Signature of Applicant

Name and Title (please print)

Date

PART B — Final Report

B1 PROJECT TITLE

Provide a short descriptive title of no more than 10 words (same as in grant application)

B2 PROJECT SUMMARY

In no more than 500 words of plain language, summarise the major finding(s) of the project and what impact this will have on canine health research. This summary will be used for the CRF website

If any new methodologies were developed please outline here. Please use plain English understandable to layperson and avoid the use of technical terms unique to the area of study

B3 PUBLICATIONS / PRESENTATIONS

List any publications (including abstracts) and presentations (seminars/conference presentations) that have resulted from this project

**Any publication resulting from work funded by the
Canine Research Foundation should acknowledge the foundation.**
