The aims of the club are:

- To promote the Griffon Bruxellois and Petit Brabancon breed.
- To highlight the versatility of the breed as a loving and loyal pet, and a show and performance dog
- To promote good sportsmanship and good fellowship among members at all times
- To show respect and courtesy to all members in an atmosphere free of bullying and intimidation
- To support responsible and ethical breeding practices of Griffons
- To support and recommend testing of health issues relevant to Griffons based on genuine scientific research, both local and international.
- To provide a rescue service for Griffons
- To promote friendship and social activities among all Griffon owners
- To educate Griffon owners about grooming, training and responsible ownership
- To work in partnership with other responsible Griffon Bruxellois Clubs of Australia and internationally for the betterment of the breed

Presidents Report

Since the last newsletter we have been very busy. The club had a very successful breed stand at the Pet Expo at Rosehill in February, which drew a lot of attention and of course the Griffons charmed everyone with their cute faces and wonderful personalities.

We are now looking forward to another breed stand at the Dogs on Show Day at Erskine Park on 16th June. We invite all our Sydney based members to stop by with their Griffons and say hello to us.

Ros Finch and Jane Wistuba have been very busy with great ideas for the stand.

We are also excited to be able to announce that we will be holding our first Championship show next year on 23rd March 2013. This is the Saturday before Good Friday so that exhibitors will be able to attend the Sydney Royal as well as a number of other specialty and semi specialty shows. The show will be held at the Hillsborough showgrounds in Newcastle, an hour and a half from Sydney.

There have also been a number of new champions made up since the beginning of the year and some exciting wins. We have also seen the first Griffons in Australia to win their Rally titles which was very exciting for handler Terri O Dell.

Our point score competition has been very well supported and we have had entries of 19 and 25 at the last two shows. It has been lovely to see the wonderful support and camaraderie at these shows with all members showing good will and sportsmanship whether they win or lose.

Membership renewals are due soon and we would ask all members to renew as soon as possible. There is a renewal form at the end of the newsletter or you can renew on our website at <http://www.griffonfanciers.com/membershipandrenewals.htm> using paypal

From the Editor

I have so much to report in this newsletter that I hope that I can fit it all in, so much has been happening since the last newsletter.

We have a number of new title holders to celebrate, plus our members have been doing very well with Best in Show, Best in Group and numerous Class in Group awards between them.

We have a report on the Pet Expo and I was fortunate enough to attend the GBA show in the UK and have a report on that show as well.

Our point score has one more show left before it finishes and it is great to see some new Griffon exhibitors doing so well

As I have so much information I have been unable to include the next instalment of the History of the breed but hope to continue it in the next issue

The next issue will also introduce a new section which I freely admit I have stolen from the GBC newsletter – **The Golden Oldies**. If you have a golden oldie – a Griffon 10 years of age or older, send me a photo with a few words about them so we can all enjoy and celebrate these senior citizens.

Thank you to all contributors. I hope that you enjoy this latest edition of the newsletter.

Griffon Corner

Vale Ch Paris Feenagh. In the last newsletter I reported on the death of Sandie Feaver's old boy, Chicago. Now sadly I have to report on the death of another of her golden oldies – the lovely Fee, a red smooth, was born in 1997 and was almost 15. She collapsed suddenly and died in Fern's arms as she and Sandie rushed her to the vets.

Fee, (NZ Ch Beagriff Hot Shot (Imp Aus) - Ch Mauiti Timepiece) was a top winner in her youth and a dignified lady in her old age. She is known not only for her own loving personality but also as the mother of some of the top winning Griffons in both Australia and New Zealand- her sons who are both champions in two countries-

NZ/AUS Ch Ned D'Vyne of Paris at Upmarket (red rough) and NZ/Aust Ch Paris Night Fever (red smooth), and her daughter NZ Ch Maud Earl of Paris (red smooth). Fee's contribution to the breed will live on through her children and grandchildren

Congratulations to **Terri Odell and Brookie Ch Nagpuni Brooklyn Babe** who attained her Rally Obedience Novice Title on 6th May at Port Stephens trial. This new trial and title only came in in January 2012 and we believe that Brookie is the first Griffon to attain this title in Australia. Her sister Jazzy (Ch Nagpuni Jellybean Jazz) is one qualification behind her, and Terri is hoping that she will get her title at her next trial.

