## VISION STATEMENT

Our vision is a united club that spans the interests and activities of all the membership. Our aim for tomorrow is a country where Collies (Rough and Smooth) are bred by responsible, knowledgeable breeders and are owned by a fancy well versed in the breed and committed to their care and betterment. We welcome all walks of life and envision a membership as diverse as the activities they are engaged in. With support and education offered to all in their equally worthy endeavours, we strive for our great hope: A future where no Collie (Rough or Smooth) goes unwanted.

The Collie Club of Victoria Inc. endorses a long-term breeding program in conjunction with the ANKC vision for the Health and Welfare of Pedigree Dogs

## PRESIDENT'S REPORT

Congratulations to all this year's Royal Melbourne winners. A lovely day was had, and the weather was kind to us for our time in the ring.

My concern is the falling numbers of Collie entries in the Conformation area. With only 16 Roughts and 6 Smooths entered and even lower numbers at the Sydney Royal, it is a serious concern. Only 2 interstate entries as well did not help the numbers greatly. With increased costs, council regulations and the fact that breeding numbers have reduced, I'm afraid the Conformation side is coming to a dying end. The interest in Dog Sports seems to be increasing so I hope there is some future for the Club.

Don't forget our AGM is coming up this month so if you are interested, we will be taking nominations from the floor for Committee and Positions on the night.

Dog Lovers on again this month as well to look out for and our Club's Trials in December. Membership fees are now due.

Look forward to seeing you at the AGM.

*Cheers*

*Alan Wallace*

## SECRETARY'S REPORT

I do believe spring has sprung – most days!

The most pressing matter for the Club and our members at the moment, is the AGM (23rd October), and the associated procedures to be undertaken. Nominations are required for the people who will hold the reins of the Club for the following year, and to keep the necessary records to abide by our laws.

Nominations for future judges for our shows are also required, including the Open Show judge for 2026 and the Championship Show judge for 2027.

Without the involvement of members having their input on the running and functions of the Club, there will be no shows.

One aspect I have noticed over the past few years is the tendency for some members to concentrate on the negatives, and the denigration of those who do the work, to the detriment of the positives in our Club.

Moving forward with heart and support should be our aim, to make the Collie Club of Victoria a place where members are treated with respect, and valued, through their love for the breeds.

*Kaye Reeves*

# Dog Sports Report

*From the 1st of June 2025 to the 31st of July 2025*

June through to the end of August is a busy time in the performance rings. Tracking and Track and Search are in full swing, Scent work which so many dogs enjoy is going gangbusters and Sprint Dog and Lure coursing all take advantage of the cooler weather. Many of our performance judges hold licences across multiple disciplines which does at times lead to bottle necks, and just as in the conformation world we are having a generation of judges stepping down. However, after years of a shortage of those willing to step up there are now more trainees coming through. The current situation does makes things challenging at times.

## AGILITY:

Collies and agility, is all about Nakor (Ch Sunshard Advocate of Illusions JD TK.I SPD SPRD JC) at present. Pauline Wilkins and Juno have had a break, so it's been left to Sir Barks-a-lot to keep the Border Collies on their toes. On the 15<sup>th</sup> of June, Rockhampton hosted one of their combined trial weekends. Nakor and his friend Tully, the other half of team Gingernuts went out to try their luck at the Excellent level. Strategic pairs is often referred to as chaotic pairs, as it can be a bit like that mostly it's do your best and laugh at the mayhem. But no, both boys pulled on their big boy pants and powered around to claim their first Excellent level quali and a first place.

Rockhampton DOC hosted another trial a month later, on the 12<sup>th</sup> of July where Nakor gained a pass in his Excellent Jumping class.

