Members wishing to join the Committee are welcome

*Welcome to our 2021 Jackie Georgiades Memorial Open Show and 2 x Atkinson/Brennan Specialty Championship Shows.*

*2020 presented our club with many challenges, none of which we could have predicted. Like many other clubs and businesses, the COVID-19 pandemic affected our events and due to this our Specialty for 2020 could not be held. Border closures prevented us from having our contracted judge, Jan Seary from New South Wales, attending and the decision was made to cancel for that year.*

*2021 has not been any kinder and again our contracted judge, Jan Seary, has been prevented from attending. We will try for Jan in 2022, third time is a charm they say.*

*We moved the date from September to November due to the uncertainty of border openings and state classifications. For the first time, with permission from Dogswest, we are holding 2 Specialty Championship Shows on the same date. The Committee made the decision to hold these shows at night given the unpredictability of our November weather (we hope we got it right).*

*Thank You to our Open Show Judge, Dr Ambre Smith from Western Australia.*

*Thank You to our Specialty Show #1 judge, Mrs Sheryle Pike from South Australia for agreeing to step up and take this assignment. Sheryle have never judged Utility dogs in Western Australia.*

*Thank You to our Specialty Show #2 judge, Ms Nichole Maassen, for accepting our invitation to judge in her home state. I believe this is Nichole's first time judging the breed at Championship level in Western Australia.*

*Thank You also to our Chief Steward, Mrs Cathy Storrs and our Ring Steward, Ms Tracy Mol.*

*For those who have attended in the past, you will have noticed different trophies this year. The Committee made the decision to not allow the Club's perpetual trophies to leave the Club's possession. This decision was made necessary due to the poor care and condition (and non-return) of the original perpetual trophies. The originals have been retired and are in safe keeping. Best In Show, Runner Up Best In Show, Breeder Of Best In Show and all Class In Show winners will now take an individual trophy home.*

*We wish everyone entered tonight the very best of luck tonight and Thank You for your entry.*

*Remember, we all take the best dog home!*

## **Mrs Sheryle Pike (SA)**

### **Sherydon Dobermanns**

My involvement with showing and breeding dogs began in 1975, and I purchased my first Dobermann in 1977, which began a lifetime love and passion for this beautiful breed.

Dobermanns will always remain my heart breed.

I have bred several litters of Dobermann's under the Sherydon prefix and had a great deal of success producing multi Best in Show winners, including Ch. Sherydon Christmas Cracker, who won more than 24 All Breed Best In shows, and the beautiful Ch. Sherydon Bonny Christmas. Bonnie was the winner of the Dobermann Club of Victoria's 'Contest of Champions' in 2004, and with a very large entry of Champion Dobermanns from right around Australia was a very proud breeder experience.

I have also been privileged to have owned some beautiful and top winning Dobermanns bred by other kennels over the years, including both Lizmain and Ikons, and achieved multiple Grand and Supreme titles with multiple Best in Show wins at both All Breeds and Breed Specialties.

I have been actively involved in the pedigree dog world over the past 45 years, I have been past President of the Dobermann Club of South Australia on more than one occasion and I am currently on the committee of the DCSA and a Councillor for DogsSA.

I am absolutely delighted and honoured to be invited by the Committee of the Dobermann Club of Western Australia Inc to judge your specialty, and I am particularly excited to judge at my first Breed Specialty appointment.

I look forward to seeing some beautiful Dobermanns.

## Nichole Maassen – Bravadobe Dobermanns

To provide you with a brief background about myself, I live with my partner on 3.5 acres backing onto Suzannah Brook in the Swan Valley, one of WA's premium wine growing districts. With the wineries, restaurants, chocolate and nougat factories within a short stone throw away it is easy to understand why we refer to our home and property as our little slice of heaven.

I have worked in the IT industry for nearly thirty years, and currently hold the position as Microsoft's Public Safety & Justice Industry Lead for Australia. I have been fortunate enough with my career to travel the world which has provided the opportunity to meet some very inspiring people and see firsthand how technology can change and impact people's lives for the positive. As a people orientated organisation, being employed by Microsoft has also highlighted to me over the years the importance of mentoring and the development of people as individuals and as part of a broader team. As such, I try to apply these same principals and learning's when introducing new people to our beloved breed and the world of dog sports.

I grew up with German Shepherds in WA and purchased my first Dobermann at the age of 18. My introduction to showing

was nearly three decades ago with Rhodesian Ridgebacks, however, I soon realised that I preferred the temperament, intelligence and energy levels of the Dobermann and it became obvious that they as a breed were more suitable to my requirements as a companion and show dog.

Since then Bravadobe has gone on to become the home of Supreme and Grand Champions, Multi Best in Show and Multi Best in Specialty award winning Dobermanns. Our breeding is competitively shown and trialed around Australia and overseas with a great amount of success. To date we have bred 65 Champions, including 4 Supreme Champions, 9 Grand Champions, 4 New Zealand Champions and 3 American Champions, one of which became the first and to date only Australian Bred Dobermann to win an All Breeds Best in Show in the USA.

Bravadobe Dobermanns has bred and/or owned 23 All Breeds Best in Show winners, in addition to 10 Best in Specialty Show winners. This includes the last Australian Dobermann National Best in Show winner "Keno", Supreme Champion Bravadobe Pure Anarchy (AI) ET WAC which I had the honor of showing at the prestigious event.