Congratulations to **Shane Thomas and Ch Nouveau Dramatic** (imp NZ) aka 'Diva' who won Best in Show at the Atherton Tableland Kennel Club (QLD) All Breeds on May 5th. Diva is a smooth Griffon bitch. It is hard enough to win with a Griffon but harder still with a smooth and a bitch so it was a wonderful achievement for her, beating 288 other dogs. She was bred by Alistair Cliquot and came from New Zealand as a youngster. Shane commented "I couldn't be prouder! I just hope I didn't break the judge's ribs when I hugged him afterwards!" The judge was Mr Bruce Marquette.

Congratulations to **Jannelle Tremenheere and Dumbledore, (Ch Balliol Gellert Grindalwald)** who won Best in Group at the Medowie & District All Breeds Kennel Club (NSW) on the 4th March under Victorian judge Mr Darren Bowey. Dumbledore was only 14 months old and in the Junior class when he won, defeating 109 other Toys so it was a thrill for Jannelle to have won in such elite competition.

You may remember in the last newsletter there was a picture of **Gigi (Paris Starry Starry Night imp NZ)** just after she arrived at Jane Wistuba's house from Sandie Feaver.

Gigi had a quiet time over the Christmas period and Jane did not show her during the hot summer months. However when she did start to show her she hit the rings with a bang.

On 17th March at Tumbarumba P A & H Society Inc (NSW) she won Minor Puppy in Show.

On 7th April at Flat Face Toy Dog & Tibetan Spaniel Association of NSW (NSW) she won another Minor Puppy in Show.

On 5th May at Albion Park Kennel Club Inc (NSW) she won Minor Puppy in Group.

On 11th May at Newcastle & Northern District Kennel Club (NSW) she won her third Minor Puppy in Show and the following day at the next Newcastle & Northern District

Kennel Club (NSW) she again won Minor Puppy in Group. She is now number one on the Dogz on Line Rising Star Griffon point score and Number 4 in NSW for all Toys. No wonder Jane has a smile on her face.

Ashleigh Barber also has reason to smile. Better known as a Pointer exhibitor, Ashleigh has been a member of our club for quite a while as she waited for a smooth puppy to arrive. Well her wait is finally over and she is thrilled to welcome Neville in to her family. Also known as Cricklewood Night of Magic in Paris, Neville

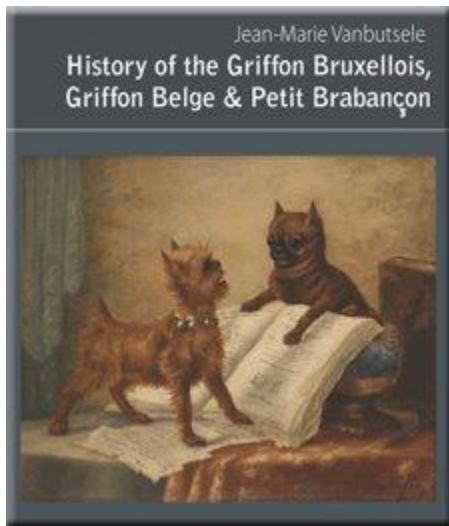

recently arrived from New Zealand and has already won fans with his cheeky and outgoing personality. Bred by David Fifield and Sandie Feaver,

Neville is a half- brother not only to Gigi but also to Dumbledore and Ashleigh is hoping he will follow in their footsteps when he gets into the show ring. For those who wonder about his name – he is named after Neville Longbottom - Ashleigh wanted to keep

in with the Harry Potter theme started by her mother Jannelle when she named Dumbledore.

Limited Edition - Brussels Griffon - Griffon & Brabançon

This exciting new book on the breed has just gone to print. It is being privately printed and will be a limited edition. I know of a number of people who have ordered this book from Valerie Brideau in Canada who advises that it will be the only printing.

