1 – G L Ball: **MYOWN MAN OF STEEL** 6100130646 28-06-2021:
1st Modadobe Valyrian Steel (Ai) - Ch Myown Get This Party
Started

4 month old black/rust male, good size, nice bone and substance, has some elegance about him, very well balanced front and rear, nice feet, very pleasing head with good fill, nice dark eye, good strong muzzle, nice flow of neck, lovely balanced puppy, very promising youngster.

2 – G Jones: **DOBREGAL TOP GUN** 6100130963 29-07-2021:
2nd Dobregal Bad Boy (Ai) - Dobregal Queen Of Sheba

13 week old brown/rust male, a bit hard to judge as the puppy won't stand for examination, basic training would assist both the puppy and handler in this instance. Nice and square, quite balanced front and rear, good feet, has a pleasing head but a little on the heavy side, ears slightly on the larger side and lower set than would like, roaching over the top line at present, good tail set, good angles front and rear.

3 – G Jones: **DOBREGAL BLUE VALENTINE** 6100130964 29-07-
3rd 2021: Dobregal Bad Boy (Ai) - Dobregal Queen Of Sheba

13 week old brown/rust male, heavier style of dog, strong bone, again a little hard to judge either on the stack or on the move due to dog requiring training and the inexperience of the handler. This puppy is longer in body than the previous exhibit, a little overweight as well, appears to be balanced front and rear. Puppy shows promise.

Class 3 - Puppy Dog (2/2)

4 – J Bovell: **DOBREGAL BAD BAD LEROY BROWN (AI)** 6100127482
1st 20-01-2021: Pride Of Russia Major (Imp Russia) - Dobregal Queen Of Sheba

Brown/rust male, good medium size, strong bone, a little heavy on the head for my liking, good ear set, balanced front and rear, good feet, nice top line and tail set, good front fill, good depth of chest. Quite a pleasing dog to the eye, would like to see a little more elegance overall but unfortunately once again lack of training for both the handler and the dog has not given this exhibit the best opportunity in this instance as the dog was unable to be judged on the move despite several attempts. Despite this, it can be seen that the puppy has promise.

5 – G Jones: **DOBREGAL BACK IN BLACK (AI)** 6100127487 20-01-
2nd 2021: Pride Of Russia Major - Dobregal Queen Of Sheba

Black/rust male, medium sized, longer in body, strong head, whilst he appears balanced, this exhibit does not have a good front construction and is lacking in fill in the front, particularly between the chest and elbows and even lacking fill in the prosternum area. This is due to the dog's incorrect front angles which becomes even more apparent on the move. He does have lovely colouring and markings and a good tail set.

Class 4 - Junior Dog (1/2)

6 – E Edwards J Green: **DOBREGAL BLACK MAMBA (AI)**
6100127150 06-01-2021: Pride Of Russia Major - Dobregal Queen Of Hearts

11 month old black/rust medium sized male, currently going through a growth spurt I would suggest, a bit on the gangly side, lacking angles front and rear, is square, strong head but still with some elegance, with good fill and dark eye. Good colouring, beautiful feet. He is a little forward in shoulder, which is making him appear shorter in neck, currently roaching over top line, nice tail set. His lack of angles in the front and rear is hampering his movement, but this is also being accentuated due to the dog not being trained and the inexperience of the handler. GRADING - GOOD

3rd 02-2020: Ch Aegis The Night Manager (Ai) - Aegis Days Of Future Past (Ai)

19 month old fawn, elegant square male with a good top line and tail set. However, unfortunately quite straight in front and a little over angulated in the rear, which does not strike up a picture of balance. Is also lacking fore chest. Beautiful feet and great coat condition for a fawn. Because of his straight front, he lifts his front on the move. GRADING: GOOD

9 – C Freele & Valkyrian Dobermanns: **VALKYRIAN JACKITUP**
1st **CREEK TD** 6100057446 25-02-2019: Macaco's Kaiko (Imp Arg) - Ch Valkyrian Dellas Creek TDX

