AM & PM Championship Specialty Shows

Sunday - 16th February, 2020

Judge – Mrs Jenny De Lucia

I would like to firstly thank the GSDCT for inviting me to judge their AM Championship Show which I very much enjoyed. The weather started off quite fresh in the morning and then became a little warmer as the day went on. I wish to sincerely thank my steward, Annette Anagnostis, for keeping the ring running smoothly, to my excellent stenographer, Carol Millhouse and to the Committee members for their hospitality.

The show attracted an entry of 36 with 29 being exhibited. All exhibitors were respectful and displayed good sportsmanship.

Critiques were required to be given for ALL classes. Unfortunately, class numbers were small with some classes having only one exhibit which makes the summation a little difficult.

Overall, sizes ranged from medium to very large and there was quite a mix of type in the classes with the most consistent type being in the stock coat baby puppy bitch class. Eye colour was good to very good. Short underchests were common and some animals had short necks and a few had wide set ears. The males generally were medium strong with most having good strength of skull. A few loose hocks in the baby puppy classes.