Ch Raweke Basil Brush is now recuperating after surgery. At almost 10 years of age one of his testicles suddenly appeared to be larger than the other one. A check by the vet indicated the possibility

of a testicular tumour so he was desexed. Surgery confirmed a large tumour in the testicle but luckily it had been picked up soon enough and was safely removed. This is a warning to anyone with entire males. If at any time you see any changes in the size of the testicles it is important to get it checked immediately as a quick response could save your dog's life.

Congratulations to **Diana Norman & Tim Mills** whose puppy **Troubadour Pricklepants** has won 5 Baby Puppy in Group awards and one baby Puppy in Show award since coming up to them from Sally Stewart in Victoria. He is pictured here with Diana's daughter Zoe after his latest win. Zoe has been showing the Griffons while Diana & Tim are over in the USA. Well done Zoe.

Autumn seems to be the time for walking

on both sides of the Tasman.

The Griffons of **New Zealand** have been walking again and enjoying the crisp autumn weather. Here they are gathered together all ages, coats and colours.

Andrew Georgiou and his boys have also been out and about with early morning walks to Rose Bay to admire the sunrise and then walks to the beach to wish all Griffmums a Happy Mothers Day. Thank you boys!!

Congratulations to **Sandie Feaver and Arthur, Paris by Night** who won Puppy in Group earlier this year. Arthur and his sister have been winning a number of class in groups between them since they were babies and Sandie is very pleased with the way they are growing.

Frankie, a Griffon bred by Kerrie Taylor and owned by **Michael Azzollini**, a photographer, is no stranger to celebrities. With his handsome good looks he is in demand in photo shoots and he takes it all in his stride.

Here he can be seen posing with some of Australia's swimming stars and Olympic hopes.

For the ladies, he can be seen with Matt Taggart

and for the men he is posing here with Stephanie Rice – and Frankie doesn't look too bad either.

Congratulations to **Pixie, Rosndae Sugar Plum Princess** owned and bred by Ros & Dave Finch on winning Minor Puppy in Group at Camden Show Society on 24th April under Miss J. Risk

- Annual General Meeting to be held at the North of the Harbour point score on Saturday.
- It was agreed to support the QLD Griffon Club Speciality Show by either giving them a cheque or donating a trophy, Dave Finch to will contact them to organise this, forwarded K Taylor, seconded D Murphy.

Meeting closed at 12.55 pm

Sydney Royal

On paper, Sydney Royal had an entry of 16 Griffons for judge, Mrs B Roos-Borjeson (Sweden) but a large number of absentees meant that there were only 2 males for the Dog Challenge and 7 bitches for the Bitch Challenge, making a total of 9 Griffons altogether.

Best of Breed & Dog Challenge –Ch Statuesque Pumper Nickel (red Rough)-S: Ch/NZ Ch Raweke Hansel x D: Ch Statuesque Pumpkin Pie

Res Dog Challenge: Ch Keheal Million Dollar Man (B&T Rough) S: Ch Azande the Real McCoy x D: Ch Keheal Million Dollar baby

Bitch Challenge & Runner up BOB – Statuesque Betsy Buttonhole(red Rough) S: Ch Statuesque Pumper Nickel x D: Raweke Lily Lampshade

The winners – DCC, BCC and Best Puppy

Res Bitch Challenge: Ch Statuesque Can't Get Enuff Ruff (Red smooth) S: Gr Ch Statuesque Mudgee Mud x Raweke Nutmeg.

Best Puppy went to Rosndae Naughty but Nice (red rough) S: Ch Keheal Million Dollar Man x D: Ch Rosndae Show N Tell

Bitch Challenge judging

However despite the low numbers Kerrie Taylor can be

pleased that she was part of history. Her black and tan dog, Booth (Ch Keheal Million Dollar Man) won Reserve Dog Challenge making him the first black and tan to ever win a high award at Sydney Royal. Kerrie has been trying to reintroduce the colour back into NSW and has been showing the first B&Ts in the state for over 15 years and has bred the first ones in NSW for over 20 years.