2 year old brown/rust male, square elegant male. Slightly higher over the wither, balanced front and rear, maybe a touch over angulated in the rear, but still balanced. Pleasing head with good proportions and balance, good planes, strong muzzle, good eye shape and colour, moves quite well and clean. GRADING: VERY GOOD

10 – Miss S Varrone: **DOBREGAL CONQUISTADOR (AI)** 6100122165
2nd 09-04-2020: Pride Of Russia Major (Imp Rus) - Dobregal Brown Sugar

18 month old black/rust male, square, heavier style of dog. Quite a nice dog, I like his bone, he has a good top line, tail set, nice of move, quite clean, again unfortunately due to the inexperience of the handler, in this instance probably not getting the best out of the dog which is making it harder to judge the dog overall. A little heavy on the back skull for my liking. GRADING: GOOD

Class 9 - State Bred Dog (2/2)

11 – Mrs D A Ball: **CH AEGIS DANNY REAGAN** 6100111434 21-05-
1st 2018: Ch Aegis The Night Manager (Ai) - Aegis Je Suis A Rock Star

3 year old black/rust male, nice square dog, balanced front and rear, would like a little better angle in the front, very pleasing head, good planes, could probably do a touch more underjaw, good eye colour and shape. Good feet. Would probably like to see a little more fill around the chest, particularly around the elbows. Balanced, moves cleanly, good top line and tail set, GRADING: VERY GOOD

12- S Seth & V Adnani: **DOBREGAL VLADIMYR THE IMPALER (AI)**
2nd 6100127147 06-01-2021: Pride Of Russia Major (Imp Russia) - Dobregal Queen Of Hearts

10 month old black/rust male, not quite balanced, nice front construction, but a little straight in the rear. Good top line and a satisfactory tail set. Head is probably a little on the heavy side, nice dark almond eye, head could do with a little more refinement. Beautiful feet and lovely colouring. Unfortunately, in this instance, handling and lack of training has let this exhibit down. GRADING: GOOD

Class 10 - Australian Bred Dog (1/1)

13 – Mrs D A Ball: **CH AEGIS THE FORCE AWAKENS (AI)** 6100112254
1st 01-07-2018: Am Gr Ch Element Rock Star - Aust Ch Aegis Grace Slick

Brown/rust, square, well balanced, nice fore chest, very clean, nice flow of neck into shoulder/withers, correct top line and tail set. Moved beautifully, clean, kept and held his top line really nicely. The best dog to come into the ring so far. Moves a touch wide at the front in the elbows coming to you, but that is being a bit picky. Overall, a very nice dog that depicts balance and harmony. In excellent condition and exceptionally well handled and presented. GRADED: EXCELLENT

3 year old black/rust male, medium size. Not quite balanced, as he has a little more rear than front. He has quite a sloping top line, with a break behind the wither. He has a pleasing head with good eye shape and eye colour, good ear set, nice feet. On the move, he is crossing a little in the rear when he went out and back, looks like he might be slightly favouring his back rear right leg. Tail set slightly off on the move. GRADING: GOOD

1st 06854-2018 15-07-2018: Am Gch Heartwood'S Electric Blues Man, Cd, Bn, Ra, Cgc, Thda, Trkn - Aust Ch Vansitar Tigers Dark Aurora (Imp Nz)

Black/rust black male, balanced, square, compact and of correct size. Not being too cooperative for the handler. His head is not his strong suit, would like to see a little more length of muzzle and better fill under the eyes. Eyes are more round than almond. Nice front fill of chest, good feet, tail set is correct. GRADING: VERY GOOD

2nd Modadobe Valyrian Steel (Ai) - Ch Myown Get This Party Started

4 month old black/rust bitch. A bit hard to judge on the move as she isn't moving too well. On the stack, she paints a nice picture, very balanced front and rear, nice tail set, good feet. Very nice flow of neck into shoulder, even at this age. Knuckling over a little on her feet at the moment. Very pleasing expression, nice head with good fill under her eyes, even for this age. Moves a little wide on her out and back, probably just age at this stage and it is very cold out for a little one of this age. A very promising youngster, would like to see how she matures.

