PRESIDENT'S REPORT

Here we are three months down already and we find ourselves readying for the rescheduled AGM on April 28th. Please do your best to attend as this needs to be completed to keep the club going forward.

Remember our Champ and Open Shows are on Sunday the 26th of June at the Park. There will be more room this year as we are only sharing the pavilion with one other club.

We also require sash and trophy donations so please let Katrina know what you are able and willing to give.

I look forward to seeing you all real soon.

Alan Wallace

SECRETARY'S REPORT

Well, another Championship show is upon us and it is shaping up to be a great show so please get your entries in.

With the AGM coming up I will be stepping down from the Secretary position. Due to time and distance constraints, I find myself unable to provide the service to the club required by a secretary.

I would like to thank the other committee members for their support throughout the last 2 years with a special mention to Bronwen and Alan, I will however take an active part in the club.

I urge all members to attend the AGM later this month. Support the club and officials that support you.

That's about it for now, so stay safe and I will see you at the shows.

Dave

Robert (Bob) Bell

14/9/39 - 27/2/22

I first met Bob Bell when I started with Collies way back in 1965. A charming and handsome man – he had a litter sister to the bitch who was to become my foundation.

He had been “in Collies” for quite some time before that, purchasing his first Collie in 1956. Originally in partnership with Doug McNeil, Bob had a Dormie bitch from Mavis O’Neil and a Dawnayre dog from Val Lewis. Bob also served as secretary of the Collie Club.

He commenced his judging career in 1963 – and in 1967, he judged the Collie Club of Victoria Championship Show.

Marrying Jennifer Rizzetti, he was then part of the Jenrock prefix (with father-in-law Harry Rizzetti).

Attaining his All Breeds judging license in 1976, Bob had the honour of judging at many of the major events in this country, as well as internationally.

A member of the KCC Management Committee from 1976 until 1993, he also served on many KCC sub-committees. Joining the RASV, he was Chairman of the Dog Section Committee until stepping down in 2013. He was recognized as a Councilor of the RASV in 1995 and elevated to the highest honour of Life Councilor in 2015.

With health issues becoming more debilitating over the last few years, he stepped down from his positions as Chairman of the Classic Dog Show Committee, and Vice-President of Caulfield & District Kennel Club. He remained on the RASV Dog Section Committee, an incredible 29 years of active service – making him one of the organizations longest serving volunteers.

To his wife, Jennifer, daughter Louise, son-in-law Brett, and grandsons Joe and Harry, we extend our sincere sympathy on the loss of a beloved husband, father, father-in-law and grandfather.

The world is a sadder place without you, Bob. Rest in Peace!

CHAMPIONSHIP SHOW JUDGE

BIOGRAPHY

Sue Mallia

My experience and passion for showing Rough Collies has been lifelong. My mother bought her first show Collie in 1958 and I was at shows right through my early childhood years. I became a Junior Handler when I was old enough and registered my own prefix in 1984 "Arranbrae". Arranbrae has been the home of many Best in Show All Breeds and Specialty winners and we are very proud of the achievements of our gorgeous Collies.

I breed and exhibit Rough Collies and Keeshonden under this Prefix and my husband shows and breeds Shar-Pei under the Elitrols prefix. I have also bred and exhibited Shetland Sheepdogs under the Kaysview prefix.

I have bred Rough and Smooth Collies in all three colours.

I attained my All Breeds Judging license 16 years ago. I have had the privilege of judging in all states of Australia and many overseas countries.

I am the Co-Ordinator for the Show Judges Training Scheme for Western Australia and I have held this position for the last 4 years.

I am very honoured to be asked to judge your beautiful Rough and Smooth Collies in Victoria and I look forward to meeting you all after the show.

Ch Alistone Masterpiece

9/04/2018

(Kirrieloach Mr Money Bags (AI) – Alistone Fire In The Sky)

We were very pleased to announce that our bitch, Alistone Masterpiece otherwise known as Nuka has

achieved the final points for her Australian Champion title. She was awarded these final points by Mrs Donna Morris (Swinbrad Collies NSW) at the South Eastern Kennel Club show held at KCC Park in January.

Owing to the COVID lockdowns we have had limited opportunities to show her and are therefore really excited by this result. Our thanks to the judges, Nuka's breeder Alison Wooley and last but not least our dear friend Katrina Staniland who handled Nuka for us.

Dog Sports Report

For the 1st of May 2021 to the 31st of July 2021.