Waiting to go into the ring

It is interesting to look at the breeding behind these dogs as every single one of them goes back to the Raweke lines of Jocelyn and Eddie Croad. Even the Res

B&T DCC has Raweke breeding behind him in his pedigree. These lines have been known not only for their consistency of type but also because Raweke family groups MRI'd as part of SM/CM research consistently had 'A' grades for multiple generations. Jocelyn and Eddie can be proud of the legacy they have created for the breed.

Judging in progress

Thanks to Dave Finch for the photos of the Royal

Jannelle Tremenhoe also entered Dumbledore (Ch Balliol Gellert Grindalwald) in the Junior sweepstakes class at the Royal. She was thrilled when he won Best Junior Toy exhibit in the sweepstakes with a prize of a \$350.00 gift voucher to have his photo done professionally.

Pet Expo

The Pet Expo took place in February at Rosehill Race course and the aim was to promote pet owning of all kinds to the general public.

Our club had a stand which was manned over the two days with a number of volunteers.

On Saturday Jane Wistuba and Cider, Jannelle Tremeneere with Dumbledore, Marcia Mulhearn with Gizmo and Michelle Parker Brien with Bunty, Ludwig and Gertie presented the Griffons to the public.

On Sunday Ros and Dave Finch with Boston, Annie, Mischa and Pixie and Terri and Grant Odell with Jazzy and

Brookie were there.

The stand had our club banner and lots of photos of Griffons from both recent and historical times. These pictures had been provided by Dave Finch and laminated by Jane Wistuba and they created a lot of discussion.

The club colours of pink and purple were the themes and everyone wore tops

to match.

The interest from the public was very high and everyone was captivated by the Griffons happy personalities.

Thanks to Dave Finch for these photos

Our First Championship Show

We are very pleased to be able to announce that Dogs NSW has given approval for our first ever Championship show. The date we requested was the Sunday before Good Friday. This is a moveable date, depending on when Easter.

When: Sunday 24th March. 2013

Where: Hillsborough Dog Show grounds in Newcastle, one and a half hours north of Sydney.

Judge : Griffon specialist, Mr Shane Thomas,(Sibermoon).

Mark this date in your diary as we hope to get as many Griffons entered as possible.

This date was chosen as it will allow exhibitors to exhibit at our show, exhibit at Sydney Royal and also exhibit at a number of other shows during the following Easter weekend, if they choose.

More details and the schedule will be available in later newsletters and we will also invite members to donate ribbons or trophies for this show.

I am pleased to say that the Griffon Bruxellois Club (UK) has already very kindly donated some prizes for Best in Show and best Opposite in Show. We thank them for these kind donations.

Our catalogue will have a section for advertising for all members and exhibitors at \$20 per page.

Uproar at Crufts

Crufts 2012 will be known more for the uproar over the compulsory health tests than it will for the dogs that won. The Kennel Club decided that the winners 15 breeds would be health tested after judging and if they did not pass the health test then they would not keep the Best of Breed award.

No exhibitor objected to the health testing but most were appalled at the way it was carried out

Exhibitors were told that the vet examination would be no more than a judge would do. In a number of cases this was not the case. The winning Bulldog and Pekingese both had torches shone into their eyes- the Peke was not even permitted to have a drink before the examination- and both were failed. The Basset Hound was subjected to a 20 minute examination and failed (a judge would only take about 2min) and the Clumber Spaniel, a champion in 30 countries, was declared to have entropion and conjunctivitis.

The Bulldog had had a complete health screening before Crufts and was declared fit and healthy by the vet – she was failed because of a slight scar on her eye(not noticeable in normal light) caused by an accident as a puppy. The Pekingese was taken to a vet the day after Crufts for a complete health check and no problems were found- she too was fit and healthy. The Clumber had undergone exhaustive health testing before Crufts including a full ophthalmologist examination and was declared clear and healthy. After the Crufts vet claimed that she had entropion she was again taken to an ophthalmologist who said that there were no abnormalities with her eyes.

To make the situation worse, the exhibitors whose dogs failed were in many cases ethical, caring breeders who had worked hard to eradicate health problems in their breeds and who health tested all breeding stock before any breeding took place. Furthermore the judges who placed them as Best of Breed were some of the most knowledgeable and expert judges in the world.