## HERDING:

Again, herding is a one Collie show while Mackie and Shelley await the grandkids debuts. Still, Mackie always does a great job of representing the breed. On the 6<sup>th</sup> July the Victorian Herding Association hosted a weekend of trialling at Chiltern. Shelley spent the weekend judging various levels and competing in others. Mackie had a fab weekend gaining three first places. One to go with his pass in the A Course Intermediate on Sheep. While the other two accompanied his three passes on his B Course Started on Ducks. These three passes completed Mackie's B Course Started Ducks title. He will now be known as Ch Foxbell You Fetchem at Orthanc HSMAs HSBsd HSAAd HIAAs

## LURE COURSING AND SPRINT DOG:

Sprint Dog has just about exploded. Every trial seems to have a bigger entry of Collies as well as lots of new people who have found the temptation too much to resist. It is wonderful, but with only 5 licenced judges in Victoria the judges are certainly getting a workout!

On the 8<sup>th</sup> of June the Melbourne Lure Dog Club held a Sprint Dog Trial at KCC Park, which included two roughs and a smooth. The two roughs were Heather's and Katrina's girls Charlee (Brafferton Dragons Treasure TDX JC SPRD) and Ahsoka (T Gr Ch Sunshard Talk Without Speaking RN TSD CAA SPRD), the smooth was Robyn Neale and her tri girl Vixen (Brafferton Vixen)(pictured) who went out for their first venture into the dog world. All three had a great day in spite of the cold, blustery conditions and all three dogs successfully completed their runs to gain points towards their titles.

A week later the ladies were off chasing bags all over the place. In Victoria they were back out at Moora Lure coursing in very chilly weather. Moora being where it is generally involves camping which of course means campfires and a good excuse for a spit roast dinner, lots of coffee and some good company. Ahsoka finished the weekend with two passes for her trouble and Katrina managed to make a detour to the local chocolate factory on the way home for her own reward!

Meanwhile just over the border the South Aussies were out doing Sprint. What was meant to be one day of Sprint trials followed by a Lure coursing trial unfortunately ended up being just a Sprint trial when the grounds were found to be unsafe. Never mind, better to have handlers and dogs in one piece. Eva and Phoenix attended the weekend and came home with another tally of points towards Phoenix's next Sprint dog title.

Over the weekend of the 21<sup>st</sup> and 22<sup>nd</sup> of June Sprint dog finally made it to Far North Queensland when the Burdekin Canine Club Inc hosted the first trial in the area. Chloe Lewty's boys were in exports of joy at finally being able to go out and chase again. The weekend was a great success with both Neo (Lexwood Winter Is Coming JC SWN TK.S) and Rebel (Lexwood Blackfyre Rebellion CA HT TK.S) gaining passes both days and they were joined by Nakor and Naomi for a very successful, loud and fun weekend. Chloe's Tervuren George (Mirribandi Red Hot (AI)) also joined in for the fun. (pictured left)

A week later back down in Adelaide, Noarlunga ODC held their first Sprint dog trial with the club's usual efficiency. Both Eva and Karen Mingham were at this trial with Phoenix (Brafferton Raven at Inkdinlce TK.S SWN N.SPRD) and Zoe. The girls had a wonderful time and were flush with cardboard and Zoe also came home with her title. This will make Zoe; Ellerran Carry Me Home AF CH JC SPRD SWA

Back up the eastern seaboard, over the same weekend Naomi and Nakor were back at Durack. After having a fairly chaotic time in agility on the Saturday, Nakor made up for his antics with a sterling run in his Coursing ability run at the Lure coursing trial held on the Sunday to add another pass towards his next title.

On the 20<sup>th</sup> of July the Sprint dog chute at KCC was back in action, with the usual suspects all out for fun. Heather Johns and Charlee, Elliot Glass and Porgie (Brafferton The Flash), Robyn Neale and Vixen all went out and dashed up the chute to claim their quallies and add to their points tally. However, the story of the

day went to Katrina who not only gained the last points for Ahsoka's Advance title but also managed to nab the Catcher of the day award by not falling on her backside when Tucker the GWP decided to go through Katrina to grab those bags! And if you've ever seen Tucker run you'd realise.... That's REALLY impressive! Ahsoka will now be known as T Gr Ch Sunshard Talk Without Speaking RN TSD CAA SPRD.A

