Easter Specialty 2018

The 75th Anniversary Specialty Championship Show was a hit with the Club changing things up with our new layout. We are planning more exciting changes for our National which will continue to improve the running of the show.

Below are a few pictures from the day of our Trophies, Rosettes and Sale Items.

A special thank you to our volunteers Don and Linda Bower and John and Cheryl Embury, who worked tirelessly to ensure our numbers and catalogues were distributed and that our Raffle and For Sale tables ran smoothly.

Our huge collection of trophies prepared and ready for the show. Swarovski crystal spotted champagne glasses and a bottle of Moët for our Best In Show winner. Limited edition Dalmatians NSW wine and wine glasses for our Runner Up and Opposite Sex In Show winners. And embroidered plush spotted towel sets and laundry hampers for our Class and Opposite Sex winners. 75th Anniversary Easter Specialty – 31st March 2018
Mr Rune Brunberg Johansen – Timanka Dalmatians – Sweden

Judges report from The Dalmatian Club of NSW INC 75th Anniversary Championship Show.

I will start to say how honored I was to be asked to judge your 75th anniversary show. Thank you so much for the hospitality and I must especially say thank you to Mr and Mrs Miller for taking so good care of me and showing me Sydney. I really enjoyed my too short stay in Australia. Hope to come back, with my wife and then we will stay longer. I also enjoyed the showground. Perfect for dog shows.

I was very excited to see your Dalmatians. Overall I think you have many really good Dalmatians. I was very happy to see most had very good eye colour – better than home anyway. A few had lighter eyes than home too. You also have many very good movers. To me some were shown in too fast tempo, with the result that the dogs cannot show their best reach – they don't have the time if you know what I mean.

Many were well angulated in rear, often in front too, but not always in harmony which affects the movements. I think the temperament was excellent. There were two that could been more open, but it was never any problem for me to go through them and therefore acceptable. I expected lovely spotting and colour, and you really have had that. Also very happy to see that 98% or so had perfect coat condition. I've never seen so many excellent feet – I didn't write it in each report, as I here will point out how outstanding the feet are. Perfect. I found some really nice heads – but also some that to me were not so typical.

This was for me the first time I judged 'your' way, and it was more difficult than I expected to write the reports for each dog after the show. Next time I will judge this way, I will record my full reports, so I easily can write exactly what I see. A new experience to learn from. Normally my reports would be much more detailed, so I hope you accept what I've written anyway. Some of the classes impressed me very much, and the placings could be different as it had to come to smaller details. I was especially happy with your Open bitches. If I should point out something I think you should put a bit attention to, is the second thigh. Overall I would have liked stronger second thighs. I also would like to see a bit more better developed and longer ribcages.

Thank you again.

Best regards.

Rune Brunberg Johansen, Kennel Timanka.

CODE OF ETHICS

Preamble:

This code of ethics establishes a standard of conduct for members of The Dalmatian Club of NSW Inc. in the normal course of owning, breeding, exhibiting, selling and judging Dalmatians.

Breeding represents a great responsibility to each individual, as he or she can either upgrade or nullify many years of conscientious effort. The breeder must be aware of this responsibility.

The purpose of breeding is to enhance the positive qualities and reduce the incidence of serious faults. With this in mind, potential breeding partners should be carefully investigated before a mating is undertaken.

As a member of The Dalmatian Club of New South Wales Inc., I hereby declare that:

1. I will abide by the Club constitution and by-laws and support the standard of the breed.
2. I will comply with all RNSWCC rules and regulations.
3. I will at all times display good sportsmanship and conduct myself in a manner that will reflect credit on the Club and the Dalmatian.
4. I will help educate the public in the Standard of the breed, inherent peculiarities of the breed, and in other areas where I am qualified.
5. As a breeder of Dalmatians, I will try to breed in such a manner as to enhance good temperament and continue to improve the physical health of the breed.
6. I will not knowingly breed from, or sell as suitable for breeding, any Dalmatian that has known genetic defects of a nature that are detrimental to the breed.
7. I will mate my Dalmatian only with a Dalmatian dog or bitch registered on the ANKC main register or relevant overseas equivalent.
8. I will sell Dalmatians, which are to my knowledge, in good health and free of communicable diseases or with full disclosure of their current health status.
9. I will euthanise bi-laterally deaf puppies unless I choose to find a suitable home and am prepared to take the deaf pup back should it become necessary.
10. I will supply, at the time of sale, each purchaser with the following, where applicable –
 - (a) A Registration Certificate issued by the RNSWCC.
 - (b) An Immunisation Certificate.
 - (c) A diet and care document which will include details about common ailments.
 - (d) BAER test document (if undertaken).
 - (e) Hip Score documentation (if undertaken).
 - (f) Local Council change of ownership document (if applicable).
 - (g) Microchip identification.
 - (h) Information on hip scoring and BAER testing.
11. Any sale/advertising entered into will be honestly represented and not misleading or fraudulent.
12. I will continue to offer assistance to the buyer for as long as such aid is required.
13. I will not sell or donate Dalmatians to commercial dog wholesalers, retail pet dealers, or directly or indirectly allow them to be given as prizes in contests of a kind, or for any purpose that may lead to their exploitation.