The exhibitors whose dogs failed had no recourse after the vet's decision. They could not request a second opinion and when they got a second opinion after the show which cleared their dogs it was too late. It was almost as if the Kennel Club wanted to humiliate its best breeders and judges.

The Kennel Club is not representative of English dog exhibitors as is the Kennel Club in Australia.

Here, everyone who wishes to show and breed registered dogs must be a member of their state Kennel Club which in turn gives them automatic membership of the Australian National Kennel Club (ANKC). In the UK only a small handful of people are members of the KC which is reminiscent of old time British elitism; everyone else just has to pay their money to register litters but get very little in return. And it would appear that the Kennel Club is not very choosy when it comes to registering dogs- they seem to be happy to take the money without asking too many questions.

The Canine Alliance Steering Committee

Following Crufts, the Canine Alliance was formed which quickly gathered a huge membership of disgruntled exhibitors and breeders. It was a case of "I'm as mad as hell and I'm not going to take it anymore!" by the normally patient and stoic English exhibitors.

A committee was formed comprising of some of the most influential people in the UK dog world, including Howard Ogden of Beauview Griffons.

The Alliance is adamant that they are not against health testing and they all want healthy dogs but they want the Kennel Club to go about the process in a more logical and fair manner – and not persecute the very people who are doing the ethical thing.

It will be very interesting to see what comes of this in the future.

Here in Australia clubs and breeders have had more input into Kennel Club decisions and in many cases it is the breed clubs that have pioneered and funded health testing and breeding restrictions. In a number of breeds in Australia the KC will not register a litter unless specific health tests have been carried out. For instance in a number of breeds the parents must be hip scored and have clear eye certificates from a canine ophthalmologist before the KC will register the offspring. These breeding restrictions have come about because caring breeders and breed clubs have identified particular health issues as a problem and have worked to eradicate them.

In Griffons there have been no specific health issues that have been widespread through the breed. SM/CM has been identified in some Griffons, although this appears to be in a minority and in particular lines but a number of breeders have undertaken expensive MRI diagnosis of their dogs to help with research into this problem and are continuing to support research.

As a club we will work with others nationally and internationally to ensure that all that can be done to breed healthy Griffons will be done.

Point Score Update

Since the last newsletter we have had 5 point score shows, some with disappointing entries, others with large entries.

The first show for 2012 was the CNCC show at Hillsborough in January. This show saw an entry of 19 Griffons. The Best of Breed and Bitch challenge was Ch Balliol Dolly Dimple at her first show back after having her puppy in November. She also won Intermediate in Group. The full results were:

BOB -Ch Balliol Dolly Dimple

BOB & Bitch Challenge –Ch Balliol Dolly Dimple

that gets the support through entries.

The point score show at Armidale in February had an entry of only 4 Griffons. Of the 4 entered only one Griffon turned up. This was Balliol Gellert Grindalwald who was shortlisted for the group and went on to win Best Junior in Group as well as BOB.

Runner up BOB & Dog Challenge – Balliol Fezzywig Fever

Reserve Dog Challenge – Raweke Apple Cider

Reserve Bitch Challenge – Ch Rosndae Charlies Angel

Runner up Bob & DCC Balliol Fezzywig Fever

The next two pointscore shows had very small entries. This was disappointing and has caused a rethink of the shows for the next point score competition as there is no point having a point score show if it is not in an area

Balliol Gellert Grindalwald

Raweke Apple Cider

The third show for the year was Canberra Royal at the end of February– this time of only two Griffons entered – Raweke Apple Cider who won BOB & Dog Challenge and Paris Starry Starry Night who won Bitch Challenge.

Paris Starry Starry Night

Canberra was followed by the Flat Face Toy Dog Club in April and here we saw a complete turnaround in entries with 25 Griffons entered – one of the largest breed entries in the show, for judge, Mrs S Smith. Best of Breed and Dog Challenge for this show went to Ch Balliol Gellert Grindalwald.

Ch Balliol Gellert Grindalwald.

Reserve Dog Challenge and Bitch Challenge went to two dogs belonging to people who are not members of the club and are therefore not eligible for the point score.