### **OBEDIENCE and RALLY:**

The 5<sup>th</sup> of June saw the Collie community of Queensland descend on Durack for a long weekend of Specialty shows, All Breeds shows and Performance trials of various kinds. In amongst the chaos were a few expats who'd snuck back up for the festival of all things canine. The Thursday night started off with a double Rally trial and a lot of Queenslanders bemoaning the weather. Apparently, it was cold (cue the eye rolling from down south, cold they say COLD and yes you know the rest of *that* little monologue) none the less Naomi and Amy went out with their mother and son team to scoop up 3 passes between them. Nakor had one crack at the last pass he needed for his Novice title before Naomi absconded to judge her own ring, which he accomplished but not without a certain amount of celebratory barking. Nakor will now be known as Ch Sunshard Advocate of Illusions RN TK.I SPRD JC JD SPD

Meanwhile Amy and Deo went off to show the boychild how it was done. Two Masters classes later, and Deo got to relax with the spoils of two pass cards and a first place. These passes in combination with her show results enabled Deo to snaffle the special versatility award on offer for the weekend of events.

A week later back in Rocky and in far milder weather Nakor tried out his off lead skills in Advanced. Which he actually accomplished quite well, coming home with two comfortable passes towards his next title.

We aren't quite sure on the where but on the 21st of June Jackie Christensen and 12 year old Lilli (Ch O. Ch Clairecotts Lilli O Th Valley RA TK.I ADX JDX SPD SD HTM.I FS.A) who recently completed her Rally Advanced title ventured out to have a go at the Excellent level. Lilli quite enjoyed the day and came home with two passes towards the 5 required for the Rally Excellent title.

On the 12<sup>th</sup> of July, Rockhampton DOC hosted another of their small but regular multi sport trial weekends. After spending the first day buzzing around the Agility ring with a certain amount of success Nakor and Naomi moved over to the Rally rings to complete their Rally Advanced title. Nakor will now be known as Ch Sunshard Advocate of Illusions RA TK.I SPRD JC JD SPD

On the 27<sup>th</sup> of July at Hervey Bay, Ann Walsh ventured out with Winter (Ch Fairenvly Black Magic RN TK.S) for their first attempt at Rally Advanced. Ann had a few little hiccups with handler errors (isn't that always the way!) but she and Winter still walked away with two quallies and a first and second place.

On the 20th of July Eva and Phoenix ventured off to Barmera for a weekend of trialling. It was a very successful weekend, with Phoenix gaining two passes in Rally Novice, a 1<sup>st</sup> place, a 2<sup>nd</sup> place and her Rally Novice title. Phoenix will now be known as Brafferton Raven at InkdinIce RN. TK.S. SWN. N.SPRD

### **SCENT WORK:**

The SA State Scent Work trial had such a huge entry that balloting was the order of the day which says a lot for the explosion of popularity that the sport has had. The trial was held over multiple days, beginning on Friday the 20<sup>th</sup> of June and hosted all four elements. Vehicles, Interiors, Exteriors and Containers. Eva attended this trial with Rocky (Brafferton Black Ice CDX RAE TK.S RM SWA TD N.SPRD JC) and Phoenix (Brafferton Raven at InkdinIce TK.S SWN N.SPRD). Rocky managed his first Masters pass in Containers, complete with a second place, while Phoenix attempted three elements at the Advanced level and passed

each of them. She came home with a pass in Interiors, and a 2<sup>nd</sup> place pass in Containers, as well as a 3<sup>rd</sup> place pass in Exteriors.

Bryan and Sandra Crowley also made the trip over the border for the trial. They had a very successful weekend with all three boys working well. 12 and half year old Rioja (DUAL. GR CH. (TS) (Neut) DUAL CH. (T) Ellerran Rioja Blue Distinctn FM SWA) managed a 4<sup>th</sup> place in his Excellent Interiors, while Durif (Neut Ch Tri Ch (T) (TS) Grand Ch (T) Ellerran Durif Parti Hi Lights SWA) was 2<sup>nd</sup> in his Excellent Interiors class, but the icing on the cake for the whole trip was Enigma gaining the final pass he needed for his Scent Work Excellent title. Enigma will now be known as Tri Ch (T) (TS) Ellerran Enigma Blue Beguile SWE.