As we know the last two years had a massive effect on everything particularly in Victoria where we had what seemed like an endless wave of rolling lockdowns. This mean that most of our trials were cancelled or postponed (and in some cases repeatedly postponed, then cancelled!) other states fared somewhat better and there were still titles achieved. Things are now gradually getting back to normal, but it is a slow process with some of our dogs retiring due to advancing age and others struggling to get back into the swing of things. However, Dog people are a resilient (or is that obsessive?!) lot and we are getting back out there again now.

AGILITY:

On the 25th of June as part of Queensland's state trials, Jackie Christensen ventured out with Lilli to claim the final pass that they needed for their ADX title. A day or two later, on the Sunday they rounded this off with a pass in strategic pairs which gave Lilli, her SPD title. These two titles mean Lilli will now be known as Ch Clairescotts Lilli O Th Valley CDX RN HTM.I AD JDX SPD TK.S

LURE COURSING:

On the 2nd of May in SA Eva Drage took Rocky (Brafferton Black Ice CDX RAE RM TK.S) out for his first formal lure coursing trial. Rocky had a great time flying after the lure while telling everyone who'd listen all about it. Rocky aced it and came home with his first pass card towards his Junior Courser (JC) title, and Best Junior Courser in trial.

On the 15th of May at the other end of the country, Queenslander Chloe Lewty and Rebel (Lexwood Blackfyre Rebellion HT JC) (pictured) were back out chasing the lure, with Rebel gaining another pass towards his CA title and a second place.

A fortnight later the pair ventured out again and on the 30th of May Rebel completed the last of the eight passes he needed for his coursing ability title, making him the first Collie in Australia to gain this title. Rebel absolutely loves his lure coursing and has had a wonderful time building up the passes required for this title. Over the weekend he and

Chloe ventured off to two lure coursing trials and on the Saturday, he also gained a second place. Rebel will now be known as: Lexwood Blackfyre Rebellion HT CA

Back in Adelaide a week later Eva and Rocky ventured off to their second lure coursing trial. Rocky clearly loves this new game and claimed the final pass he needed for his JC title making him Brafferton Black Ice CDX RAE RM TK.S JC

On the 26th of June Chloe and Rebel were out again with Rebel placing first in his advanced class and claiming another pass along the way.

On the 17th of July SA's leg of the battle of the states was held. Most years each state holds a fun day with each dog having two runs down a 100m straight sprint. These are timed and dogs are ranked by breed and age and the times go into a national database. It's great fun and the dogs enjoy themselves as much as the handlers do. In

SA there were three rough Collies entered Eva Drage with her two Braffertons, Rocky and Inka and Karen Mingham who has two blue girls from Ellerran, the youngest of which is still too young to participate. Zoe (Ellerran Carry Me Home), Inka (Brafferton Incan Sea Treasure CCD TK.S RA) and Rocky (Brafferton Black Ice CDX RAE TK.S RM JC) all completed their runs with great enthusiasm. Pictured left to right, Rocky, Zoe, Georgie (Ellerran Sell Me Your Dream) and Inka

A few weeks later, on the 1st of August, Karen and Eva again ventured off to a normal Lure coursing trial. This time it was for title passes not fun and all three dogs came away with passes towards their titles. Inka and Zoe completed passes for their junior courser title and Rock for his coursing ability title.

OBEDIENCE:

On the 15th of May in SA Eva and Inka trotted off to Munno Para's obedience and rally trial where Inka claimed her second CCD pass with a lovely score of 95/100

A little over a month later on the 19th of June Eva travelled out to Noarlunga with Miss Inka, for a second place pass in CCD and her title Inka will now be known as Brafferton Incan Sea Treasure CCD RA TK.S

In Queensland on the 10th of July Julie Doig and Gus ventured out to Gympie for their double rally and obedience trials. Gus clearly was out to make a statement coming home with not one, but two CD passes both first places and scores of 190 and 196! Well done Gus and Julie! A couple of weeks later the pair ventured out to the Tablelands trial and completed their title with yet another first place giving Gus his CD title. Gus will now be known as Adarstern Hey True Blue CD TK.N RA TD

RALLY:

On the 9th of May Eva Drage and her two roughs Rocky and Inka ventured off to a double trial in the Adelaide suburbs. They all had a very good day with Rocky claiming a pass in masters and a first place, while Miss Inka gained two passes in Advanced a 2nd and a 3rd place and her Rally advanced title Inka will now be known as Brafferton Incan Sea Treasure TK.S RA

The following weekend was mother's day and Berwick's rally and obedience trial happened to fall on the day. It was a nice quiet trial and Miss Miko (T.Ch Talcott Hallelujah CD RM TSD) and her son Taisa (Dual Ch (T) Sunshard The Alchemist CD RE) and myself ventured out for a little quiet trialling. Miko came home with a pass in her masters class and a second place, not bad for a lady who on the following day celebrated her 10th birthday with a lovely snoozy lie in.

