 2023

The Vet rebandaged the wound and suggested a surgical consult as Gracie may need skin grafts or an amputation of her toes.

18 February 2023

Vet Dillon bandaged foot, and rebandaged the wound again on the 22nd and 24th by which time there was some encouraging signs of the exposed bone being recovered by tissue. The wound was then rebandaged again on the 27th and the 3rd and 8th of March. By the 15th of March there were signs of skin beginning to cover the open wound. Gracie had her final bandage change on the 22nd of March and continued to improve.
