I'd like to start by thanking the Tasmanian Club for the invitation to judge. It's a small, hardworking club, and while entry numbers weren't large, I thoroughly enjoyed my time in Tasmania.

Weather conditions were good – it was a little windy at times, but manageable and didn't affect the gun test for open classes.

While entry numbers were low, it was pleasing to find a number of quality animals still. Notable animals for me were the Long Stock Coat and Stock Coat Open Dogs, Stock Coat Open Bitch and Junior Stock Coat Bitch winners. I'd particularly like to note and congratulate the owners of the Stock Coat Open Dog for being presented in excellent condition for nearly 7 years old. 1 animal was allowed to be withdrawn from the ring.

My Best in Show winner was the Open Bitch Stock Coat winner; a medium sized bitch, showing moderation throughout and covered the ground effectively. Runner Up in Show was another medium sized animal in the Open Dog Long Stock Coat, who again displayed effective ground coverage.

A large proportion of animals had restrictions in the length and lay of the upper arm, as well as the length and lay of the croup. This is an area that remains common across Australia and should be of high focus for breeders to improve on.

Having said that, breeders must also be congratulated for sourcing animals from breeders across Australia for broadening bloodlines, as well as utilizing sires from across the country. I wish the exhibitors the best of luck in the future, and look forward to seeing how your kennels have progressed if I'm invited to return.