As well as taking out top awards in the show ring, we are also very proud that some of the dogs we have bred are performing duties as service and therapy dogs and that our breeding has also been recognized for their fantastic aptitude in the working arenas such as obedience, tracking, endurance, temperament and agility with over 51 working titles, including the prestigious Register of Merit (ROM). As many of you would know, ROM titles are only awarded by the National Dobermann Council of Australia and are the ultimate achievement for a Dobermann and means that the Dobermann has earned an Australian Championship, a minimum of one working title and passed the Dobermann temperament test, proving that they are the all-round well-balanced Dobermann ... conformation soundness and beauty, trainability and brains and a stable temperament.

We have been recognised consistently by Dogz Online (Australia's national premier point score) who have awarded Bravadobe Dobermanns Australia's Number One Dobermann Breeder of the Year award four times, runner up twice and Australia's Top Utility Dog Breeder twice over the past decade.

In recent years I was campaigning, Carter "Supreme Champion Parima Ghost Rider At Bravadobe (AI) IMP NZ" who has been awarded 29 All Breeds Best in Shows (Best in Show 1<sup>st</sup>), 1 Specialty Best in Show, 14 All Breeds Runner Up Best in Shows (Best in Show 2<sup>nd</sup>), winner of the prestigious 2015 Contest of Winners and backed it up again in 2016 and became the first dog to win back to back in history, received the Canine Association of WA's Top Show Dog award for 2015/2016 and was awarded Western Australia's #1 Show Dog All Breeds (all systems). Carter had an amazing 2017, as he represented WA as the #1 dog at the Top Dog Australia Grand Final held in Canberra and was awarded runner up best dog in the country by a panel of international judges as well as being awarded the winner of the Victoria Women's Club winner of the Battle of the Ashes. Currently, I am campaigning Peach "Bravadobe Scarlet Witch (AI), Sizzle "Martyn She Came She Saw She Sparkled At Bravadobe (AI) IMP NZ" along with our Basenji Skooby "Champion Obsidian Watch The Sparks Fly" and my partner in Bravadobe, Erin Henville based in NSW, is currently campaigning four Dobermanns.

I have had the privilege and the opportunity to judge specialties within Australia, New Zealand and multiple times in Argentina.

Outside of exhibiting my own beloved breed, I also have shown for breeders and owners of Boxers, Rottweilers, Akitas, Alaskan Malamutes, English Toy Terriers, Great Danes, Golden Retrievers, Rhodesian Ridgebacks, German Shorthaired Pointers, Rottweilers, and Newfoundlands over the past two decades.

He was over half way to his Supreme Champion title when he had to be neutered.

In the Neuter ring Callan amassed many Best Neuter In Show awards and Best Neuter In Group awards plus numerous Runner Up Best Neuter In Shows (I didn't keep track). He retired with over 1100 Neuter points.

Callan also enjoyed escorting various Junior Handlers in the Juniors Handlers heats over his show career .

Callan has been retired since 2018 to one of the sofas (or beds) that he shares with our cats and his best friend Estelle (our not quite 12 year old Boxer) plus our 2 French Bulldogs, Rupert and Tripoli, whom he adores and the 3 juvenile delinquents Dobermanns, Brohdi, Caiomhe and Dembe and he now leaves this showing stuff to the youngsters, only coming out on special occasions such as today.

Callan celebrated his 10<sup>th</sup> birthday in June 2021.

### **Neuter & Australian Champion Bravadobe Lets Get Rocked (AI) E.T.**

Sierra "Champion Bravadobe Lets Get Rocked (AI)" was born on the 16<sup>th</sup> of October 2010, her sire, being the impeccable Figo "Irish & UK Champion Supeta's Enufs Enuf for Cooley" out of our Kaos "Champion Bravadobe Pure Kaos (AI)", sister to the last national winner Keno "Multi BIS & BISS Supreme Champion Bravadobe Pure Anarchy (AI) WAC".

Sierra, consistently caught the judges eye with her elegance and beautiful smooth curves combined with rich rust markings, floating movement and an extremely loving nature and was recognised with best in group, runner up best in group and multi class in show awards.

Sierra, who is nick named lemons lips when her stubborn and demanding evil twin kicks in, lives a life of luxury with her loving and caring human companions, Jeff & Helen Morris, enjoying an active outdoor lifestyle down in Albany.

We are so proud of Sierra and all that she has achieved, but nothing being more important than being a great representative of the breed, sucking up all the pats and attention from those she deems worthy.

## DAKOTA

Aus Ch Vansitar Tigers Dark Aurora (Imp NZ)

Whelped 16/06/2014

Dakota changed our lives the moment Alan swept her into his arms as a 9 week old puppy.

Dakota started showing at 8 months old after Jenny and Des recognised her potential. She titled at 21 months.

Her highlights include RUBIS under Dobe Specialist Narelle Hammond and Junior in Show at the DCWA Champ Show 2015 under Mrs Pamela Dehetre.

In the whelping box Dakota has been an outstanding mother and producer. She has many Champion progeny, including multiple BIS winners.

She is a much loved companion to Alan, Elaine and Kayleigh.