Reserve Bitch Challenge went

to Paris Starry Starry Night who also went on to win Minor Puppy in Show

Paris Starry Starry Night

The last show held to date, and the second last show of this point score competition was held at Albion Park in May. This show saw an entry of 17 Griffons. Best of Breed and Dog Challenge went to Balliol Fezzywig Fever with Runner up Best of

breed going to the bitch Ch Balliol Dolly Dimple. The full results were:

BOB & Dog Challenge – Balliol Fezzywig Fever

Runner up BOB & Bitch Challenge – Ch Balliol Dolly Dimple

Reserve Challenge Dog – Ch Balliol Barnacle Bill

Reserve Bitch Challenge – Rosndae Naughty But Nice.

Ch Rosndae Ginger Snap

This show also had a Neuter Class and BOB and Dog Challenge in this class went to Ch Rosndae Ginger Snap

The next point score show and the final one for this competition will be held at the **Nor West Canine Show at Castle Hill on 23rd June**. Information for this show is in the April journal and entries close **by 23rd May** so get your entries in as soon as you can.

POINT SCORE SHOWS FOR 2012 - 2013

The new point score competition will begin in July at North of the Harbour. There will also be an AGM and General meeting at this show. The last meeting decided to reduce the number of point score shows from 12 to 8 to see if this will help with increased entries.

There are no point score shows in the March /April period as this is when the Sydney Royal and our first Championship show will be held

The point score shows are:

2012

5. North of the Harbour –Saturday 21st July (details in the May journal)
6. Newcastle International weekend – Saturday - 29 September AM show
7. Southern Highlands – Sunday - 21 October
8. St George District –Saturday 8th December

2013

5. Newcastle CNCC – Sunday - 23 January (Date to be confirmed)
6. Wollongong & DKC - Saturday 4th February (Date to be confirmed)
7. Albion Park – Saturday 6th May (Date to be confirmed)
8. Nor West Canine Association – Saturday 24th June (Date to be confirmed)

Sire: Ch Raweke Basil Brush

Dam: Ch Rosndae

Owned and bred by Terri Odell

Trained and trialled by Terri Odell.

Huge congratulations to Terri and Brookie for making history in Australia by becoming the first Griffon to earn this title.

Rally Obedience was only introduced into Australia in January this year and Terri has done very well in gaining this title with a Griffon.

Rally Obedience is a fun type of trialling that combines some of the attributes of normal obedience – sits, heeling, downs etc with a type of slalom course.

Once started by the judge the handler follows the course, carrying out the instructions at each station e.g sit your dog, do a right turn etc. The judge is looking for a dog that can complete the exercises in the course in a prompt and happy way. In the novice class handlers are able to talk to the dogs as they go around the course, unlike standard obedience where the handler is only able to give commands.

Well done Terri and we hope to see Jazzy up there in the near future as well.

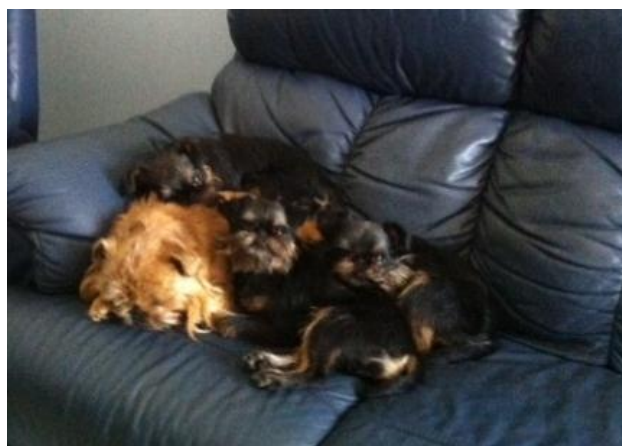

Sleeping Griffons

Griffons like to sleep in a variety of places and positions – here are a few examples'

Gizmo as a puppy falling asleep sitting down

Kerrie's Griffons have a whole lounge to sleep on but prefer to sleep on top of each other

Yogi found Christmas so exhausting he fell asleep in amongst the decorations

The Griffon Bruxellois Club Championship Show (UK)

In April I was fortunate enough to be able to attend the Griffon Bruxellois Club Championship Show judged by Alison Price (Marquant)

The show had a wonderful friendly and relaxed atmosphere and there were some beautiful Griffons to be seen.

