

GSDCT Championship Show 16th February 2020 - PM Show, Judge Ian Urie (Vic)

I wish to thank the Tasmanian GSD Club for the invitation to judge their show. The organising Committee was very efficient and accommodating. This is one of the smaller clubs in Australia, and the entry reflected that, with 37 dogs entered (3 LSC and 34 SC) with 5 scratchings. Weather was perfect, a nice sunny day but not too hot for the dogs. Quality of animals I judged was a little mixed, but the winners were of above average quality which could compete successfully anywhere in the Country. Many classes had small numbers, or in some cases a single exhibit. I did comment on several puppies which were very loose in the hocks due to rather deep hind angulation. Whilst a certain degree of looseness can be expected in puppies, these were less firm than normal, and I believe we as breeders need to be careful of the trend towards more extreme hind angulation in the Breed. On the whole colour and pigment were very good. Size was generally good, with only a few animals measured oversize, and several of ideal medium size. Handlers on the day were competent and showed good sportsmanship. I enjoyed the show, and the company of the officials.