Back over in SA on the following weekend Eva and her team were back out again Inka making her debut in the excellent class with a pass and Rocky, cruising out to claim the final pass he needed for his masters title. Rocky will now be known as Brafferton Black Ice CDX RAE RM TK.S

In Adelaide on the 27th of June Sharon Ely took the plunge into rally and stepped out with Lucas (Collieston Dark Stranger) at the Gepps Cross trial. Happily, they had a successful debut coming home with their first pass in rally novice. Great to see more Collie people taking the plunge.

On Sunday the 10th of July in beautiful weather, South Aussies Eva, Linda and Sharon were out trialling again at the South Districts trial. There were four Collies entered and multiple passes gained. Eva's Inka (Brafferton Incan Sea Treasure CCD TK.S RA) gained two excellent passes while Rocky (Brafferton Black Ice CDX RAE TK.S RM JC) gained a masters pass but it was Sharon's Lucas who brought home the bacon completing his rally novice title and making him Collieston Dark Stranger RN.

Pictured below L to R: Lukey (Joshwyn Scouts Honour RN JDX) Lucas (Collieston Dark Stranger RN), Inka (Brafferton Incan Sea Treasure CCD TK.S RA), and Rocky (Brafferton Black Ice CDX RAE TK.S RM JC)

SCENTWORK:

On the 24th of July at the Tablelands trial Neo and Chloe took a brief step away from the tricks part of the trial to participate in the scent work trial, where Neo picked up a pass and a second place on his interior elements section (he was a bit of a naughty boy for the exterior portion of the trial but never mind!).

TRACKING:

The 1st, 2nd and 3rd of May saw the annual running of the working dog club's restricted to group 5 tracking trial. This trial use to be run in Merricks but has since due to the loss of venue been relocated to Yarck. This is sadly the dilemma facing many tracking trials as the landowners sell properties or find the bio security requirements too much to contend with. Fortunately, the club was lucky enough to be offered the use of the property in Yarck. As ever the Working dog trial had quite a few Collies entered, this year there were 5 spread across the trial. On the final day Amy Butler and Deo trotted up and tried their hand at test 4 and quite predictably Miss Deo tried to make the judge earn his dessert cracking her way around to gain a pass with a grading of very good. The previous day in spite of the club being faced with a few extra challenges Vicki Brown and her little team managed to come home with a test 2 pass for young Dragon (Brafferton Orions Dragon) and a test 8 for Miss Dream (who finds tracking a very enthusiastic exercise!) which gave Dream her champion title, which makes her Vicki's 8th Tracking Champion Collie. Dream will now be known as T.Ch Brafferton I Have A Dream TSD

13th of June saw Julie Doig and Gus head back out to Townsville for a crack at their test 3. This proved very successful with Gus gaining a grading of very good and his Tracking dog title. Gus will now be known as Adarstern Hey True Blue CCD RN TD TK.S

Back in Queensland again on the 10th of July (which is a busy weekend for trials Nationally!) Chloe Lewty and Neo went out and tried their hand at their test 1. No pass card but lots of experience gained for next time and as always it's good to see people having a go.

At the other end of the country Vicki Brown was back down at Inverleigh tracking young Dragon, it was a very foggy day but Dragon gained a pass in his test 3 and so claimed his Tracking dog title. He will now be known as Brafferton Orions Dragon TD

TRACK AND SEARCH:

After a lot of cancelled trials, and rescheduled trials we finally got a track and search trial in over the weekend of the 3 and 4th of July. There were 5 Collies entered, a pair of smoothies and a trifecta of roughs but only two came away with cardboard after a few article malfunctions. Articles? Articles? You mean we're meant to indicate those?! Sadly yes, yes dogberts you are! It didn't help that it was proper Melbourne tracking weather, rain, cold and wind. Did we mention the wind?

Vicki went up on the Saturday with Ava (Dual Ch (T) Brafferton Winter Bird) and Dream (Brafferton I have a Dream). Ava gained a pass on her test 2 while Dream did her usual magnificent track but decided articles really weren't that important which of course means no cardboard.