There were some lovely black and Black & Tan Griffons exhibited and I was interested in seeing the very high quality in some of these dogs as we have very few of these colours over here and the Australian and New Zealand breeders are struggling to try to develop quality in the very small gene pool of both these colours.

Best In Show with Howard Ogden and Alison Price

Alison Price and her daughter, the late Samantha Burr are known for having produced some of the top black Griffons in the world and Alison showed that she was more than happy to award to quality, regardless of the colour

The winner was a beautiful young Black and Tan rough dog bred by Howard Ogden who has been producing some really lovely B&Ts over the past few years. Howard told me that this dog would be heading to Finland for a while to be campaigned and I understand that he has arrived and has already had some impressive wins since arriving there. Both the Reserve in Show and the Bitch Challenge winners were owned and bred by Michelle Swinge who has been doing some clever breeding combining the quality lines of both the

Marquant and Beauview kennels and producing some nice, typey Griffons

WHATS IN A NAME? *If anyone has any other stories about their kennel name, send them to me.*

Recently in the Facebook Griffon News Group, Cathryn Feaver started a discussion on how people chose their kennel names, also called prefixes or affixes, depending on which country you live.

*For those who do not exhibit -A kennel name is the name that goes in front of the dogs registered name. It identifies the breeder of the dog and most kennel Clubs around the world require a breeder to have a registered prefix or affix. For example- if the dog is called **Splendid Superstar**, then Splendid would be the name of the kennels and every dog bred by that kennel would have the word Splendid in front of it. In some countries the person who buys the dog, if a registered breeder, is also able to attach their kennel name to the dog's name so it could be **Splendid Superstar of Fantastic** – showing that the dog was bred by Splendid kennels but owned by Fantastic kennels. This is not permitted in Australia but is allowed in the UK and New Zealand.*

*In the USA if two breeders co own a bitch they are allowed to have both kennel names in the registered names of the puppies. E.g. If Splendid and Fantastic Kennels bred a litter together the pup could be called **Splendid Fantastic Superstar**.*

Cathryn received a large number of responses from all over the world and it is interesting to see how people selected a name that in some cases has gone on to become famous on the history of Griffons.

Here are just a few of them from our members:

Caroline Elder Simple - Shiba Inu - SHI, then Griffons - GRIFF = SHIGRIFF

Shigriff Show me the Money bred by Caroline Elder

Robin Simpson Mum's maiden name was Wooding and when she married my dad John, she became Beth Grover. They decided to combine their names and Woodover was created. I took over the prefix a few years ago, following Mum's 'retirement' from Griffons. (You all do realise that you never retire from Griffons, don't you?)

Sandie Feaver Mine is PARIS. My first choice was FERNHILL, but that was already taken. And no it's not PARIS after PAREE, but Paris, Kentucky, USA. My other daughter was living there at the time and Paris was a connection with her whilst she was away.

Ch/NZ Ch Paris Night Fever bred & owned by Sandie Feaver

Jocelyn Walker my Kennel name is Tiroroa - I registered it in 1973 - Mollie Grocott had Moerangi, and Adele Viner had Mauiti

Ch Tiroroa means Bizness-owned & bred by Jocelyn Walker

(which she felt meant 'little bear') and had Tiroroa which means 'great view' I was up on a hill with a great view then and I still have an amazing view now!

Jocelyn Croad My first Kennel name was Solario when I was breeding Pekingese and Mollie thought she could come up with something better for both Adele Viner who was Louseadele and Raweke was the chosen name for me and it is supposed to mean 'little dog or small dog in Maori' so that is how Raweke came about - a lot of Mollies influence.

Ch Raweke Paprika owned & bred by Jocelyn Croad

Marcia Mulhearn Mine is for my Italians Greyhound "Angelini" they aRTE aNGELS IN THEIR DOG LIFE NOW gIZMO HAS STUCKED MY KEYS SORRY:-) (Gizmo of course is the Griffon:Ed.)