19 – VALKYRIAN DOBERMANN: **VALKYRIAN VIOLET BROOK**
1st 6100130539 11-06-2021: Valkyrian Luthor Corp (Imp Usa) - Ch Valkyrian Annie Brook Td

Nearly 5 month old, black/rust square female. Good top line and tail set. The puppies are feeling it at the moment, given the time of night and how cold it is. Pretty head, probably would like a little more underjaw, but at this age this is still likely to come. Good feet. A little more mature in body than the first puppy. Very promising youngster as well.

Class 3a - Puppy Bitch (1/2)

20 – G L BALL: **MYOWN IRRESISTIBLE FORCE** 6100127415 01-01-
1st 2021: Ch Aegis The Force Awakens (Ai) - Ch Myown Get This Party Started

10 month old black/rust puppy. Beautifully balanced puppy. A little cut away at the chest at the moment, but more than likely due to a growth spurt. Moved very nicely, clean, held her top line and tail set beautifully. Nice flow of neck into shoulders as well. Nice head, good planes. Paddles a little on the out and back. Well balanced overall, very promising puppy.

1st 09-2020: Ch Aegis The Force Awakens (Ai) - Ch Aegis To Kill A Mockingbird (Ai)

13 month old brown/rust elegant square female. I like the balance of the bitch, a little tall on leg at the moment, more than likely due to her age and growth stages. A lovely red bitch that moves very nicely, shows a lot of promise. I look forward to seeing how this bitch matures. GRADE: VERY GOOD

23 – Mr A Ball & Miss J Vujatov: **DOBREGAL ANGELS GOT TOGETHER (AI)** 6100122177 09-04-2020: Pride Of Russia Major (Imp Rus) - Dobregal Brown Sugar

18 month brown/rust female. This is quite a nice bitch. I like her substance, she has good balance front and rear. Again unfortunately the handler is inexperienced and the dog lacks training and as such is not able to be presented in the best light. The dog when she does move, she moves beautifully very cleanly, nothing turns in or out, but again, inexperience is letting this dog down. She has a nice tailset, good feet, pleasing expression, however there could be better balance as she lacks balance between the length of her muzzle and back skull, which is quite broad. GRADING: VERY GOOD

24 – VALKYRIAN DOBERMANN: **VALKYRIAN NORTH CREEK**
2nd 6100123265 18-04-2020: Valkyrian Luthor Corp (Imp Usa) - Valkyrian Darlington Brook

18 months of age. She has a straight front which even gives her the impression of her being taller than she is short. Slightly break in the top line, rounded croup, not showing well in this weather. Pleasing head and expression, nice eye, ear set, lovely head. Has break behind the wither, the croup lets this bitch down and she doesn't move as well or cleanly as the previous exhibit. GRADING: GOOD

18 months of age black/rust female. Square, quite high stationed in the front, however, balanced front and rear. A bit more sloping in top line than I like. Hard to judge on the tailset as she is obviously feeling the cold. Good depth of chest, however would like to see more fill, particularly around the elbows. This would explain why she toes in at the front and out at the elbows when she comes towards you. Hard to see tail set on the stack. She doesn't quite come together at the moment as she is a taller than she is short. GRADE: VERY GOOD

2.5 year old red/rust female. Square, good top line and tail set. Slightly long in loin. Nice rear, a little straight in front. Pleasing head, good planes, good fill. 3 year old black/rust square and balanced female. Knuckling/toeing over in front at the moment, could be because of the cold, she isn't being to cooperative for the handler.