Katrina and Chivas (T.Ch Sunshard Beyond the Dream) had a few little malfunctions which unfortunately cost them a pass. On the Sunday it was us! My boy Taisa (Dual Ch (T) Sunshard The Alchemist CD RE) also had a great track but what a shame about the articles day. Powering around in fine style in the wind and rain but pointedly thumbing his nose at the articles. His Mother however went out for her first night track and after a bit of collie nosiness pulled her socks up and tracked well gaining her TSDX title. This made her T. Ch Talcott Hallelujah CD RM TSDX

TRICKS:

On the first of May Julie Brown and Drummer trotted off to a trial on their own, not the done thing in Julie's household and Drummer's daughter Rowan was not at all impressed. However, the one on one time clearly agreed with Drummer who gained the final pass he needed for his started title. This makes him Ch. Highclere Never Mr Beat CD RE TK.S FS.S HTM.N

The following day at the other end of the country Chloe Lewty and Neo took the plunge and competed at their first tricks trial. Neo enjoyed himself so much he managed to gain a pass and third place.

On the 23rd of May everyone's favourite porkchop aka Leo was chauffeured off to a tricks trial by his owner Dot, who promptly handed the cheeky sod over to her friend Shell Gurney. Why, you might ask? Because Leo is a loudmouth and Leo wants everyone to know about everything. As happened last time Dot and Shell's plan to combat Leo's chit chat worked and the boy managed to come home with a pass and his Tricks started title. Leo will now be known as Tyronlea A Suitable Boy TK.S ADX ADO JDM JDO GDX SPDX SDX

The weekend of the 27th of June saw Dogs QLD holding a trialathon with the state trials weekend which encompasses multiple sports. In the tricks rings we had a few Collies, Chloe Lewty's blue merle boy Neo

gained his second tricks started pass, meanwhile in the novice class Jackie Christensen and Lilli gained a novice pass.

On the 23rd of July Chloe ventured off to the Tablelands club in Atherton for a weekend of trials. In the tricks trial on the Saturday Neo gained his final pass for his started title in fine style with a perfect score and first place. The following day Rebel and Chloe's partner Steve went out and gained their first tricks started pass, while Neo gained a spare started pass.

At the same trial Gus also picked up a handful of passes giving him his Novice trick dog title, the second title he gained at this trial. Gus will now be known as Adarstern Hey True Blue CD TK.N RA TD

COLLIE CLUB OF VICTORIA HANDBOOK 2022

Following the continued postponement of the 2021 AGM due to Covid issues, the Committee voted to go ahead with what may well be the last edition of the Collie Club of Victoria Handbook, published in its present form every 5 years since 1982.

Collie folk around Australia and NZ are invited to contribute. It will follow the pattern of the previous 8 in the series – case bound, hard cover, same page size etc. – full colour.

We recommend 1 or 2 good quality photos per page either clear, sharp prints from a conventional camera or a MINIMUM of 300 dpi for digital prints.

Material may be submitted handwritten (clearly readable please) but preferably typed or on disc or USB (as a Word document NOT PDF file) accompanied by a printed copy. Different computers interpret the same thing in different ways. If you send printed copy as well as the disc we know that is what you expect the finished product to look like – which is not necessarily what the typesetter's computer delivers – thus allowing for corrections to be made before printing. Photo files should be high resolution 1-2 MB – not email size. All copy is subject to the editing process – spelling, grammar, misleading or outrageous claims, standardising titles etc.

PRINTER'S REQUEST

NB: Please don't print out the digital prints to be scanned again, please supply the digital prints digitally with no reduction in quality when sending via email. Logos to be supplied if needed in jpeg format digitally.

If supplying finished art – via photoshop please make sure text does not go to the edge of the document as it could possibly trim off when the printed book is published. Please allow at least 5-10mm around the edge for type – this is also helpful if needs to be enlarged to fit the page. When creating the photoshop file, please make sure it is finished size and set at 300dpi.

For those who have other breeds as well as Collies – sorry – this book is limited to Collies (Rough & Smooth).

We invite submission of articles of interest or suggestions for articles or information that you would like to see included ASAP please so that we have time to make the necessary arrangements. In particular – we would like a photo of any Grand/Supreme Champion who has achieved that status since the last Handbook to be included free of charge in the Grand Champions gallery – also photos suitable for the "Love is..." last page of the book.

Due to advances in technology and the success of previous editions we are able to offer a discounted price of **\$50** for the first page, **\$40** per page for subsequent pages. (cf \$60 per page 2017, \$80 per page 2012, \$100 per page 2007) – quite an achievement in a world where everything seems to be going up!!

Bookings & deposit (half total cost) by **31/5/22** – balance of payment and material by **31/7/22**.