Almost a month later on the 12<sup>th</sup> of July the K9 Scent Club, hosted an Excellent trial at the Dandenong Show Grounds, with classes in Interiors, Exteriors and Vehicles. Bryan and Sandra took the three blue boys out for the day. Everyone enjoyed themselves and all three got passes in Exterior and Interior elements. Rioja and Enigma did well but Durif was the star of the day managing to snaffle a 3<sup>rd</sup> place in both elements. (pictured)

A few weeks later the K9 Scent Club held another trial this time at Lang Lang Show Grounds on the 27<sup>th</sup> of July. Amy ventured out to this trial with Tachi and

came home with a nice quali in their Novice Containers class.

### TRACKING:

On the 19<sup>th</sup> of July Naomi and Nakor set out to attempt their test 3, I am pleased to report that even after some complications created by livestock and a poorly timed bathroom break, Nakor completed his test3 with a rating of good and thus gained his first Tracking title. He will now be known as Ch Sunshard Advocate of Illusions RA TD TK.I JD SPD JC SPRD

### TRACK AND SEARCH:

On the first weekend in July the Tracking Club of Vic held a Track and search trial at KCC Park, as ever this was a very busy trial with dogs and handlers out working tracks all over the surrounding area. Tracks are laid in Botanic Ridge, Marriot Waters, Berwick Springs and Hampton Park. Bryan and Sandra took their two blue boys to this trial and had a great time.

Enigma went out to do his test 9 which includes a car component where the tracklayer hops in a car midway through the track and travels in it for 200m. He did a lovely job gaining a grading of good and the judges track of the day. Later that night Durif went out to do his test 10 the final track required for the Track and Search Grand Champion title. Despite the challenging conditions Durif did everyone proud finding his tracklayer and gaining a grading of very good to complete his tracking career. Durif will now be known as TS Gr Ch Tri Ch (T) (TS) Ellerran Enigma Blue Beguile SWE.

### TRICKS:

We aren't sure exactly when but at some point Teeny Talsma and Dixie achieved her Tricks Novice title. Dixie will now be known as Ch Carluke Fabulously Fancy TK.N

In Brisbane on the 22<sup>nd</sup> of June 12 year old Lilli gained another pass towards her Advanced tricks title. A few weeks later, on the 13<sup>th</sup> of July at the GSD Club of QLD's Double Tricks Trial, Jackie Christensen and Lilli completed the final of the 8 passes she needed for her Advanced Tricks title. Lilli will now be known as Ch O. Ch Clairescotts Lilli O Th Valley RA TK.A ADX JDX SPD SD HTM.I FS.A

On the 20<sup>th</sup> of July Eva and Phoenix ventured off to Barmera for a Tricks and Rally trial and what a successful trip they had, with Phoenix gaining 4 of the 5 passes required for her Novice tricks title. Which included two 1<sup>st</sup> places, a 2<sup>nd</sup> place and a 3<sup>rd</sup> place.

### OTHER ADVENTURES:

On the 12<sup>th</sup> of July Heather Johns and Charlee spent the day out at Springers in Keysborough following the pace setter around the grounds for the three legs of their 20km endurance test. As expected, both Heather and Charlee came through with flying colours and Charlee was rewarded with her Endurance Test Title. Charlee will now be known as Brafferton Dragons Treasure TDX JC SPRD ET

## Collie Club Sprint Dog Trial

So, while some of our members were off at General Specials day, the three musketeers of the performance arm of our club were out at KCC running, judging and helping (well yes and playing!) at the Club's first Sprint Dog trial. Why General Specials day you ask? Well pinning down a date that suits a very busy judge *and* DV is challenging to say the least! Were there some teething problems? But of course, but by and large the whole shebang went off well and everyone had a great time. We had a total entry of 107 and a Collie entry of 17! It was a bit on the warm side but lovely weather. So well done to our trial sec and our two lovely judges. Photos of all our Collies kindly taken by Vicki Brown, who ran off to wrangle the ones we couldn't find!
